Drugs That Cure People

All drug stores look alike to many people. This is not strange, because the things which may indicate a vital difference in the character of stores are not apparent to those unacquainted with drugs.

If you knew the significance of the names on our original packages of drugs, you would see that we buy the finest goods to be had, the goods that stand for all that is best in pharmacy.

We use such drugs because you ought to have them, and because your physician wants them used in the prescriptions he writes for you.

IF WE FILL YOUR PRESCRIPTION YOU CAN FEEL SURE ABOUT IT.

A garden party, under the auspices of the Epworth League of the Methodist church, was held on Mr. Bert Graham's lawn on Tuesday evening, the 30th, inst. The weather being fine, the young people turned out in goodly numbers. Quite a large crowd came out from Lindsay and helped to swell the receipts materially. Apart from the evening being somewhat chilly, everything passed off lively. An interesting and varied program was given, and whilst we cannot afford to particularize on each number, yet we must say that the vocal solos by Miss Grapeway, of Little Britain, were deserving of special mention. Mr. Graham was untiring in his attentions towards the visitors, and all voted him a most obliging host. The receipts, we understand, were upwards of $50.
