Servicemen

Bud Jarrett, stationed at Fort Leonard Wood, Mo., as we told you a couple of weeks ago, has become a paratrooper. Not too many of the boys who try out for the paratroopers make the grade, but Bud did. Congratulations on your success from your hometown, Bud.

Also stationed at Fort Leonard Wood are Leon Schmitt, recently ('56) graduated from RBCHS, Harold Kramer and Larry London. Larry lives in Solon Mills when he is a civilian.

Future Nurses

Two young ladies of the class of '56 have decided to take nurses training. Bonnie Condon and Carolyn Jacobson have been accepted at Copley Memorial hospital in Aurora. They will begin training Oct. 1. We are glad for Bonnie and Carolyn and wish them success along with the hard work we know they will encounter along the way.

Future College Freshmen

Five of our young people who have finished their high school careers took a trip together to DeKalb to Northern Illinois college last Saturday. The five were Linda Kautz, Ronnie May, Viola Oleson, Bill Stilling and Janet Vierke. They plan to enroll at DeKalb this fall. Lots of luck to them, too. Isn't it nice to hear such good news about young folk? They are our future America, let's remember that and give them a lift whenever we can.

State Fair 4-H Girls

Speaking of good news about the 'teen-agers, did you know that our girls will be traveling to Springfield next month? Carolyn Jacobson and Diana Winn are two of the five girls chosen to compete for clothing awards.

Cheri Lee Kruse was chosen to go to the state fair for her flower arranging.

This will be the second trip to the state fair for both Cheri Lee and Carolyn. The state fair will be held Aug. 10 to 19 in Springfield. We will surely be thinking about the three girls then. Congratulations!

Rotary

Richmond Rotary has an announcement to make that should interest boys and girls in grade school. The Rotary club, with the cooperation of the Richmond Shriners and businessmen, are again planning on taking children of the Richmond grade schools to the Shrine circus at Rockford either Thursday or Friday, Aug. 9 or 10. The Rotarians hope that all Shriners will turn in to Arlie Pickering all their books of tickets which they don't need as a donation to the group.

Two years ago a special section was reserved and a caravan of thirty cars with seventy-five children from Richmond went to the circus.

Carl Grant returned from Gordon, Wis., without any fish, his Rotary friends say. Better luck next time.

This week Dr. Leland Shafer, a trustee of the Illinois Crippled Children's association, spoke at the Rotary meeting.

Bake Sale

Saturday, the Lutheran Women's guild will hold a bake sale in the village hall. The sale will start at 11 a.m. and run until 2 p.m. (DST).

Birthday

Jackie Lindbloom celebrated his eighth birthday yesterday. Congratulations Jackie!

News About Folks

The J. W. Kruses attended a wedding in Rochester, Minn., Saturday. The bride was a friend of Cheri Lee. From Rochester, the Kruses were going to a convention in Milwaukee, where they were going to spend several days. Stevie was going to spend some time with his grandmother in Woodstock while his mother and dad were gone.

Mrs. Fisk spent a few days in Chicago.

Mrs. Jo Gruenz is home from Madison, where she was a medical patient for nine days. We are glad she is feeling better and hope she will continue to improve.

Betty and Jimmy Schroeder went to Brookfield zoo last week and saw all the animals there were to see.

Mr. and Mrs. Seth Russell from Paris, Tenn., were house guests of the Art Krumpens. The Russells brought Van Krumpen back from his vacation in Tennessee.

Mrs. Alan Lackey (Virgine Schultz) was the guest of honor at a bridal shower given by Mrs. Kenneth Thomas of Genoa City. Friends and relatives showered the bride with gifts for her larder.

Mrs. Ben Winn and her daughter, Diana, spent several days this week with Mrs. Winn's family in Indiana.

Miss Audrey Jones, former English teacher at our high school, visited the Ed Waspis last week. She had dinner with the Waspi family and during dinner the power went off in town. They finished dining by candlelight, though, so nobody minded too much.

