Week's Local News

WHAT IS GOING ON IN & ABOUT TOWN.

Civic Holiday.

Nearly every business man in Town has signed a requisition to the Mayor for a Civic Holiday on Wednesday, June 21st, the day of the North York Agricultural Excursion to Parry Sound.

Correction

In the Era Stock Register last week it was stated that the record of Prince Nuttinham, owned by Mr. Walter Davis of Schomberg, was 2.30¼. This was a mistake—it should be 2.20¼.

Niagara Camp.

Lt.-Col. Lloyd has issued orders to the 12th Bat. to prepare for Drill at Niagara Camp, for twelve days commencing June 6th Capt. Allan is receiving applications and the prospects are very favorable for Co. No. 4 to be filled to overflowing. The recruits will drill a few evenings before the Co. leaves for camp.

Hot Weather Antidote.

The Era Job Department has just issued a handsome 32-page Illustrated Pamphlet describing the Natural and Artificial Beauties of Morton Park Summer Resort, which will no doubt attract a larger influx of visitors the coming season than has ever been there before and Mr. Morton is making big preparations.

Goin' Fishin'.

There is a strange fascination about a fish pole and line, whether one uses one or not Hosts of people know all about the game laws who never shoot or fish. A man cannot put on an old coat and a pair of rubber boots but half the people he knows, and who never fish themselves, will stop and call across the street to know if he is going fishing, and if so where he is going. The speckled beauties are now in season.

Hughes' Millinery Rushing

Out these fine days They lead in everything that is the latest in this line.

Farm Produce.

Good crowd in town last Saturday and trade brisk in every line of business. On the whole prices of farm produce were a little lower. Butter sold from 11 to 13c.—mostly at 12 cts. Eggs were firm at 10c. per doz. Dressed chickens 55c. per pair; live chickens from 50 to 75c. per pair. Veal by the quarter 6½c. per lb. and mutton 83 for the carcase. Potatoes from 65 to 80c. per bag and apples $3 per barrel. Green onions and lettuce 5c. per bunch. Grated horse-raddish 15c. per pint jar.

Dr. Lundy.

Dentist, will be in Toronto next week, from Monday to Friday, to get latest scientific improvements on dental work and keep himself up-to-date. Office open Saturday.

Christian Church.

Mr. Coltman was in town on Saturday and expected to take charge of the services here last Sunday, but he received a telegram informing him that his exams. would commence on Monday morning. In order to be present at the beginning he had to return to Toronto on Saturday evening. In the exigency of the case Mr. F. Yorke of Aurora preached a very acceptable sermon on Sunday morning and no service was held in the evening.

The new pastor, Rev. Mr. Weeks, is expected to occupy the pulpit for the first time next Sunday.

Mrs. Greenwood,

Specialist Optician, at Royal Hotel, Sat 6th of May. Eyes tested free.

Died in Dakota.

One day last week, Mr. Chas. Rhinehart got a letter from his brother George, who left for Drayton, Dakota, about a year ago, containing the sad news, that Maggie, his dear wife, died on Saturday, April 22nd, after ten days' illness, from inflammation of the lungs and heart failure. She attended prayer-meeting on Thursday, the 13th, and gave her testimony to the power of God to save. She took sick in the meeting and had to be helped home; went to bed and never got up. The funeral was held on Sunday afternoon in the Christian Tabernacle, as it is called, and was attended by a large crowd, Rev W. G. Burns conducting the service. The letter says: "Weep not for Maggie; she is not dead but sleepeth. I feel sad and sorry, yet I say 'Not my will, but God's be done.' She was ready to go—this is peace to me. She wished you all to meet her in the morning. I know that Jesus saves me now, and I do hope that you all will live so as we can meet to live all eternity one with the other." This is the christian's hope: and the peace that is expressed in the letter is not of the world. Though far away from home and the friends of his youth, Mr. Rhinehart has their sympathy in this trial.

We clip the following from the Drayton *Echo*: The deceased was born at Whitchurch, Ontario, where the early part of her life was spent. On March 30, 1888, she was married to Geo. Rhinehart at Newmarket, Ontario. She removed with her husband to North Dakota two years ago, and had been a resident of this county since that time. During the time the Yeoman sisters were conducting services in the Christian Tabernacle the past winter, the deceased became a Christian and an adherent of that church, and died in full assurance of a glorious immortal existence with her Saviour in the Land of Eternal Light.

House Cleaning.

A western exchange, speaking of the inconvenience in domestic affairs at this house-cleaning season, remarks that "the time has come when meals, such as they are, are taken on the wood-pile and the family sleeps on the floor with an oyster can for a pillow until the good man of the house cries with as much earnestness as Whitney—"It is time for a change."

Young Liberal Club.

