FENELON FALLS.

ACCIDENT.—One day last week a young married man named Wm. Dear, a resident of this village, slipped on the ice in front of Simpson's hotel, while sparring with a friend, and sprained his right ankle so badly that he may not be able to work for two or three months.

BLASTING ACCIDENT.—On Thursday evening, while three employees on the canal were engaged in the dangerous task of enlarging a hole in which the dualin had missed fire, the charge suddenly exploded, and Peter Juneah, a Frenchman, who was holding the drill, had both his hands badly burned and lacerated. His two companions and another man were slightly injured.

MINDEN.

THE annual meeting of the Minden, Snowden, Stanhope, Lutterworth, Anson and Hindon Agricultural Association was held in the town hall here on Thursday last, the meeting was a most interesting one and showed the society to be in a flourishing condition and well patronized by our settlers. The five acre lot owned and used as a show ground is surrounded by a 7 ft. close board fence, and a good substantial agricultural hall thereon. This property the society now has clear of debt, and after paying off every cent of liability against them start on the present year with a small balance on hand. The officers for the present year are James Mortimer, president re-elected; John Robinson, vice-president; J. H. Delsmere, sec.-treasurer, re-elected; and Messrs. R. C. Garratt, F. Bell, M. Newell, F. Wilson, T. Hobden, W. Smith, W. Pettigrew, W. Fielding and J. Thomas, directors. A very flattering vote of thanks to the officers and directors for the past year was proposed by Dr. Curry and carried unanimously and enthusiastically by the members. The prospects for the present year are most encouraging.—[Independent.

Mrs. McArthur, of Hopeville, says regarding Hagyard's Pectoral Balsam, that she would not keep house without it. She cannot speak too highly of its merits as a remedy for coughs, colds, bronchitis, asthma, weak lungs and all pulmonary troubles. A cold may be cured by it in one day.—49-2.

Very well known are the virtues of the Cingalese Hair Renewer, in restoring grey hair to its natural color and then preventing it from turning grey ever afterwards. Sold at 50 cents per bottle by all druggists.—47-2mos.

Cingalese is the name of a widely and favorably known hair restorer which is not recommended to do utterly impossible things, but then nothing is better for keeping the hair in good condition and restoring it when lost, if the scalp is capable of being toned up, to exert its proper functions. Sold at 50 cents per bottle by all druggists.—47-2mos.

Men are but sorry witnesses in their own cause. The praise of Kidney-Wort comes from the mouths of those who have been made strong and healthy by it. Listen: "It is curing everybody," writes a druggist. Kidney-Wort is the most popular medicine as well. It should be by right, for no other medicine has such specific action on the liver, bowels and kidneys.

True to Her Trust.

Too much cannot be said of the ever faithful wife and mother, constantly watching and caring for her dear ones, never neglecting a single duty in their behalf. When they are assailed by disease, and the system should have a thorough cleansing, the stomach and bowels regulated, blood purified, and malarial poison exterminated, she must know that Electric Bitters are the only sure remedy. They are the best and purest medicine in the world and only cost fifty cents. Sold by A. Higinbotham. (4)

OMEMEE.

15 DAYS.—Last Saturday a man named Shaw, who had been working on the missing link, was arranged before Dr. Norris, J. P., charged with having presented a revolver at Mr. Geo. English and Mr. Geo. Rice on Friday night. As it is a punishable offence for any one to carry firearms, Shaw was sentenced to 15 days in the Lindsay jail, and was taken there by constable Glenny on Monday last.—[Herald.

HALIBURTON.

LAST week a farmer from Mariposa, one who it is said was more than once in the township council, came here and got drunk. He was lodged in the cells, and was there kept from Friday until Monday, charged with being drunk and disorderly and with having in his possession a revolver. The case was proved and he was fined $20. I forget his name, or I would give it to you, for all such cases should be reported with the object of making them disgraceful. People must not come here and fancy they can do what they please, for our village constable is constantly on duty and the gaol is ever ready.

The oyster supper given on the occasion of the departure of Mr. J. Erskine to the west, was very successful. Mr. Thompson was in the chair, a large crowd was present, and a very merry evening was passed. General regret was expressed at Mr. Erskine's departure.—[Cor. Independent.

Dentistry.