Miss Winifred Collins was a house guest of the Frank Buchert several days (July 20 to 24). Miss Collins taught history at our high school for several years. From here she went to teach in Japan. She is home this summer — her home being Keokuk, Ia. While she taught in Richmond, she lived at the Frank Buchert home.

While in Richmond, Miss Collins had dinner at the Edwin Wittmayer home.

Miss Collins will return to Japan and will teach in Tokyo this coming fall. She was always an interesting person and we are sure she must be even more interesting to know after her teaching experiences in Japan.

Mr. and Mrs. DuWayne Sheldon and daughter, Karen, returned to Richmond Saturday for the day. They called on several friends. Their main reason for coming that particular day was to see Miss Collins for she and Mr. Sheldon taught at RBCHS for a couple of the same years. (You know it's hard to say what I mean at times.)

Monday of last week Mr. and Mrs. Henry Rice and daughter, Marie, of Santa Rose, Calif., were visitors at the Kenneth Granger home. Mrs. Rice and Mrs. Granger are cousins. Mr. adn Mrs. Rice lived in Richmond several years ago.

Fred Larson and daughter, Selma, of Palatine were overnight guests of the Kenneth Grangers last week.

SFC and Mrs. Bruce Granger and children of Wauconda were supper guests of the Kenneth Grangers.

Saturday evening guests of the Kenneth Grangers were Mr. and Mrs. Charles Hayes and daughter, Evelyn, and fiance and Mr. and Mrs. Walter LaMountain and son, Butchie, of Palatine.

Miss Margaret Johnson spent the weekend in Glen Ellyn at the home of her sister.

The Gus Holmgrens have returned from their vacation at Townsend, Wis., where they spent two weeks. The sad part of their vacation was that the sun shone only two days out of the two weeks and the other twelve days it rained! Better luck next time!

We missed telling you of some vacationers — the Lou Burks were vacationers in Wisconsin a couple of weeks back.

Last month the Don Johnson family went to New York City, where they visited Mr. Johnson's brother. They had a very interesting time sightseeing at the Empire State building, the UN building and Radio City among many places. Mr. Johnson is back at the meat counter again and will be back teaching at the grade school when it opens.

Miss Mary Wittmayer was home from the University of Wisconsin for the weekend.

Chester Colby of Solon has been working long hours to finish the home he is building for his family in Round Lake.

The VanEverys are working on a home they are planning to move into in Solon Mills.

THANK YOU

Many thanks to the Richmond Fire department for their prompt response and quick action in putting out the fire on my property.

Check List For Picnic Supplies

In the scurry of leaving for a picnic, it's wise to check your list of cooking and serving equipment.

A long-handled frying pan, tasting forks, ladles and a hinged wire broiler are musts if you plan to cook outdoors, says Mrs. Dorthy McIvor, University of Illinois foods specialist.

A pair of pliers, can and bottle openers, pot holders and gloves are necessary items that are often overlooked. A sharp knife, which can be a jack knife, and a cutting knife should be included in every picnic basket.

To cook one-dish meals, you'll need a heavy metal kettle with a tight-fitting lid. And don't forget the salt and pepper shakers.

Check plastic bags, tablecloth, plates, cups, knives, forks, spoons, paper napkins, towels and newspapers off your list as you pack them.

To clean up, of course you'll need dish towels and cloth, soap, matches and a scouring pad. A bucket is handy for carrying things, and you can use it later for washing dishes.

FEW HUNTING AREAS

Gov. William G. Stratton, speaking to delegates at the annual meeting of the Midwest Fish and Game Commissioners association, said that "most of the states are seeking a solution to the problem of the ever diminishing hunting and fishing areas within their borders." Gov. Stratton said that Illinois is trying to help the situation by seeking to expand its system of lakes and reservoirs. This, he said, will help solve surface water shortages and provide better public hunting and fishing grounds. The Midwest Commissioners association is composed of conservation officials from 13 midwestern states and Manitoba and Ontario provinces in Canada. These officials represent about 45,000,000 people residing in the area.
