The DOMINION CONDITION SPICE
FOR HORSES AND CATTLE.

There is nothing in the world equal these powders for putting animals in good condition and giving them a relish for their food.

Hundreds of Persons in this county can

BEAR TESTIMONY

to the good qualities of the spice, both for FATTENING PURPOSES and their CURATIVE POWERS in horses of

Heaves, Coughs, Colds, Broken Wind, Bloodwind, Bots, Worms,

And Stoppage of Water, Cattle of all kind thrive rapidly under their use, especially if given after calving or when giving milk.

On account of the great amount of nutriment in the food it increases the quantity of milk and improves the quality, at the same time improves the condition of the beast. It is an invaluable aid for Sheep and Pigs.

Give it a Trial. It will Repay You.
