AYER'S
Hair Vigor

restores, with the gloss and freshness of youth, faded or gray hair to a natural, rich brown color, or deep black, as may be desired. By its use light or red hair may be darkened, thin hair thickened, and baldness often, though not always, cured.

It checks falling of the hair, and stimulates a weak and sickly growth to vigor. It prevents and cures scurf and dandruff, and heals nearly every disease peculiar to the scalp. As a **Ladies' Hair Dressing**, the VIGOR is unequalled; it contains neither oil nor dye, renders the hair soft, glossy, and silken in appearance, and imparts a delicate, agreeable, and lasting perfume.

MR. C. P. BRICHER writes from *Kirby, O., July 3, 1882*: "Last fall my hair commenced falling out, and in a short time I became nearly bald. I used part of a bottle of AYER'S HAIR VIGOR, which stopped the falling of the hair, and started a new growth. I have now a full head of hair growing vigorously, and am convinced that but for the use of your preparation I should have been entirely bald."

J. W. BOWEN, proprietor of the *McArthur (Ohio) Enquirer*, says: "AYER'S HAIR VIGOR is a most excellent preparation for the hair. I speak of it from my own experience. Its use promotes the growth of new hair, and makes it glossy and soft. The VIGOR is also a sure cure for dandruff. Not within my knowledge has the preparation ever failed to give entire satisfaction."

MR. ANGUS FAIRBAIRN, leader of the celebrated "Fairbairn Family" of Scottish Vocalists, writes from *Boston, Mass., Feb. 6, 1880*: "Ever since my hair began to give silvery evidence of the change which fleeting time procureth, I have used AYER'S HAIR VIGOR, and so have been able to maintain an appearance of youthfulness—a matter of considerable consequence to ministers, orators, actors, and in fact every one who lives in the eyes of the public."

MRS. O. A. PRESCOTT, writing from *18 Elm St., Charlestown, Mass., April 14, 1882*, says: "Two years ago about two-thirds of my hair came off. It thinned very rapidly, and I was fast growing bald. On using AYER'S HAIR VIGOR the falling stopped and a new growth commenced, and in about a month my head was completely covered with short hair. It has continued to grow, and is now as good as before it fell. I regularly used but one bottle of the VIGOR, but now use it occasionally as a dressing."

We have hundreds of similar testimonials to the efficacy of AYER'S HAIR VIGOR. It needs but a trial to convince the most skeptical of its value.

Markdale Items.

Mr. W. J. Benson is engaged in a well-kept grocery and provision store in the stand formerly occupied by Mr. McIntyre. Young Benson is as popular as ever.

Great improvements, involving a cost of nearly $6,000, are being made in the splendid flour mill of Plewes & Son. As the Plewes's have been in the milling business for many years, and are thoroughly practical men, Markdale will soon have one of the very best mills in Grey.

Mr. W. J. McFarland still takes the lead as the most enterprising and pushing general store man in Markdale. Go into Mac's store when you will and you will find it thronged with customers.

Mr. R. M. Clark, formerly of Flesherton, is busily engaged in carpentering work on Mr. Rae's new block, next to Hill Bros.

Mr. W. A. Brown, Jeweller, has a fine stock of watches, clocks and jewelry in his store. Mr. Brown does not pretend to sell anything at *wholesale* prices, but he does sell goods as low as any retailer can without misrepresentation.

The Rev. Thos. Grandy is now a resident of Markdale, to which place he removed last week. We had the pleasure of meeting him in Mr. Brown's jewelry store last Saturday.

Mr. Wm. Lucas, of the popular banking firm of Wm. Lucas & Co., looks as fresh and hearty as ever.

Our old friend, Mr. John Montgomery, still leads the van in the bread business.

The veteran journalist, Mr. S. L. M. Luke, denounced socialism from the sidewalk in front of Mr. McFarland's store on Saturday.

Mr. Cæsar, the popular station agent, has the management of the Markdale express office now.

Job work has been brisk at the *Standard* office recently. Our good looking friend, Mr. Jackman, is foreman of the office. This being leap year—well, yes, we rather think so. Ahem!

Eugenia.

(From our own Correspondent.)

The fields are alive with haymakers once more. Hay is generally a light crop in this locality.

Loads of happy berry-pickers flitting about these days.

