MARSHALL,

GRANT

Worth Star, Dec. 5, 1979

Certificate of appreciation for Hill's Grant Marshall

A Richmond Hill resident received a special presentation when members of the Richmond Hill Unit of the Canadian Cancer Society met Thursday at the Yonge Street office.

Grant Marshall, director of Marshall's Funeral Home on Yonge Street, received a certification of appreciation from Bonnie Thompson, this year's Cancer Unit president.

Mr. Marshall expressed his thanks for the certificate and indicated that when Richmond Hill citizens wish to donate to the Cancer Society through an "In Memoriam" he is prepared to have his staff perform the added duty of completing the paperwork.

Ms. Thompson reported on the annual meeting of the Canadian Cancer Society held at the Sheraton Centre last month.

On that day executive officers were selected for the Ontario Division and Ms. Thompson was appointed as the Service to Patients member.

She was pleased to learn about the large number of certificates of appreciation which the Richmond Hill Unit awarded in the past year.

Llowyn Martin, Thornhill branch president, was present at the meeting and in her report she stated that the branch is preparing for a meeting in the New Year.

Following reports from various chairmen, and the closing of the meeting, discussion centred around the "Talent of Richmond Hill" night planned for late February.

The meeting was conducted by the Unit's vice-president Audrey Howard.
