Farmers, Take Notice.

I have ceased working for McCormack machines, not that I had any fault with the implements, but Jackson & Hannah, of Markdale sold a McCormack six foot binder to Mr. Wilson McMullen last harvest for $125.00 on three pays, and his old Patterson binder and then sold the old binder for $1.50, and on next year's terms they are charged to those that perhaps they get them for less than I do. Why don't they sell them to Markdale farmers for the same? This I can prove. I have contracted with Peter Hamilton, of Peterborough, to sell his implements at Markdale and Flesherton. I will sell the binders, six foot on one pay $110, 2 pays $115, three pays $120; drills, one pay 12 hoe drill $61, 2 pays $63, three pays $65, and other sizes to correspond, smaller or larger. I will be at Markdale after the first of March every Saturday. Any one wanting machines or repairs will find me on Saturdays. I have some second hand Drills on hand, some only worked one and two years, Noxon, Oshawa and Peter Hamilton. Also agent for the Cockshutt Plow, Pasis Manure Spreader and on Threshers.

D. MADILL.

Last week Rev. H. A. Reid had his attention attracted several times by a cackling hen uttering her noisy cries from one of the large willow trees in front of his residence. Though it hardly seemed probable that "Biddy" would attempt to find a nest at such a height, Mr. Ried climbed up to investigate and found three eggs on one of the large limbs close to the trunk and about 15 feet from the ground. —Stayner Sun.

Select Your Medicine with Care.

In debility and weakness medicine should be mild and far reaching. Many pills and pugatives are too harsh, are drastic instead of curative. Excessive action is followed by depression, and knowing this, Dr. Hamilton devised his pills of Mandrake and Butternut so as to mildly increase liver and kidney activity, flush out the elementary canal, tone and regulate the bowels. Thus do Dr. Hamilton's Pills eliminate poisons from the body, restore clearness to the skin, bring strength and that sweet restorer of health—sleep. Best medicine on earth, 25c per box at all dealers.

Nothing simpler than inhaling the germ-killing vapor of this grand remedy. Colds and catarrh flee as before fire. Every trace of throat and bronchial trouble yields immediately. Catarrhozone is scientific and absolutely guaranteed for preventing and curing catarrh and kindred ills. Two sizes, 25c and $1.00 at all dealers.

Good Words for Chamberlain's Cough Remedy.

People everywhere take pleasure in testifying to the good qualities of Chamberlain's Cough Remedy, Mrs. Edward Phillips of Barclay, Md., writes: "I wish to tell you that I recommend Chamberlain's Cough Remedy. My little girl, Catherine, who is two years old, has been taking this remedy whenever she has had a cold since she was two months old. About a month ago I contracted a dreadful cold myself, but I took Chamberlain's Cough Remedy and was soon as well as ever." This remedy is for sale by W. E. Richardson.

"Hall Mark," the valuable imported stallion belonging to Mr. Thos. Mercer, had a narrow escape from being burned to death on Saturday night. He was being taken to Owen Sound on a freight train in charge of Mr. Peter McKechnie, his manager, when the rear end of the car in which he was enclosed caught fire from a spark from the engine a short time after leaving Berkeley station. It was not noticed by McKechnie until a hole was burned in the roof. His first thought was how to signal the engineer to stop the train. Seizing a horse blanket he leaned out the car door and frantically waving the blanket succeeded at last in attracting the attention of the brakesmen in the van who immediately gave the signal to stop the train. By this time the entire end of the car was in a mass of flames. The fire was speedily extinguished, however, and no damage was done to either man or beast. It was a narrow escape for both "Hall Mark" and his manager. The stallion is valued at $4,000.—Standard.

DOCTORS USING PATENT MEDICINES

The Honest Physician is Anxious to Cure and Uses the Best Available Remedies.

The discussion of the bill now before the Dominion Parliament for the regulation of the manufacture and sale of patent or proprietary medicines is one of the utmost importance, and is receiving a great deal of attention, not only by the proprietary medicine manufacturers, but also by the retail and wholesale druggists. Every manufacturer of reliable and high class remedies welcomes the bill as a step in the right direction. The discussion has brought out the fact that the best physicians in Canada and on the continent approve of and prescribe Psychine in cases of the most difficult character. In a recent instance of very serious throat and lung trouble the patient had been using Psychine. Two leading United States specialists were consulted, in addition to two eminent Canadian physicians. Upon learning what the patient was using, a sample of Psychine was taken and analyzed, with the result that the physicians advised its continuance. They prescribed no other medicine but Psychine, with the result that the patient has fully recovered and is a splendid walking and talking advertisement for the wonderful curative power of a remedy that will "stand up" before the keenest professional criticism and analysis. As a builder up of the system and restoring all wasted conditions, Psychine has no equal, and the best and most earnest physicians recognize this fact. "At the age of 25 my lungs were in a terrible state. I had la grippe the year before; it settled on my lungs and I kept steadily growing worse till I got down so low I was in bed for six weeks. I had a consultation of doctors, and they said they could do nothing more for me. Then I started to use Psychine. I took the medicine for more than a year. It certainly did wonders for me. I am now as strong as I was before my sickness.
"MRS. H. HOPE,
"Morpeth, Ont."

Psychine, pronounced Si-keen, is the greatest of tonics, building up the system, increasing the appetite, purifying the blood, aids digestion, and acts directly upon the throat and lungs, giving tone and vigor to the entire system. At all druggists, 50c and $1, or Dr. T. A. Slocum, Limited, 179 King Street west, Toronto.