W. H. GROSS
The oldest Dentist in the County. Over 21 years Dental experience. About 3,000 sets of teeth made during that time. Mr. Gross's insertion of ARTIFICIAL TEETH is bringing the mirror up to nature; they are life-like in appearance, and perfect in eating and speaking. All kinds of plates made, ranging in price from $9 to $65 for a full Upper or Under Set. The reputation of his English Black Rubber Plates is established. Those who value excellence and purity, particularly in an article to be worn in the mouth, will have nothing but Black Rubber. It is free from mercury or anything injurious and makes a more durable plate than any of the rubber compounds. One or more of Mr. Gross's English Black Rubber Plates may be found in almost every neighborhood within 30 miles of Lindsay, and all giving the greatest satisfaction. Red Rubber Plates made for those who prefer them. Teeth extracted without a particle of pain by use of ELECTRICITY. Sufferers are daily relieved without pain or risk, and voluntarily offer to testify in its favor. Mr. Gross experimented for months with a view of regulating the Electric current to suit the different temperaments. He was the first in Lindsay to introduce it, and is the only one in the place using it successfully. A great many certificates in favor of this great destroyer of pain have been taken. No extra charge for its use. Pure Gas is kept, but, as it is considered unsafe and injurious to health (accidents from its use being of frequent occurrence), it will be given only to parties who insist upon having it, and who are physically sound. Natural teeth preserved by filling with gold and other reliable materials. Fillings guaranteed for Five Years. A call upon Mr. Gross will consume but little time, and cost you nothing. Many have expressed deep regret for having got a set of teeth, a tooth filled or extracted, without first calling on GROSS, over Kennedy's store, Kent street., Lindsay.—1319.

J. NEELANDS. The oldest established dentist, practice in the County of Victoria, and the most successful in the Midland district. He has now a stock of about 8,000 teeth, perhaps one of the largest held by any regular practicing dentist in the country, and many of these of the most celebrated makers, such as Ash & Sons, London, Eng., S. S. White & Justo, Philadelphia. The advantages to persons getting teeth are apparent as they have a splendid opportunity of being able to get teeth of all sizes and shades of colors to suit all complexions and thus avoid detection. Mr. Neeland's success in this respect has been such that in several cases persons have been married for years before even the husband or wife were aware that either had false teeth. A large stock of the best English and American Black, Red, Pink and White Rubbers for plates on hand. Mr. Neelands will insert teeth on any other advised—would prefer putting on Black as the plates of that color are more easily fitted and polished. Many have a strong prejudice against the black on account of the color. In fact Mr. Neelands has had a number of black plates that have been exchanged formerly. An upper or under set from $10 to $20. GAS.—Mr. Neelands has had almost unparalled success with it in Canada and has no objection to being called a disciple of Dr. Colton. He has used it uninterruptedly for nearly 10 years, and given it to thousands of persons with the most perfect satisfaction. One gentleman, a physician, has taken it at different periods some seven or eight times to get teeth out, and always speaks in its favor. Mr. Neelands knows numbers of persons who have been ill for years and have had their health restored after taking gas and getting their diseased teeth out. Mr. Neelands made a special study of this gas under Dr. Colton, of New York, the inventor of gas for extracting teeth without pain, who has given it up to April 20th, 1882, to Mr. Neelands, without an accident. Liquid Gas was introduced by Mr. Neelands in March, 1882. Electricity also introduced by him 16 years ago. All other operations connected with the teeth skillfully performed. A trial on teeth sent to any address free of charge. Call and see his thousands of beautiful teeth. Office—next door to R. Smith's store. Private residence—Bond street, near C.P.R. Persons from a distance will please send postal card a day or two before coming.

Ears for the Million.
FOO CHOO'S BALSAM OF SHARK'S OIL.
Positively Restores the Hearing and is the Only Absolute Cure for Deafness Known.
This Oil is abstracted from peculiar species of small White Shark, caught in the Yellow Sea, known as *Carcharodon Rondeleth*. Every Chinese fisherman knows it. Its virtues as a restorative of hearing were discovered by a Buddhist Priest about the year 1410. Its cures were so numerous and many so seemingly miraculous, that the remedy was officially proclaimed over the entire Empire. Its use became so universal that for over 300 years no Deafness has existed among the Chinese people. Sent, charges prepaid, to any address at $1.00 per bottle.
