In the **Township of Artemesia,** in the County of Grey, 4 miles from Flesherton Station, the Canadian Pacific Railway. The Mill is situated at Little Falls, in a block of about 400 acres Timber Land, with other timber land surrounding. The building is substantiolly built on stone foundation. The machinery is all good and driven with great power by a 23 inch Leffel wheel, under 36 feet head of water. There are 1 Large Circular Saw for cutting logs; 2 Small Circulars for sawing Laths and Broom Handles; 1 Guage Lathe for turning Broom Handles, &c.; 1 Shingle Machine with Jointer and Packer complete. The Water-Power is excellent, the stream being very regular. There are several other good Mill Sites on the property. The land in this valley is considered the best in the country. The place would make an excellent Stock Farm when the timber is taken off

Norval Excited.

Peel Banner.

A man giviving his name as Shoot was brought to jail this week for housebreaking at Norval. One morning Mr. Isaac Greenswoord noticed that some one had been spending the night in his stable. On the roadside was found a buggy, and hidden beside a stump was found a set of harness and a crock of butter, which latter Greenswoord recognized as his. A close watch was kept on the buggy, and a man was noticed about in the evening, and who afterwards made for the farm buildings; Mr. Greenswoord, and a neighbor armed with clubs followed, and surprised him in coming out of a shed. As it was dark, and as the fellow showed signs of lighting out, it was thought that a tap from the club would be the most effective way to effect the capture of the marauder, and he was accordingly felled with the club and taken to the house, where an armed watch was kept over him all night. In the morning he was brought to Brampton and locked up. The capture created quite a sensation in Norval district, and a general cleaning up of fireams took place; for it was feared there were companions. The buggy which was found by the roadside was indentified by a man from Richmond Hill. It is supposed Shoot unhitched his horse and put him to graze while he helped himself to the butter, and the horse making off, left the thief in a bad fix. The prisoner is a large man, and is capable of desperate resistance. The horse we believe, has not yet been recovered.

NO MATTER.—No matter where pain, lameness or soreness exists, Hagyard's Yellow Oil taken or applied will give immediate relief, and a positive cure quickly follows its use.

Rev. Geo. Jacques.

Port Elgin Busy Times.

We had the pleasure the other day, of reading a very interesting letter from the Rev. Geo. Jacques at Calgary, addressed to his old friend in Port Elgin, Mr. A. Neelands. At the date of writing, Oct. 15th, Mr. Jacques and family had not got fully settled, although they had moved into their new house. Mr. and Mrs. Jacques find everything so new and strange up there and western life so different to what they had been used to, they still prefer the quiet and home-like life they enjoyed in Ontario. Mr. Jacques however, regards the far west as an excellent country for young people, and the soil well adapted for farming, stock raising &c. Stock and produce are very high. Potatoes sell at 2 to 3 cents per pound, and other things in proportion. Quite a number of settlers are moving in, and in another year it is expected Calgary will be twice its present size.

We believe the Rev. Mr. Jacques above referred to has relatives living in this village.

Those requiring extra good Pianos, Organs, Sewing Machines, Shuttles, Needles, Oil, &c., are invited to apply for them to C. TREADGOLD, Flesherton.

A SAFE INVESTMENT.—Investing twenty-five cents for a bottle of Hagyard's Pectoral Balsam, the best throat and lung healer known. Cures coughs, bronchitis, asthma and all pulmonary complaints.

Cruelly Murdered.

In the Province of Ontario every year thousands are being slowly murdered by taking unsuitable, untried nostrums for such complaints as Costiveness, Indigestion, Liver Complaint, Kidney Troubles, etc., who might easily regain lost strength and energy by using McGregor,s Speedy Cure. To convince them that such is the case we will give them a free trial bottle at Richardson's Drug Store. Price 50c. and $1. See testimonials from persons in your own town.

FREEMAN'S WORM POWDERS destroy and remove worms without injury to adult or infant.

WARREN LELAND,

whom everybody knows as the successful manager of the

Largest Hotel Enterprises

of America, says that while a passenger from New York on board a ship going around Cape Horn, in the early days of emigration to California, he learned that one of the officers of the vessel had cured himself, during the voyage, of an obstinate disease by the use of

Ayer's Sarsaparilla.

Since then Mr. LELAND has recommended AYER'S SARSAPARILLA in many similar cases, and he has never yet heard of its failure to effect a radical cure.

Some years ago one of Mr. LELAND'S farm laborers bruised his leg. Owing to the bad state of his blood, an ugly scrofulous swelling or lump appeared on the injured limb. Horrible itching of the skin, with burning and darting pains through the lump, made life almost intolerable. The leg became enormously enlarged, and running ulcers formed, discharging great quantities of extremely offensive matter. No treatment was of any avail until the man, by Mr. LELAND'S direction, was supplied with AYER'S SARSAPARILLA, which allayed the pain and irritation, healed the sores, removed the swelling, and completely restored the limb to use.

Mr. LELAND has personally used

Ayer's Sarsaparilla

for Rheumatism, with entire success; and, after careful observation, declares that, in his belief, there is no medicine in the world equal to it for the cure of Liver Disorderr, Gout, the effects of high living, Salt Rheum, Sores, Eruptions, and all the various forms of blood diseases.

We have Mr. LELAND'S permission to invite all who may desire further evidence in regard to the extraordinary curative powers of AYER'S SARSAPARILLA to see him personally either at his mammoth Ocean Hotel, Long Branch, or at the popular Leland Hotel, Broadway, 27th and 28th Streets, New York.

Mr. LELAND'S extensive knowledge of the good done by this unequalled eradicator of blood poisons enables him to give inquirers much valuable information.
