THE RACKING PAINS OF RHEUMATISM

CAN ONLY BE CURED THROUGH THE BLOOD—TRY DR. WILLIAMS' PINK PILLS WHICH ACT DIRECTLY ON THE BLOOD.

Rheumatism will rack you just as long as there is acid in the blood to cause rheumatism. That's the whole trouble—acid in the blood. Cold, damp weather may start the pains going but it is not the cause. That is rooted in the blood and can only be cured through the blood. Years ago when medical science did not know as much about the complaint as to-day, rheumatic sufferers were given something to rub on the swollen tender joints. Some people who do not know any better still adhere to the old fashioned way, but it does not cure their rheumatism—and never will.

When the acid is driven from the blood the rheumatism is gone—it's cured. The thing is to get the right medicine to drive the acid out. Dr. Williams' Pink Pills have cured more cases of rheumatism than any other disease except anaemia. They do this because they enrich the blood supply, thus toning up the system to a point where the rheumatic acid is expelled through the natural channels and the trouble disappears. They were intended to do this and they do it thoroughly. Mr. Henry O. Donoghue, Viscount, Sask., says: About four years ago I came here from Scotland for the purpose of taking up land. Even at so recent a date as this the country was quite different from what it is to-day. Then the nearest shack to me was ten miles distant, and the nearest town much farther away. In those days homesteading was not all sunshine, and in the spring of 1907 I contracted a severe cold. I had never been sick in my life before, and paid no attention to the cold, and almost before I realized it I was down with an attack of pleurisy and as the pains of this trouble began to leave me, those of rheumatism set in, and my sufferings were something terrible. Help was sent for but it did me no good, nor did the medicine given me have any effect, and for five months I was confined to the house. Then one day I had an unexpected visit from my brother who came from Australia, and whom I had not seen for 9 years. When he saw my condition he at once urged me to get Dr. Williams' Pink Pills, as he knew of a number of cases in which they had made marvellous cures in Australia. The result was he went to town and purchased six boxes, and before I had used the last box I was out working with my oxen and am now as healthy as any man in the province. For this I must thank the Pills and my brother's advice, and I strongly recommend the Pills to other rheumatic sufferers."

Sold by all medicine dealers or by mail at 50 cents a box or six boxes for $2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

AN OLD BIBLE

ONE 212 YEARS OLD IN POSSESSION OF WEST OPS LADY.

Mrs. John Brown, of West Ops, has in her possession one of the oldest Bibles to be found. It is dated May 23, 1698, and is one that has descended to her from her ancestors. Compared with the modern Bibles of to-day there is quite a noticed contrast. Of course in the course of 212 years many additions have been made and new versions made.

Death has again visited our neighborhood. This time the aged were called. In our village Mrs. Craig, who has made her home at her son's for the past ten years, and Mrs. Bright, of the Dutch line. Mrs. Craig had been an invalid for a long time and her call was a happy release. The funerals of both the above took place the same day last Wednesday, Oct. 26.

Mr. Dawson is moving out of the old Anglican parsonage into his own house opposite the station to-day.