BUILDING IMPROVEMENTS.

Mr. Wm. Hopper has erected a fine new stone house; Mr. John Williams raised a new frame barn lately; Mr. Alex. Smith, a bank barn; Mr. H. Meldrum, a large frame stable and shed; R. D. Akitt, a large frame barn; Mr. Wm. Herron, an addition to his barn, Mr. James Sloan, a neat Gothic cottage; and Mr. J. B. Sloan commences to brick-clad his house next week.

OTHER ITEMS.

Mrs. Polley and family, of Goderich, are visiting at the Eugenia House.

The new Methodist minister, Rev. Dr. Strongman, and family, have arrived. The Rev. gentleman has preached at all the appointments on the circuit. and has made a very favorable impression on his hearers. He holds certificates of B. A., M. A., and Dr. Ph, all faithfully earned by competent scholarship.

TEMPERANCE.

Rev. Dr. Strongman will deliver a sermon on Temperance in the Methodist Church, Eugenia, next Sabbath evening, 27th inst., at 6 o'clock. As Dr. Strongman is a keen, incisive speaker, and as the Temperance question is a burning one at the present time, there will no doubt be a large attendance.

Impounding Cattle.

To the Editor of The Advance.

SIR,—If I find cattle destroying my crops on the Sabbath day, can I drive them to the pound and compel the poundkeeper to take them in the same day?

SUBSCRIBER.

[We think the poundkeeper is obliged to impound cattle, pigs, &c. on any day in the week, not even excepting Sunday. We would like to hear what others have to say on the subject which is an interesting one at the present time.—ED. ADVANCE.]

Feversham.

From our own Correspondent,

THE GLORIOUS TWELFTH

The celebration of the "glorious twelfth" of July in Feversham was a grand success. Four stands of colors were represented. Dinner was got up by Mr. R. T. McGirr in a most creditable manner. After dinner the various lodges, amid beating of drums and blowing of fifes, formed in procession and marched to the grove, where excellent speeches were delivered by Revs. Shaw and Flint; also a stirring one by our own little man, Mr. Anson Lee. Three cheers were then given for the Queen, speakers, and District Master, respectively, after which the assembly dispersed. Everything passed off quietly and orderly.

We had a good shower on Friday evening which will help to "spoil" the small potatoes!

Heart Beats.

From the Scientific American.

Dr. N. B. Richardson, of London, the noted physician, says he was recently able to convey a considerable amount of conviction to an intelligent scholar by a simple experiment. The scholor was singing the praises of the "ruddy bumper," and saying he could not get through a day without it, when Dr. Richardson said to him:

"Will you be good enough to feel my pulse as I stand here?"

He did so. I said, "Count it carefully; what does it say?"

"Your pulse says seventy-four."

I then sat down in a chair and asked him to count it again. He did so, and said, "Your pulse has gone down to seventy."

I then lay down on the lounge, and said:

"Will you take it again?"

He replied "Why, it is only sixty-four; what an extraordinry thing?"

I then said, "When you lie down at night, that is the way nature gives your heart rest. You know nothing about it, but that beating organ is resting to that extent; and if you reckon it up it is a great deal of rest, because in lying down the heart is doing ten strokes less a minute. Multiply that by 60 and it is 600; multiply it by 8 hours, and within a fraction it is 5,000 strokes different; and as the heart is throwing 6 ounces of blood at every stroke, it makes a difference of 30,000 ounces of lifting during the night.

"When I lie down at night without any alcohol, that is the rest my heart gets. But when you take your wine or grog you do not allow that rest, for the influence of alcohol is to increase the number of strokes, and instead of getting this rest you put on something like 15,000 extra strokes, and the result is you rise up very seedy and unfit for the next day's work till you have taken a little more of the 'ruddy bumper,' which you say is the soul of man below."

A Lawyer's Opinion of Interest to all.

J. T. Tawney, Esq., a leading attorney of Winona, Minn, writes: "After using it for more than three years, I take great pleasure in stating that I regard Dr. King's New Discovery for Consumption, as the best remedy in the world for Coughs and Colds. It has never failed to cure the most severe colds, I have had, and invariably relieves the pain in the chest." Trial Bottles of this sure cure for all Throat and Lung Diseases may be had Free at W. Richardson's Drug Store. Large size, $1.00.
