NEGRO RIOTS IN NEW ORLEANS.—Some unhappy disturbances have recently broken out between the whites and colored people of New Orleans. Recent despatches mention the ending of the riot, and the return of peace and order. About thirty negroes were killed, and several white persons, including policemen, were seriously wounded. The members of the convention who were arrested, have been released by Gen. Baird, who still enforces martial law over the city. A despatch from President Johnson was received, directing the Attorney General of the State to call upon General Sheridan for troops sufficient to disperse the convention, and sustain the civil authorities.

TO OWNERS OF HORSES REDUCING.

And why not? and who knows but that their horses are rejoicing as well, who can prove the efficacy of Dr. Gardner's Condition Powders? But they can rejoice because of the gambolling and almost ridiculous effects on their horses of Dr. Gardner's Condition Powders. Some were heard of some having to apply to others would devour their food ravenously, yet it was not to be found in their mangers; others looked well with rough and shaggy hair; others had severe cold and cough, some had the heaves and other complaints peculiar to horses; on all it operated as a charm, the disease or complaint was speedily removed, the appetite and digestion improved, the skin became loose and a sleek and healthy appearance given to the coat all without any danger to, or injuring the horse being at all!

Remember the name, and see that the signature of *Hiatt & Co.* is on each package.

Look, Read and Learn!
THAT THE
GREAT SHOSHONEES REMEDY
OF THE CELEBRATED INDIAN
Dr. LEWIS JOSEPHUS,

Of the distinguished Tribe of Shoshonees, British Columbia, is now for Sale in Canada.

THIS ALL-POSSESSING GREAT INDIAN REMEDY is warranted, and in broad and emphatic language, we can say, may be relied upon to make a permanent cure of all diseases of the Throat, Lungs, Liver, Kidneys, Digestive Organs, &c., as well as Scrofula, the various Skin Diseases, Humors, and all diseases arising from impurity of the Blood, excepting the third stage of Consumption. In the Western country, where this great Remedy has been in use for a short time, it has indeed affected some of the most marvellous cures ever recorded in the annals of Historical Medicine. Such being the case, in addition to its former renown and celebrity, we defy humanity to dispute the fact, that this, the great Shoshonees Remedy, in connection with the Shoshonees Vegetable Restorative Pills, is the Remedy of Remedies of the 19th Century, and the greatest boon ever laid at the altar of suffering humanity.

Price of the Remedy in large Pints, $1.

For sale by all Druggists and Dealers in Medicine. Agents at Lindsay:

WONDERFUL CURE OF CONSUMPTION BY THE GREAT SHOSHONEES REMEDY IN CANADA.

I, Angus Prinyea, of Fredericksburg, County of Lennox & Addington, C.W., can, for one, truly bless God for the discovery of the Great Shoshonees Remedy, which has indeed snatched me as a brand from the jaws of death. Suffering for a length of time from Consumption, last August I became confined to my house; I coughed dreadfully, day and night; I expectorated quarts of greenish looking matter, and large quantities of blood. I could scarcely sleep at all, and when I did dose night sweats burst forth fearfully, which the doctor tried but in vain to arrest. My bowels were costive, I lost my appetite, and what little I did eat I mostly vomited. My head ached almost constantly; was so suffocated that I could hardly breathe, and racked with pain. I became so reduced that I could hardly stand alone, and indeed an object of pity at the verge of the grave. I took Quinine, Cod Liver Oil, Citrate of Iron, Quinine Cough Mixtures, &c &c., but still grew worse and worse. I was attended by physicians who told me to prepare for death, which was my only hope. But I thank God that about two months ago this Great Indian Remedy was introduced into Canada. I grasped it as the last hope; I have taken it with the Pills ever since, and now my cough is but little, the expectoration of greenish matter and blood have stopped, I sleep well, night sweats have ceased, my bowels are regular, my appetite is good, vomiting and headache have stopped, I breathe easy and suffer no pain. The doctor examined my lung the other evening, and said it was open again, and for God's sake to stick to this Indian Remedy. I am now feeling hearty, have been out visiting, and have lately, to a great extent, resumed my former occupation, and all praise, through the blessing of God, to the Great Shoshonees Remedy.

