# BETHANY

**Senior Citizens**

Fifty members of the Golden Star Senior Citizens opened their meeting with a poem "Begin the Day with Friendliness" by the president and the Senior Citizen Theme Song.

Violet Carr read the minutes and thank you notes received from Ina Harkness, Ivan Ellicott and Bobbye Gray and Alma Whiteside.

The treasurer's report was given by Frances Jackson which was considerably higher due to a very successful bazaar. Belle Smith thanked the members for the systematic manner in which the bazaar was conducted and the co-operation of each person at the tables and in serving the lunch.

Passages were read from "The Voice Magazine" relating to: increased rates in the Blue Cross; Ontario Privilege Cards; resolutions re dentures, hearing aides and eyeglasses; undue pressure by hearing-aid agents; lower car insurance for persons sixty and over; pension increases; capital punishment; glamorization of alcoholic T.V. ads.

Response for attending the Royal Winter Fair was weak, but a bus will pick up Senior Citizens to attend a euchre party in Omemee on Nov. 9th. The bus will leave Ballyduff at 7:00 p.m.

Bowling at Cobourg on Monday was very much enjoyed. George E. Clarke won approved applause, when he won the men's high single as well as men's high triple and Belle Smith won the ladies' high single.

Another quilt under the instruction of Iva Porteous and Violet Carr, was completed for Mrs. Fee of Mount Pleasant and three other quilts are waiting for the marking and needlework to be done.

Plans were finalized to hostess a group of Senior Citizens from Toronto who will supply the program on Nov. 15th.

Two fifty year wedding anniversaries were recognized with a beautifully book-shape cake centering their table. Winnie Strong gave a humorous reading "When Father Carved the Duck" and she honored the president with a poem "Just Nobody Like You", and then Winnie read an address and poem to Mr. and Mrs. Traynor for their 50th anniversary.

Margaret Wright addressed Mr. and Mrs. McMullen and congratulated them on their wedding anniversary. Each couple responded with thank you's and expressed pleasure at being members of the Golden Star Senior Citizens.

Euchre was played and high lady was Ruth Traynor who was visiting and a guest of Lillian Fallis. High men's score went to Leonard Driver and low to Lucy Borrow, playing as a gent.

The wedding cake made and decorated by Nancy De Geer, and ice cream was served by the November work group consisting of Winnie Strong, Margaret Wright, Beulah Forrest, Hazel Kerr and Derena Clark.

Rev. Wainwright and Reeve George Neals offered congratulations to the two honored couples.

James Kloepfer of Bethany is the new chairman of the Haliburton, Kawartha, and Pine Ridge District Health Council. Jim has held the positions of vice-chairman and treasurer and has been on the council, which advises the provincial government on health matters in the area, since its beginning.

Ruth and John Peccitto and daughter, Lee, were Sunday guests of Mrs. Ina Palmer.

A friendly tournament was played at the twelve lane bowling court in Cobourg and the Senior Citizens of Bethany. Since this was the first large competition the Golden Stars had entered they were pleased with the scores they received, especially since they played three games. Ladies' high score was won by Belle Smith with a 564 for the three games. George E. Clark had a wonderful score of 711. Runner-up for the ladies was Gertie Clark with a score of 475, and men's runner-up was Pete Borrow with 529. Pete, for two years, had had difficulty with his arm, but his come-back has been most gratifying. Congratulations, Pete, keep it up!

Names of the Golden Star members with scores over 300 for three games were: Earle Parrott 516, George W. Clark 484, Margaret Wright 473, Charlie Smith 463, Tom McKellar 436, Jessie Ellicott 419, Leonard Driver 416, Florrie Driver 408, Lucy Borrow 391, Irene MacDonald 388, Edith McKellar 375, Muriel Parrott 374, Alvin Mitchel 374, Mary Morton 369, Viola Clark 354, Jean Mitchel 339, Mary Finney 324, Mildred Bristow 301.

Mr. and Mrs. Gordon Clifford, Millbrook were recent dinner guests with Mr. and Mrs. W. McMahon.

**Grandview Elementary School News Report**
**Presented by Lana Malcolm**

On Sat., Oct. 21 three teams from Grandview participated in the soccer tournament at I. E. Weldon. The junior boys did very well winning 3 games of the 5 played. The scores were: Grandview 1 - Fenelon Township 0; Grandview 1 - Alexander 0; Mariposa 1 - Grandview 0 (Grandview lost in overtime); Grandview 1 - Lady Eaton 0; St. Mary's 1 - Grandview 0.

The intermediate boys also won 3 of the 5 games: Grandview 2 - Fenelon Falls 0; St. Mary's 1 - Grandview 0; Grandview 3 - Fenelon Township 0; Grandview 1 - Lady Eaton 0; St. Mary's 1 - Grandview 0.

The Grandview intermediate girls put forth a good effort, but unfortunately won no games against St. Mary's and Mariposa. However, it is not the number of games won, it is the keen competition, accompanied by fair play and good sportsmanship, that is the main issue. Congratulations to each player on all the teams!

Two debates were held last week. The Apollo team upheld the affirmative "Hallowe'en should be abolished", whereas the negative part was debated by the Durham team, and the judges decided in favor of the Durhams that Hallowe'en should continue.

A short skit by students from Room 8, portraying people of the school, was entertaining in a humorous manner.

Another debate with Massey upholding the idea that Remembrance Day should be abolished was won over the MacDonalds.

Debates between the two winning teams, Durhams and Masseys, will be given at a later date.

Hallowe'en dances are always fun and the Grandview one was no exception.

Prizes were presented for best costumes in the many categories.

In order to raise funds for student activity participation the students are bringing in V.P.C. labels from Kraft products and also they are having a hot dog and chip sale.

Mr. George Vincent of London, who is a famous world traveller, has visited Grandview on other occasions and his films on his travels have been most educational and interesting. This year's visit when he showed slides on South America was no exception as his commentaries and pictures enlightened the students on the interests in this continent.

You too can measure up

## Salvation Army Hosts Annual Bazaar

You could sure tell Christmas isn't far away Saturday just by the number of bazaars held by various groups around town during the weekend.

The Salvation Army had a variety of hand-made goods on sale that would make imaginative and charming gifts. Tea was also served.

# NOTICE

## Electric Rate Adjustment

**Following the recent announcement by Ontario Hydro to increase the wholesale cost of power to the Municipal Hydro Electric Systems by some 9.8%, your Utility, in co-operation with Ontario Hydro, have reviewed the rates presently in effect within the Town of Bowmanville and find that a portion of the increase by Ontario Hydro will have to be passed along to you the consumer. Therefore, effective January 1, 1979, we will be implementing a general increase of 6.5%.**

**However, in keeping with the context of the Anti-Inflation Program, any savings realized through the conservation program prior to January 1st will be passed along to you in the form of a reduction in percentage at the retail level.**
