Eugenia.

(From our own Correspondent.)

[The following should have appeared in our last week's issue, but was inadvertently overlooked.—ED.]

Seeding rushing along this fine cool weather.

Ministers getting lots of tying up around here. Hope they get fat fees.

When is that railway coming to Eugenia.

"Sounds" of great big catches of wee wee fish.

IMPROVEMENTS.

A glance in the interior of Mr. M. Akitt's grist mill satisfies one that extensive, expensive and excellent improvements have been made in our town mill.

Mr. Wm. Pedler has also much improved the appearance of his town residence.

What used to be old, dirty slashes, now being cleared up, fenced, and cultivated, gives the place more an air of respectability.

SERIOUS ACCIDENT.

Some few days ago as Mr. Geo. Turner was attending his horses in the stable, one of them suddenly kicked, and Mr. Turner received the blow on his cheek and jaw. He was hurled out of the door by the force of the blow, and fell senseless. Had the horse been shod, it is not likely he would ever have known what happened him. As it was he has had a sore time of it putting in his crop.

THE FENIANS.

At the time of the great Fenian tussle in June, as predicted, the people in this locality do not propose to hide in the caves and "rocky fastnesses close by." But perhaps the tables might be turned, and the "rabble horde" be run into the subterranean fissures, and shot into blackness of darkness for ever and ever!

LATEST EUGENIA ITEMS.

The memorable 24th came and brought with it a dull, damp morning. We had heard of numbers intending to spend the day here, from the surrounding country; but as noon drew on it proved that the state of the weather had a telling effect on the spirits and ardor of the people who had purposed to come. A few only of the neighboring villagers and country-folk visited our romantic town.

PRESENTATION AND ADDRESS.

Pastor Grandy and wife were agreeably surprised on the evening of the 23rd by a number of the members and friends of the Methodist Church dropping in by twos and threes until a little company were gathered. Then Mr. Carruthers handed a neat address and well-filled purse to Mrs. Grandy, as a slight token of esteem and respect—not so much for its intrinsic value as for the spirit it conveyed. And as the above company dispersed—after spending a pleasant hour—the Temperance people, with the Worthy Patriarch at their head, began to pour into the sitting room and refill it. Spending some time in pleasant chat and music; then changing the programme, they surprised Mr. Grandy again by presenting him with several very nice and useful articles as mementoes of respect and esteem, and as small tokens of their appreciation of his efforts in the temperance cause. Rev. Mr. Grandy expressed his thanks in fitting terms.

Every good housewife will renovate the entire house at least every Spring and Fall. Our systems often need renovated also, and there is nothing better to make pure blood and cleanse and regulate all the secretions than Burdock Blood Bitters, preventing disease incidental to the season's changes.

A BAD INFIRMITY.—The loss of the sense of hearing is both annoying and dangerous. Those suffering from deafness soould try Hagyard's Yellow Oil according to directions. The invaluable household remedy cured John Clark, of Millbridge, Ontario, restoring his hearing in one week.

PAINFUL OCCURRENCE.—Some of the most painfal sufferings that afflict mortals occur from rheumatism. Either the acute or chronic form may be eradicated from the blood by an early use of the grand purifying system renovator, Burdock Blood Bitters.

Merit Proven.

Dollar upon dollar is frequently spent on the faith of recommendations for articles entirely worthless. Not so with McGregor's Speedy Cure; you are not asked to purchase it until its merits are proven. Call at Richardson's drug store and get a free trial bottle, and if not convinced it will cure you of the worst forms of Dyspepsia, Liver Complaint, etc., no matter how long standing, it costs you nothing. Sold in 50c and $1 bottles. See testimonials from persons in your own town.

AYER'S

Cherry Pectoral.

No other complaints are so insidious in their attack as those affecting the throat and lungs: none so trifled with by the majority of sufferers. The ordinary cough or cold, resulting perhaps from a trifling or unconscious exposure, is often but the beginning of a fatal sickness. AYER'S CHERRY PECTORAL has well proven its efficacy in a forty years' fight with throat and lung diseases, and should be taken in all cases without delay.

A Terrible Cough Cured.

"In 1857 I took a severe cold, which affected my lungs. I had a terrible cough, and passed night after night without sleep. The doctors gave me up. I tried AYER'S CHERRY PECTORAL, which relieved my lungs, induced sleep, and afforded me the rest necessary for the recovery of my strength. By the continued use of the PECTORAL a permanent cure was effected. I am now 62 years old, hale and hearty, and am satisfied your CHERRY PECTORAL saved me. HORACE FAIRBROTHER."

Rockingham, Vt., July 15, 1882.

Croup.—A Mother's Tribute.

"While in the country last winter my little boy, three years old, was taken ill with croup; it seemed as if he would die from strangulation. One of the family suggested the use of AYER'S CHERRY PECTORAL, a bottle of which was always kept in the house. This was tried in small and frequent doses, and to our delight in less than half an hour the little patient was breathing easily. The doctor said that the CHERRY PECTORAL had saved my darling's life. Can you wonder at our gratitude? Sincerely yours, MRS. EMMA GEDNEY."

159 West 128th St., New York, May 16, 1882.

"I have used AYER'S CHERRY PECTORAL in my family for several years, and do not hesitate to pronounce it the most effectual remedy for coughs and colds we have ever tried. A. J. CRANE."

Lake Crystal, Minn., March 13, 1882.

"I suffered for eight years from Bronchitis, and after trying many remedies with no success, I was cured by the use of AYER'S CHERRY PECTORAL. JOSEPH WALDEN."

Byhalia, Miss., April 5, 1882.

"I cannot say enough in praise of AYER'S CHERRY PECTORAL, believing as I do that but for its use I should long since have died from lung troubles. E. BRAGDON."

Palestine, Texas, April 22, 1882.

No case of an affection of the throat or lungs exists which cannot be greatly relieved by the use of AYER'S CHERRY PECTORAL, and it will *always cure* when the disease is not already beyond the control of medicine.
