Rheumatic Pains Quickly Cured.

The excruciating pains characteristic of rheumatism and sciatica are quickly relieved by applying Chamberlain's Pain Balm. The great pain relieving power of the liniment has been the surprise and delight of thousands of sufferers. The quick relief from pain which it affords is alone worth many times it cost. For sale by W.E. Richardson.

A large number of friends of the contracting parties were present in the Methodist church to witness the pleasing event. The couple left the same day for a trip throug southern Man. Grip or something akin to it has been prostrating a goodly number of Eugenia people. The sudden changes in the weather has something to do with it, surely.

For a Weak Digestion.

No medicine can replace food, but Chamberlain's Stomach and Liver Tablets will help you to digest your food. It is not the quantity of food taken that gives vigor and strength to the system, but the amount digested and assimilated. If troubled with a weak digestion, don't fail to give these Tablets a trial. Thousands have been benefitted by their use. They only cost a quarter. For sale by W.E. Richardson.

What Causes Appendicitis?

The commonest cause of appendicitis is constipation. When you require physic don't use cheap drastic pills—get Dr. Hamilton's Pills which strengthen the stomach, regulate the bowels and prevent any tendency to appendicitis. In one day you'll feel the tremendous benefit of Dr. Hamilton's Pills. By purifying the blood, and cleansing the system they prevent headaches, lift depression and drive away weariness. No medicine so successful as Dr. Hamilton's Pills, sold everywhere in 25c. boxes with yellow cover; get the genuine.

The sacrament (English) was dispensed in the Presbyterian church on Sunday last. The day being fine the attendance was good.

Some farmers in this vicinity sowed wheat on March 26 and several large fields of oats were sown on April 14. Other farmers are of the opinion that the seed would be better in the barn

Laughlin McDougall lost a colt Sunday.

Chills Prove Fatal.

If warmth and circulation are not promptly restored, chills result in fatal pneumonia. This necessitates keeping Nerviline on hand. Taken in hot water it breaks up a cold in two minutes. By rubbing freely over throat and chest it prevents colds. No liniment so strong, so penetrating, so swift to kill pain and inflammation. Nearly fifty years' record has proved the value of Polson' Nerviline. You should get a bottle to-day.

An Easter Egg

Mr. Henry Down, of Portlaw, last Saturday, handed in at this office a large hsn's egg. It was seven inches in circumferance one way and eight the other. The egg weighed five ounces and was laid by a thoroughbred black minorca hen. The hens as a general rule lay eggs weighing from two to three ounces. After measuring and weighing it ye editor had the pleasure of eating an Easter egg that he did not have to pay for and his thankfulness went out in big chunks to Mr. Down.

A MARVELLOUS MEDICINE

Mr. Henry's Story

Mr. Henry, con. 8, lot 3, Holland, says: Five years ago I was for the first time troubled with rheumatism. I took different kinds of medicines, sometimes getting relief other times none. Last October, Mr. Morrison, store keeper at Strathavon, induced me to try Cameron's Rheumatism Cure. The summer before taking it I was so bad that, when picking potatoes I would have to get on my knees, and could hardly straighten up again. After taking the first dose of Cameron's Rheumatism Cure, I got immediate relief, I have not finished the first bottle, and have not had slightest return of the disease. Prepared only by D. A. Cameron & Co., Owen Sound. Price $1.00 a bottle; express paid on two bottle.
