Priceville.

From our own Correspondent.

In spite of all that is said about the hardness of the times, the large-hearted people of Priceville and neighborhood on Monday, the 27th, presented D. A. McLean, student of Knox College, Toronto, who has proclaimed the Glad Tidings of Salvation in behalf of the Rev. D. McLeod, pastor of the Presbyterian Church here, with a Gold Watch worth $50, and the following address:—

To D. A. McLean:

Respected Sir,—Feeling that on the occasion of your departure from our midst, you have laid us under a deep sense of gratitude during your short stay with us—which it is only right and proper for us to acknowledge in some practical and substantial manner—we herewith beg to present you with this gold watch. Although real worth is not to be measured by such gifts, we feel a certain degree of pleasure in the thought that every time you take this watch from your pocket and note the flight of time, your thot's will occasionally revert to the many warm friends you have made in Priceville and neighborhood, who hold you in the highest esteem and most profound respect for the earnest and zealous manner in which you have proclaimed the Gospel of the "King of kings and Lord of hosts." May God bless you, and may the noble work you are engaged in be as productive of good elsewhere as it has been here at your hands. Presented on behalf of the Presbyterian congregation, Priceville, with best wishes for your future prosperity and happiness in all time to come,

JNO. MCARTHUR.
JOE. AUSSIM.

In reply, Mr. McLean said he felt almost speechless, and that he did not consider that he had done anything to merit the beautiful gift of which he was the recipient. He warmly thanked the ladies and gentlemen for their kindness. He valued the watch because it was a token of their appreciation of his services. He wished them God-speed and success in this world, and a mansion of glory in the world to come.

The guests were entertained in a most charming and graceful manner at the manse by Mrs. McLeod, where the presentation took place.

Miss McLeod presided at the organ, and gave a solo with grand effect. Mr. Geo. Lothian played a waltz on the violin splendidly. Mr. N. McKinnon, and Mr. D. Lamont also contributed to the evening's amusements. A most enjoyable evening was closed by all present rising to their feet and singing that grand old song, "Auld Lang Syne."

All credit is due to the ladies and gentlemen comprising the Committee, viz., N. McKinnon, Miss A. Muir, Joseph Aussum, Mrs. Grier, and Miss McLeod, for their untiring energy and splendid management.

The beautiful gold watch presented on this occasion was purchased from Mr. J. G. Russell, Flesherton, the far-famed and immensely popular noted jewelry man.

Agricultural Hall.

Globe, Toronto, Sept. 11th, 1886.

The exhibits in this building are extremely good, and ought to attract much attention. Entering from the south, several large lumps of a reddish substance, on the first table, will be noticed. According to the label attached, this is rock salt for horses and cattle, and sceptical curiosity needs only to rub its fingers across and put them to its mouth to be convinced that the label speaks truly. The same table supports bags holding fine samples of oil cake in various conditions, broken and otherwise.

This exhibit, however, good as it is, will not long detain the visitor's attention from the most striking feature in the whole building—the exhibit which is made by

THE CANADA PACIFIC RAILWAY,

and which illustrates the productive powers of the whole country along its course to the Pacific ocean. It is an admirable display, both for its extent and its impressive character as a whole, and for the variety, excellence in quality, and skill in arrangement shown in the way of details. The attention of even the slowest observer, will hardly miss the gigantic section of the British Columbia spruce tree, which stares him in the face. It bears a legend, telling its birthplace and that it is seven feet in diameter. At the foot of this trophy, and on either side, either lying exposed, or kept from thievish hands by glass cases, are fine specimens of

THE MINERAL WEALTH

of the great Canadian North-West Territories. At the other end, facing the north entrance, is a similar trophy, the tree section in that case being fir, and eight feet in diameter. Between every two of the supporting pillars of the building a miniature arch is constructed by means of bundles of prairie grasses and different sorts of grain. On opposite sides of each pillar are affixed the splendid specimens of the fauna of the North-West. On the tables below, in almost bewildering variety, are arranged samples of the agricultural wealth of the same regions.

To get your watch or clock repaired properly, you will need to take it to Russell, the Boss watchmaker, Flesherton.—1 w.

STRAY SHEEP

R. W. CLARK.

The First Sign

Of failing health, whether in the form of Night Sweats and Nervousness, or in a sense of General Weariness and Loss of Appetite, should suggest the use of Ayer's Sarsaparilla. This preparation is most effective for giving tone and strength to the enfeebled system, promoting the digestion and assimilation of food, restoring the nervous forces to their normal condition, and for purifying, enriching, and vitalizing the blood.

Failing Health.

Ten years ago my health began to fail. I was troubled with a distressing Cough, Night Sweats, Weakness, and Nervousness. I tried various remedies prescribed by different physicians, but became so weak that I could not go up stairs without stopping to rest. My friends recommended me to try Ayer's Sarsaparilla, which I did, and I am now as healthy and strong as ever.—Mrs. E. L. Williams, Alexandria, Minn.

I have used Ayer's Sarsaparilla, in my family, for Scrofula, and know, if it is taken faithfully, that it will thoroughly eradicate this terrible disease. I have also prescribed it as a tonic, as well as an alterative, and must say that I honestly believe it to be the best blood medicine ever compounded.—W. F. Fowler, D. D. S., M. D., Greenville, Tenn.

Dyspepsia Cured.

It would be impossible for me to describe what I suffered from Indigestion and Headache up to the time I began taking Ayer's Sarsaparilla. I was under the care of various physicians and tried a great many kinds of medicines, but never obtained more than temporary relief. After taking Ayer's Sarsaparilla for a short time, my headache disappeared, and my stomach performed its duties more perfectly. To-day my health is completely restored.—Mary Harley, Springfield, Mass.

I have been greatly benefited by the prompt use of Ayer's Sarsaparilla. It tones and invigorates the system, regulates the action of the digestive and assimilative organs, and vitalizes the blood. It is, without doubt, the most reliable blood purifier yet discovered.—H. D. Johnson, 383 Atlantic ave., Brooklyn, N. Y.
