A BURNING SORE LEG

Ulcers Form. Hospitals and Doctors useless. Crazed with Pain. Cured by Cuticura Remedies.

About eight years ago I wrote you from Wilkesbarre, Pa., describing how your wonderful remedies completely cured me of a terrible case of eczema or salt rheum. I must now tell you what CUTICURA REMEDIES have again done for me. On the 22nd of last September, I had the misfortune to bruise my leg, and I put a piece of sticking plaster on it. Inside of a week I had a terrible leg. My wife became frightened and advised me to go to a surgeon. I went, and doctored for two months, but no good was done me, besides costing me big money. My leg had by this time formed into an ulcer, and got worse every day. I could not stand it any longer, and made up my mind to go to a hospital and see if I could be helped. I went to several here in the city, in turn, but none could do me any good. I had a terrible leg, with a hole in it as big as a dollar, and pain that almost set me crazy. I got scared about it, and determined to try CUTICURA REMEDIES. I obtained a set, and inside of five weeks my leg was healed up as well as it ever was, except the terrible scar it left for a reminder of what was once a terrible sore leg. These REMEDIES are worth their weight in gold.
