LAZARUS & MORRIS'
CELEBRATED
PERFECTED SPECTACLES,
AND EYE-GLASSES.

IT is admitted that a well-fitting pair of Spectacles is one of the greatest blessings which modern science has conferred upon those needing optical aid; hence none but the most perfect should be used, as by that means frequent changes and the fatigue which the wearer of ordinary spectacles experiences is avoided. The least costly are those which are found to be the best.

Mr. T. Beall, Lindsay,
claims to have for sale the
Most Perfect Spectacles & Eye-Glasses in the World,
viz:—the Celebrated Perfected Spectacles manufactured by
LAZARUS, MORRIS & Co.,
combining in their structure the acme of transparency with the greatest accuracy of focus, and are mounted in the most durable and finest finished frames, in Gold, Silver, Shell and Steel. Every pair is fitted on optical rules, and thus the agent is also enabled to fit these famous Spectacles and Eye-Glasses by correspondence.

Every pair sold by the agent is warranted from one to five years.
