The efficiency of our Fire Brigade and the small fire loss in Newmarket should warrant the Fire Underwriters to give our Town a lower rate of insurance. Could the Counril take time to look into this matter in the interest of over-burdened taxpayers?

Toronto will buy 12 transformers in the old country, and thus save $9,600 as compared with the price of Canadian machines—a difference of 60%, less customs duty. Our Electric Light Committee had better investigate before making further purchases.

FROM OUR EXCHANGES

People are talking politics and economics as never before, and serious-minded publicatioos are in increasing demand.

The most noble manner we can adopt of repairing our errors is to have the courage to acknowledge them.

Premier Bennett has a suite of rooms, some fifteen or sixteen in number, at the Chateau Laurier in Ottawa. That's a good idea for a man who must have to dodge a good many job seekers.

Canadians, during the month of April, purchased over 7,000 cars. That hardly smacks of bankruptcy.

Your town reflects your public spirit and your private life, and it is up to every citizen to see that the reflection is a pleasant one.

There are some people who are mighty careless about throwing old truck into the streets. Such people should be taught a little civic pride by a modest fine.

It must not be forgotten that there are splinters in the ladder of success. The bright one will get along without a college education. It is the slow ones who need colleges.

There are millions of people rolling along and most of them going nowhere in particular and getting nothing for doing it. In the main they are spending, not earning.

The platform being prepared for the Republican convention at Chicago contains two tons of steel. The politicians will all be on their metal.

But most Americans will not care how strong the platform is. What they want to know is how dry it will be.

Double Drowning at Wilcox Lake

Locked in each other's arms, the bodies of Miss Florence McGinn, and Thomas Stanley, 29, were recovered in 70 feet of water in Lake Wilcox early Monday evening. The young couple had drowned when the rowboat in which they were holidaying with Miss McGinn's sister and brother-in-law capsized on Sunday.

So tightly were the arms of the two friends clasped about each other as they were united in death that it took the lifeguards who recovered their bodies several minutes to separate them. An inquest was conducted on the shore of the lake by Dr. C. J. Boulding, immediately after the bodies were found, and those who had worked in dragging operations sat on the jury. A finding of "accidental drowning was made and the bodies were released and sent to their homes in Toronto for burial.

Percy Ash of Lake Wilcox, headed a crew which searched for the bodies immediately it had been ascertained on Sunday afternoon that the young couple had drowned. On Monday afternoon they were assisted by Toronto experts.

Miss McGinn's sister and brother-in-law, Mr. and Mrs. Gerald Tomson, of Toronto, were the other members of the party of four in the rowboat at the time of the fatality. Mr. Tomson was the only one who could swim or who was in a bathing suit, and he saved his wife's life but was unable to save the young couple.

County to Present York Rangers With Regimental Colours

On Sunday, June 19th, next, an event will take place at the Armoury Park, Aurora, of the presentation of Colors by the County of York to one of the oldest militia units in Canada, when Warden Legge, on behalf of the County, will present to the Regiment its new King's and Regimental Colors. Dedication of the Colors will take place immediately afterwards.

The Mount Dennis, New Toronto and Birchcliffe Companies of the Rangers will assemble with the Aurora and Newmarket units at the Armouries, Aurora, at 10.30 a.m., when the ceremony and colour party drill will be rehearsed. After lunch the Battalion, under its Commanding Officer, Lt.-Col. J. Murray Muir, will fall in at 2.30 p.m. and at 3 p.m. the ceremony of the Presentation and Dedication of the Colors will commence. Full dress, service (khaki) with belts, sidearms and rifles, will be the dress order, while the bands will parade in scarlet full dress. Medals and decorations will be worn.

The Town of Aurora has most kindly undertaken to provide for the noonday meal of the Battalion.

The general arrangements and training for this event have been worked out by Major J. E. Tremayne. Invitations and programs are in charge of Major A. G. Condie, while the ground arrangements are being made by Lieut. W. H. Hulme. The consecration ceremony will be performed by Major the Reverend H. P. Charters, while Capt. J. H. L. Ward will look after the details in connection with the choir.

Lieut. Norman F. Johnson and Lieut. W. H. Miles will form the color party, while the guard to the Colors will be detailed and given their instructions by R. S. M. Jewitt.

After the inspection of the Battalion, the presentation of Colors will be made by the Warden, the Battalion forming up on three sides of a square, with the drummers moving around the flank and piling their drums in the centre of the square. The cased colors will then be placed against the drums, and the two senior majors, with the officer color party, will advance and salute the colors. The consecration service will then proceed.

After the consecration, the senior major will hand the King's Color to the Warden of the County, who will present the same to the senior lieutenant on bended right knee. The Regimental Color will be handed likewise to the Warden, who will present it to the next senior lieutenant.

The Warden of the County of York, Right Honorable Sir William Mulock, K.C.M.G., Administrator of the Province of Ontario, and Major-General Ashton, Commanding M. D. No. 2, will then deliver suitable addresses.

After the speeches, the Battalion will re-form in line and give the colors a general salute. It will then march past the saluting base in review order. After the ceremony, Lt.-Col. Muir and the Officers of the York Rangers, through the courtesy of Hon. Lt.-Col. W. P. Mulock, will entertain their guests at tea at the Mulock Farm on Yonge Street at 4.30.

The new colors being presented through the generosity of the County of York are beautiful standards in corded silk, each with an ebony staff surrounded by a golden crown, upon which is a lion rampant.

