APPOINTMENTS.

Secretary's Office,
Quebec, 5th Dec., 1863.

His Excellency the Governor General has been pleased to make the following appointments, viz:

George Perks, of the Township of Cavan, Esq., M. D., Associate Coroner, United Counties of Northumberland and Durham.

Alexander Hamilton, of the Town of Barrie, Esq., M. D., Associate Coroner, County of Simcoe.

Philip Sandford Martin, of Lindsay, Esq., Attorney at Law, to be a Notary Public in Upper Canada.

SERIOUS CHARGE.

We find in the last number of the *Canada Lancet*, a medical periodical published at Montreal, the following serious charge against the medical practitioners of that city:—

There is probably no abuse that so loudly calls for censure, as the secret exaction made by the medical men in this city upon apothecaries, as a reward for patronage and a good name. This consists in the return of from a fourth to a third of all the moneys received for prescriptions sent them. The physician hands his formula to his patient, and directs him to a certain chemist in whom he has confidence, (indeed some of them divide their favors between two or three shops;) if a dollar be the price of the medicine compounded, we to the poor man's custom, if he does not faithfully return twenty-five or thirty cents of the money to the M. D. in a quiet civil way, as the bribe for his custom and influence. The extent of this disgraceful and unprofessional conduct in Montreal will hardly be credited abroad; there is scarcely half a dozen of physicians of standing among us who are not guilty of it; and we are informed by one of the largest dispensing establishments here, that were all of them to insist upon the percentage, it would not be refused. This shameful state of affairs has been brought on by a few ringleaders having large practices, who, unfortunately for the profession, esteem money higher than they do its honor or dignity. If medical men are to continue to derive incomes by such means, we can assure them that at the least it shall no longer be done in secret.

ALBION HOTEL,

MONTREAL.

L. W. DECKER, PROPRIETOR.

IS pleasantly situated at the head of St. Paul Street, amongst the largest wholesale houses, in the city. It has (with business men generally, and especially with the best Merchants of both Provinces) become so great a favourite, that it is now acknowledged to be THE Business Hotel of Montreal. To meet the extensive increase during the last year in the business of the house, the proprietor has built a large addition. The Dining-Room has been extended and made more commodious; there have been completed a new wing, a great number of well ventilated sleeping-rooms, and the House throughout has been refitted, and now contains many improvements and conveniences hitherto unknown to its guests. The whole of the beds have, at a great expense, been furnished with NEW SPRING MATTRESSES. The proprietor expects that by continuing his personal management of the concern, "The Albion," to say the least of it will continue to be, as it now is, the best DOLLAR and A HALF HOTEL in Canada. 1-tf
