MOTHER'S DAY AT THE UNITED CHURCH

United Church Sunday School and the morning congregation joined in a Mother's Day service at 11 o'clock on May 12th with the teachers and their classes occupying the front pews. Associated with Rev. R. E. Morton were Mr. Thos. A. Rodger, S. S. Supt., and Mr. Wesley Cope from Emmanuel College, Toronto, who is one of five divinity students now engaged in introducing a New Forward Movement in Missions on the part of Young People's Unions and is arousing in the young people a more lively interest in Missions.

The official Mother's Day program was used as a basis for the order of service. The theme was, Having Christ In Our Homes, and Rev. Morton gave an explanatory talk on the picture, "Come, Jesus Be Our Guest," by Uhde, which adorned the front page of the program leaflets.

Mr. Cope very ably took the place of Rev. Bert Scott who was first scheduled to address the young people on their missionary obligations and opportunities at this service, but in the meantime Rev. Scott had been appointed to early summer work in Northern Ontario and was about to be married. Then in July he would become pastor of the United Church at Cobalt.

Mr. Cope clearly outlined the happenings leading up to the launching of the new Forward Movement project and delivered a good missionary sermon.

Many baskets and vases of lovely cut flowers adorned the church. Snapdragons, carnations, lilies, tulips - they were arranged by Mrs. J. A. Butler in honor of all mothers and in memory of those who had passed on to the Great Beyond. The donors were: Mrs. C. R. Carveth, Miss Hattie Mason, the Family of the late Mrs. Thos. Couch, Mr. and Mrs. W. J. S. Rickard and Mrs. J. A. Butler.

After the evening service Rev. Morton and a number of members of the local Y.P.U. drove out to Orono and attended the Fireside service conducted by Mr. Wesley Cope and Mr. George Affleck at Park St. United Church.

WE PLOUGH THE FIELDS AND SCATTER

We plough the fields, and scatter
The good seed on the land,
But it is fed and watered
By God's almighty hand:
He sends the snow in winter,
The warmth to swell the grain,
The breezes and the sunshine,
And soft refreshing rain.

All good gifts around us
Are sent from heaven above;
Then thank the Lord, O
thank the Lord
For all His love.

He only is the Maker
Of all things near and far;
He paints the wayside flower,
He lights the evening star;
The winds and waves obey Him;
By Him the birds are fed;
Much more to us, His children,
He gives our daily bread.

We thank Thee, then, O Father,
For all things bright and good,
The seed-time and the harvest,
Our life, our health, our food.
No gifts have we to offer,
For all Thy love imparts,
But that which Thou desirest,
Our humble, thankful hearts.
Amen.

M. Claudius, 1740-1815
Tr. J. M. Campbell, 1817-1878

This rare old song was written by a Danish peasant, Matthias Claudius, in 1782. It was written for a Thanksgiving drama by the Junior Department in a school where the children annually brought a display of fruit, vegetables and sheaves of grain for decoration.

One night the peasant poet, with all the neighbours, were invited to the house of Paul Erdmann to rejoice over a bountiful harvest. They found a generous supper prepared for them, the table piled high with great brown loaves of bread and wooden bowls overflowing with purple grapes and red apples. There also was the sheaf of wheat the children had gathered. It was to be kept until the snow was deep and then tied to the top of a pole for the hungry little birds.

It was at this festive gathering that Claudius first introduced the song which came from his thankful heart.

The hymn was translated into English by Jane Montgomery Campbell and has been used by the Christian Church as a seasonal hymn of gratitude for more than one hundred years.