The Regimental Color is in blue with a lion's head in the centre, surrounded by the words "The York Rangers, Celer et Audax". About this is a ring of maple leaves, and embracing all wreaths of laurel upon which is enscrolled in gold the names of the following battles and campaigns in which the Regiment has taken part since its formal organization in 1866. "North West Canada 1185"; "Somme 1916-18"; "Ypres 1915-17"; "Flicken"; "Pollygon Wood"; "Arras 1917-18"; "Langemarck 1917"; "Passchendaele"; "St. Buentin"; "Amiens"; "Pursuit de Mons."

The King's Color is a Union Jack; in the centre the Regimental Crest with the words "The York Rangers 1"

Musical Festival at Trinity United.

Last Sunday evening the goodly congregation present, enjoyed to the full, a rich musical feast, and the program rendered, both in quality and manner of performance, far excelled all previous efforts of its kind. A spirit of veneration and reverance permeated the entire service.

The vari-colored floral decoration, supplied and arranged by Mr. Norman Williams, lent a magnificence of appeal to the eye, that, combined with the rapturous harmony, produced a deep sense of realization of the marvelous potency of the Creator.

The service opened with the stately "Ye Gates Lift Up Your Heads" from the old Scottish Psalter, sung with the inspiration of its composer. Following was that delightful paraphrase of the 137th Psalm, 'By Babylon's Wave," by Gounod. This sad portraval of the constancy of the Jews while in captivity, received a superior rendition. Mrs. Miller sang beautifully the solo for soprano "My World," by Geehl. With violin obligato, sweetly played by Calvin Miller, this was a gem of pure tone, perfect enunciation, and accurate modulation. The duet "O Come to My Heart Lord Jesus," for contralto and tenor, by Miss Marjorie Binns and Mr. T. B. Scott, was sympathetically given, the voices blending excellently. "The Ju Hammatus" When Thou Comest, aira and chorus from Rossini's masterpiece (Stabat-Mater) was presented in a manner that awakened the emotions of all. The difficult Aira predominating throught it, full of exacting trills, and its thrilling climax of C in altissmo, was treated artistically by Mrs. Miller, in a way we are seldom priviledged to listen to, and there is no necessity of brining singers from outside while we have such exceptional talent right at home. The instrumental numbers were by Lefebure, Wely and Kreisler, and the Fantasie, for organ and piano, a duet rarely heard, was wonderfully played by Mrs. Cane and Miss Marjorie Lloyd, the combination of pipe and string producing a unity of tonal effect that was enhralling.

The address of the evening by the Rev. C. G. Armour of Aurora, was founded on the Soldiers' Question, "What is Christianity," and was an earnest presentation of Gospel truth, illustrated by incidents in the life of Helen Keller, and so aptly described by the poet Shelley—in reality an Eternal Life in the midst of time.

A nice sum was realized for the Choir Fund which will be greatly appreciated.—Cor.

The Late Mrs. John Egan.

The late Mrs. J. Egan passed away suddenly at her home in Kinghorn on Sunday morning. Deceased was in her 85th year. She was born in Ireland and came to Canada as a small girl. For 25 years deceased has made her home in Kinghorn. Her husband predeceased her 12 years ago and her daughter, Annie (Mrs. J. O'Brien) in September 1930. She is survived by her daughter, Mrs. N. McClure of Toronto, a son, Mr. Wm. Egan of Kinghorn, a sister, Mrs Geo. Stokes, Winnipeg, Man., and a brother, Mr. James Robb, Edgely, and seven grandchildren. Rev D. Snowball

Snowball and Eversley will engage in a football match which is a splendid attraction in itself.

Armitage

There will not be any Sunday School at Armitage on June 19th on account of Decoration Day in Newmarket.

They have taken some gravel off the old car track and put it on the side road. This has improved the road vastly.

We are glad that Mr. Doner, who was very ill, is able to be about again.

By virtue of wins over Glenville and Second Street Mulock's "Apple Kings" remain undefeated.

In the game with Glenville the "Apple Kings" slugged their way to a 38-12 victory. The game was a poorly played affair except for the superb pitching of Geo. Poole, (who pitched the whole game) and had the opposition feeding out of his hand. Batter pitch I fair balls for Glenville but his support was ragged.

In the game with Second Street the "Apple Kings" again had a slugfest, winning with a score 28 to 12. The game was fast despite the high score which doesn't indicate the play.

The fielding features of the game supplied by Poole for the Apple Kings and Dennis for Second Street.

Marks and Klein were the heavy hitters of the evening both securing 6 hits. The latter had a homer with two on. Middlebrook at second for the Apple Kings played "heads up ball" and was responsible for the only double play of the game.

The return game will be played at Armitage on Monday. In the meantime the team will play a team from Aurora on Friday night at Armitage, so let us see a crowd of supporters out for both games.

Shakespearean Drama at Pickering.

Tribute is indeed due the Shakespearean Society of Toronto for the unusual success of their open-air production of the historical drama, King Henry IV., Part 1, on Pickering College campus, June 10th. The outdoor setting added a surprising touch of realism to the presentation and despite lack of scenery and few prpoerties the acting was superbly done. The vigorous "Falstaff" of Leonard Parker, the fascinating "Prince Hal" of Barry Fitzgerald, and the charming Kate of Janet Molett were the most outstanding features of performance. The play was most ably produced under the direction of St. John Betts.

A smart alec boomer was being quizzed regarding his application for a job in train service. The trainmaster inquired:

"Where did you work before?"

"On the Big Valise," was the reply.

"What road is that?"

The boomer grinned. "Grand Trunk."

P.S.—He did not get the job.