This I solemnly declare under oath, in the presence of God, as follows,

ANGUS PRINYEA.

Sworn before us, at Fredricksburg, C.W., this 7th day of March, 1866.

H. C. CLARKE
Watchmaker & Jeweller

Having Removed his Establishment to the *Second Door East of Knowlson & Gregory's Drug Store,*

IS now fully prepared to attend to the wants of the public, in his line of business, at the shortest notice. He is fully persuaded that he is the only man of his profession, in the County of Victoria, who

Understands the Watch in all its parts,

Together with all the new improvements in the art. Hence parties, having anything to be done in the Watchmaking line, would be consulting their own interests by getting their work done at his Establishment. His prices will be found, at all times, to be in proportion to the work done; and as he is never necessitated to include in his charges the extra expense incurred by having to send critical work to Toronto or elsewhere for execution, parties will thereby effect a saving and avoid risk. Being capable of doing anything in the way of Watch-making that can be done in the Province, he would say to those possessed of valuable Watches, trust them not to the hands of mechanical quacks—men of no experience and less skill. He would, moreover, say

To the Ladies and Gentlemen of the Town of Lindsay

And County of Victoria in general, that he uses neither sophistry, nor employs puffers, either to get a customer, or retain one when procured. He invariably trusts to his own mechanical abilities, and a discriminating public, for all his patronage. He has just received a Splendid Lot of

Eight-Day and Thirty-Hour Alarm, Office, Parlor & Dining-Room Clocks,

Which shall be sold cheaper than at any other house in town. He has also on hand a choice lot of

WEDDING RINGS,

Of good gold, and at lower prices than they can be procured at any other place; together with a choice selection of Electro-Plate, such as Tea-Sets, Cruets, Cake Baskets, Table and Tea Spoons, Forks, &c., &c. Also a full assortment of

School Books and Stationery,

Besides *Two Thousand Rolls of Room Paper.* Also a large assortment of best French Plate LOOKING GLASSES,—all of which shall be sold at prices to Defy Competition! "Last, but not least," he has the best stock of

English and American Watches

That has ever been exhibited in the County of Victoria, selected by himself and bought for Cash in the best market in America. As regards material and workmanship, his stock will be found to be much superior to the class of Watches that are generally offered for sale in this market, and shall be sold cheaper than the class of Watches now offered by any other person in the trade. And, finally, as he practises no duplicity to draw a trade, by endeavoring to make his customers believe that he is always "Selling out, and about to retire from business," parties of discrimination will find, on inspection, that they can do better at his establishment, than they can at the places where such dust is generally attempted to be thrown in their eyes

This trip is one of the most delightful that tourists can take. In one day, with little fatigue, they have an opportunity of visiting Lindsay, Bobcaygeon and Peterborough, and of passing through the romantic and beautiful Lakes Sturgeon, Pigeon, Bucklorn and Chemong, as well as the Rivers Scugog, Fenelon and Bobcaygeon. Parties wishing to spend a few days on the lakes will find the Clifton House, R. Podger's, Fenelon Falls, a first-class Hotel and a most comfortable residence, in the neighbourhood of which there is good fishing and shooting in season. Mr. Podger provides his guests with Boats and Fishing Tackle. At Bobcaygeon also there is a first-class Hotel, where every comfort and convenience can be had from the obliging proprietor, Mr. Bottum. The Lakes in the rear of Fenelon are numerous—Cameron's, Balsam, Gull, &c., and abound in Fish and Game. Tourists that have visited these lakes were without exception highly pleased with them and the comfort of the Boat and Hotels. The Hotel accommodation at Peterborough is equal to any in the Province.