The last meeting for the present season, of this Club, was held in the Temperance Hall on Friday evening. The attendance was not quite so large as expected. Mayor Cane occupied the chair. After the usual routine, the Speech from the Throne was read by Mr. A. Williams, Clerk, and a debate of considerable interest followed until 10.30, when the address was carried and the Club adjourned till the date for the annual meeting in October as fixed by the constitution. Messrs. F. Knowles, W. Cane, J. E. Dickson, E. Jackson, Col. Lloyd and C. E. Lundy took part in the discussion. The Club is looking forward to the future with bright anticipations.

Presbyterian Church.

Last Sunday the pulpit was supplied by Rev. A. G. Jansen of Durham, and the congregations were so well pleased with the sermons that the Rev. gentleman was requested to tell something more about his native country—Holland. Accordingly Mr. Jansen has consented to give a trip to the people of Newmarket to an artificial country, or in other words a lecture on "Holland and the Hollanders," in the Presbyterian Church, on Friday evening, May 5th, commencing at 8 o'clock, in aid of Foreign Missions. Mr. Jansen has given this lecture in various towns and cities in Ontario and the pulpit and press speak very highly of it. The Meaford *Mirror* says: "The lecture delivered by the Rev. Mr. Jansen, of Durham, proved most interesting to all who heard it. The lecturer dealth with the manners, customs, habits and traditions of the Dutch people. He told many interesting anecdotes which served to make his subject abound with quaint humor. It was one of the best lectures ever delivered in the town, and the wish was expressed that Mr. Jansen would see fit to pay Meaford another visit in the capacity of a lecturer on some future occasion."

Collection at the close of the lecture.

The Band Concert.

In bringing before the citizens their Annual Concert the Band Boys are doing it with the consciousness of giving not only the best high class professional entertainment of the season, but positively the best ever given in Newmarket. They have gone to big expense in securing talent and are quite sure that the citizens generally will appreciate their efforts by giving them a bumper house. The Band is a very deserving institution and is always ready and willing to give their services gratuitously to the churches or other worthy institutions. It is therefore the duty of the different denominations in town to aid them in every way possible.

Four brilliant artists have been secured, together with some of our best local talent.

Mr. Fax is the only one of the Toronto Contingent who has ever appeared before a Newmarket audience, and those who heard him will be delighted to have another opportunity of hearing Canada's greatest humorist. The Guelph *Herald* in a recent issue says: "Many, many times has Jimmie Fax played on the happy emotions of a Guelph audience, but never before with such unqualified success as rewarded his efforts of Thursday evening.

Of Miss Alice Fieldhouse we might say a great deal, but space will not permit. For one so young she holds a very responsible position as soloist of the Metropolitan Church choir, and is justly counted as one of Toronto's leading vocalists. She has a pleasing soprano voice of great volume, a clear lucid style, and a very pretty stage appearance. Those who fail to hear her will miss a treat.

On another page will be found an elegant half-tone photo of Miss Jennie Bennett Brown, the elocutionist. She is without doubt one of the best on the Canadian stage today, and the Band Boys are justly proud of the fact that she will make her first bow before a Newmarket audience under their auspices.

Last week we gave our readers a sketch of Miss Lina Drechsler Adamson, the brilliant young Canadian violinist, who has just finished her musical education in Germany, and we wish to impress upon our readers the fact that if they fail to hear her they will miss one of the greatest treats, as she is without doubt the best lady violinist in Canada.

Miss Maggie Dolan, Dr. Lundy, Miss Flanagan and Miss Forster comprise the local talent that has been secured. Miss Dolan and Dr. Lundy are to sing a duett, and as most of our citizens have heard them both, they may expect to hear something good this time. The same may also be said of the two brilliant young pianists, Misses Flanagan and Forster. Those who heard them last year were delighted, and will be pleased to know that they are again to take part.

The price of admission has been placed at the very low figure of twenty-five cents. At the request of a number of persons from a distance, the Committee has reserved 112 only choice seats. The plan of hall may be seen at Lehman's Drug Store, and as the seats are selling rapidly, being already half gone, we would advise those desiring them to apply early or they may get left. Come one and all and encourage one of the most deserving institutions in town. Programs in a few days.

Canes' Factory.

The excavating for a new three-story addition to the factory is completed and the masons commenced work on the foundation on Tuesday morning. The quarry stone comes from Longford and the brick from Barrie.

Big Improvement.

The Corporation Road Planer has been levelling up the rough streets the past week and giving the Town a more presentable appearance, besides adding to the comfort of those using the roads. Eagle St., D'Arcy St. and Water St. were the first to be doctored, and the rest will follow as fast as the machine can be operated.

Marriage Held Good.

On Friday last the action of Philip Schunk, farmer, in the southern part of King Township, to have his marriage with Alice Hollingshead annulled, on the ground that he was scared by the father of the bride, was dismissed at Osgoode Hall.

The marriage in question took place in King last December, when Alice Hollingshead and the plaintiff in the action were united. The groom made no protest during the ceremony, but he alleges that he was interviewed by relatives of the girl such a short time previously that their remarks and gesticulations with firearms were still fresh in his memory. The grounds of defence were, broadly speaking, that there was no intimidation or undue influence used on the dissatisfied groom.

