ODDS AND ENDS.

Latest Facts, Fun and Fancy.

No one need fear cholera or any summer complaint if they have a bottle of Dr. J. D. Kellogg's Dysentery Cordial ready for use. It corrects all looseness of the bowels promptly and causes a healthy and natural action. This is a medicine adapted for the young and old, rich and poor, and is rapidly becoming the most popular medicine for cholera, dysentery, etc., in the market.

J. H. Earl, West Shefford, P. Q., writes: "I have been troubled with liver complaint for several years, and have tried different medicines with little or no benefit, until I tried Dr. Thomas' Eclectric Oil, which caused me immediate relief, and I would say that I have used it since with the best effect. No one should be without it. I have tried it on my horse in cases of cuts, wounds, &c., and I think equally as good for horse as for man."

G. A. Dixon, Frankville, Ont., says: "I was cured of chronic bronchitis, that troubled me for seventeen years, by the use of Dr. Thomas' Eclectric Oil." See that the signature of Northrop & Lyman is on the back of the wrapper, and you will get the genuine Dr. Thomas Eclectric Oil.

Mr. R. A. Harrison, Chemist and Druggist, Dunville, Ont., writes: "I can with confidence recommend Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure for Dyspepsia, Impure Blood, Pimples on the face, Biliousness and Constipation—such cases having come under my personal observation."

Restlessness, Morbid Anxiety, and a fretful disposition, are usually met with in the dyspeptic. These mental indicia show how close is the connection between brain and stomach. Their most prolific cause, dyspepsia, is a complaint for which Northrop & Lyman's Vegetable Discovery and Blood Purifier is used with unvarying success. It also remedies Biliousness, Constipation, and Impurity of the Blood.
