AUDITORS' REPORT.

To the Municipal Council of the Township of Carden:

Your Auditors beg to report, That we have carefully examined the Financial Accounts of this Township for 1864 from the several items of Receipts and Expenditures submitted to us by your Treasurer, and we believe them to be perfectly correct. We checked also on a check sheet, and compared them with his aggregated account of the same, as posted or previously ledgerized by him. The business-like manner of his arrangement of said account shows him to be well fitted for the office, and speak favorably of his painstaking character.

You will find that the amount of the sundry Receipts for the year is $822 47; the amount of Expenditure is $794 62, leaving a balance of $27 85 in his hands.

The sum of $69, *not included in the above*, of the Clergy Reserve Fund was apportioned in a laudable manner by the Council of 1864, every cent of which was paid with promptness to the several Schools of the Township. Can the most wealthy Municipality in Canada boast of superiority in this matter of educating the future men and women of Canada?

Of the Land Improvement Fund $213 84 were received, and the people of Carden are glad to acknowledged the two-fold benefit they have received from it in a further improvement of the late dilapidated roads and a lessening of taxes on them. May such Council legislation be long continued in Carden, and imitated by other Municipalities who can boast of wealth and more means to do less good with it.

HUGH C. GRAHAM,
JORDAN WOOD, } AUDITORS, 1864.

Dated, Carden, January 25th, 1865.