Methodist Church.

Very good sermons last Sunday by the pastor; large choir, good music and large congregation in the evening, the church being well filled. A number of candidates were received into full membership. Mr. Carl Lloyd presided at the organ very efficiently, Miss Nettie Forster being in the city over Sunday.

Quarterly Meeting next Sunday. As this will be the last quarterly service during the pastorate of Rev. H. S. Matthews, he has requested that the Lecture Room be filled next Sunday morning at the Love Feast, commencing at 9.45 sharp, and Sacrament at the close of the morning service. Another of those popular Song Services on Sunday evening. The choir is practicing some specially good music.

Bicycle Club.

An enthusiastic meeting was held in the Court House last Friday evening, when it was decided to organize a Bicycle Club. The following were nominated for the various offices:

Hon. President—C. G. Ross
President—G. A. Binns
1st Vice-Pres.—F. C. Hoag
2nd Vice-Pres.—J. D. McKay
Sec.-Treas.—F. Holladay and W. F. Trivett

Where the election was not by acclamation the voting will take place at an adjourned meeting this evening at the same place at 8 sharp.

It was decided that the Club should join the C. W. A. The colors will be either Black and Green or Red and Black.

Aurora (Town)—Tavern, James Waite, Richard Wells and George Lemon.

The total deposits for licenses this year amounted to $4805.

The reason the three licenses in Sutton have been extended three months is this: According to the last Dominion Census the village is only entitled to two licenses and while temperance people have no specific charge to make they have asked that the law be respected. At the meeting on Friday a petition was presented to the Board, signed by over 100 ratepayers, asking that the licenses of all three hotels be extended for three months to give time for another census of the place to be taken. The opinion is expressed that the population is sufficient to continue the three hotels.

His Honor Judge Morgan presided at the Court here last Friday. The attendance was small and though the court was in session till after 5 o'clock there was nothing of special importance to the public.

Kicked by a Horse.

Last Sunday evening, as Mrs. Wm. Riley was passing through the stable to do her milking, she was kicked in the limb by a strange horse. Fortunately no bones were broken but the flesh was badly bruised and she was unable to move from her bed the next day. However the wound is healing nicely and she expects to be all right again in a few days.

Some More Changes.

Dr. Hutt has bought the practice of Dr. Campbell and moved his office to the residence about to be vacated by Dr. Campbell. Dr. Hutt is now prepared to duplicate any of Dr. Campbell's prescriptions for patients desiring such. Mr. Albert Travis is going to occupy the premises as tenant and Mr. Davey has secured the residence now occupied by Mr. Travis on Millard Ave.

Open Council.

York District Council, R. T. of T., meets in the Temperance Hall, Newmarket, today. This (Friday) evening an Open Council will be held to which the public are most cordially invited. Mr. Buchanan of Toronto, Grand Councillor, is expected to give an address. District Officers from a distance, besides talent from Aurora and Newmarket, will provide an excellent program. Something good may be anticipated and the local officers hope to see the hall packed.

Stylish Overskirts

And Underskirts. Another lot added this week, to C. M. Hughes' stock.

Rig Upset.

Last Monday, just as the storm was passing over this section, Mr. Geo. Broderick was driving a commercial traveller up to Keswick. While passing Mr. Chas. Hain's farm on Queen Street the wind blew some rails off his fence and frightened the horse so badly that the buggy was upset, the top torn off and the harness broken. Gus. held on to the lines but was considerably bruised. Mr. John Milne, the traveller, escaped. Some harness was borrowed and the journey continued without the top on the buggy.

Worth Remembering.

Here is a nice law point for business men to remember. A suit was brought by a creditor against a debtor, in the 1st Division Court, Toronto, to recover $4. The defendent sent a check for this amount, marked "in full of account." Plaintiff claimed this did not settle all that was due and he crossed out the words "in full of account" and had the check cashed. Judge Morgan found that the plaintiff had not notified defendent of the change made in the check, neither had he authority to make such a change, as the words really stood as part of the check. He, therefore, gave judgment for the defendent. It appears, from this decision, that words written upon the face of a check become part of its conditions of payment.

—ON—

HARDWARE!

CASH v. CREDIT.

Heretofore it has been customary with Hardware Establishments to sell goods on credit, which, as every one knows, means that goods had to be sold at a greater percentage of profit than if goods were sold strictly for Cash. When we bought the James Gower Stock of Hardware we, as quickly as possible, re-marked goods down to Cash Prices; so that to-day we venture to say Hardware is being sold in Newmarket as Cheap as any place in Canada. To make this fact even more apparent we have decided to give a 10 per cent. Discount on all Hardware Sales, excepting Cut and Wire Nails and Paint Oils, which are marked Net Prices. This Discount from our already Low Prices, will, we think, make Newmarket the Cheapest Place in Canada to Buy Hardware.

You are Judge.
