Saw Mill & Timber Land For Sale or To Let.

In the **Township of Artemesia,** in the County of Grey, 4 miles from Flesherton Station, the Canadian Pacific Railway. The Mill is situated at Little Falls, in a block of about 400 acres Timber Land, with other timber land surrounding. The building is substantially built on stone foundation. The machinery is all good and driven with great power by a 28 inch Leffel wheel, under 36 feet head of water. There are 1 Large Circular Saw for cutting logs; 2 Small Circulars for sawing Laths and Broom Handles; 1 Guage Lathe for turning Broom Handles, &c.; 1 Shingle Machine with Jointer and Packer complete. The Water-Power is excellent, the stream being very regular. There are several other good Mill Sites on the property. The land in this valley is considered the best in the country. The place would make an excellent Stock Farm when the timber is taken off

This offers a good opportunity for a practical, energetic man to go into this kind of business, as the place will be sold or let on FAVORABLE TERMS. The bush is so convenient to the Mill, logs can be trucked in summer time. Immediate possession given.

AYER'S
Cherry Pectoral.

No other complaints are so insidious in their attack as those affecting the throat and lungs: none so trifled with by the majority of sufferers. The ordinary cough or cold, resulting perhaps from a trifling or unconscious exposure, is often but the beginning of a fatal sickness. AYER'S CHERRY PECTORAL has well proven its efficacy in a forty years' fight with throat and lung diseases, and should be taken in all cases without delay.

A Terrible Cough Cured.

"In 1857 I took a severe cold, which affected my lungs. I had a terrible cough, and passed night after night without sleep. The doctors gave me up. I tried AYER'S CHERRY PECTORAL, which relieved my lungs, induced sleep, and afforded me the rest necessary for the recovery of my strength. By the continued use of the PECTORAL a permanent cure was effected. I am now 62 years old, hale and hearty, and am satisfied your CHERRY PECTORAL saved me.
HORACE FAIRBROTHER."
Rockingham, Vt., July 15, 1882.

Croup.—A Mother's Tribute.

"While in the country last winter my little boy, three years old, was taken ill with croup; it seemed as if he would die from strangulation. One of the family suggested the use of AYER'S CHERRY PECTORAL, a bottle of which was always kept in the house. This was tried in small and frequent doses, and to our delight in less than half an hour the little patient was breathing easily. The doctor said that the CHERRY PECTORAL had saved my darling's life. Can you wonder at our gratitude? Sincerely yours,
MRS. EMMA GEDNEY."
159 West 128th St., New York, May 16, 1882.

"I have used AYER'S CHERRY PECTORAL in my family for several years, and do not hesitate to pronounce it the most effectual remedy for coughs and colds we have ever tried. A. J. CRANE."
Lake Crystal, Minn., March 13, 1882.

"I suffered for eight years from Bronchitis, and after trying many remedies with no success, I was cured by the use of AYER'S CHERRY PECTORAL. JOSEPH WALDEN."
Byhalia, Miss., April 5, 1882.

"I cannot say enough in praise of AYER'S CHERRY PECTORAL, believing as I do that but for its use I should long since have died from lung troubles. E. BRAGDON."
Palestine, Texas, April 22, 1882.

No case of an affection of the throat or lungs exists which cannot be greatly relieved by the use of AYER'S CHERRY PECTORAL, and it will *always cure* when the disease is not already beyond the control of medicine.
