For Speculation!

NOTWITHSTANDING the hard times there must be monied men enough left in the country who are willing to invest their capital to advantage, and to those the undersigned addresses himself when he informs them that he is determined to return to the old country, and therefore wishes to dispose of his following valuable property should it be at a sacrifice:—

One two story brick, and one frame house, standing on one lot, and one two story large frame house on another lot adjoining; all well finished, with every accommodation, and pleasantly situated on Market Street, directly opposite the new Market house. Also, one two story frame building (shop and dwelling) on Kent Street, at present occupied by himself, a good garden and barn attached, with every convenience for a business man.

And in view of his determination, the subscriber has commenced to sell off his entire stock of SHOP GOODS at cost price—everything cheap—and to prove this the public are respectfully requested to walk up to the west end and take a view of his sample window, where he has on exhibition specimens of goods with prices marked in plain figures, so that every one may satisfy themselves upon the merits of the article. A strict cash business is done, so please bring the cash with you.

Until further notice the subscriber will continue to carry on the Watchmaking business as heretofore; to which he has added the beautiful art of Engraving. Inscriptions upon Rings, Watches, Doorplates, Coffinplates, Forks, Spoons, Signets, Newspaper Cuts, or Business Card Stamps, will be executed to order in superior style.
