Cock-a-Doodle-Do

Just a word to people who raise poultry. If you want good, healthy chickens, buy your incubator from A. Wilson. I set all machines in running order that I sell, so the purchaser will have no trouble and can depend on having good results the first hatch. I always have a machine going. Call and see and be convinced that you are behind the times without an incubator.

Farmers, Take Notice.

I have ceased working for McCormack machines, not that I had any fault with the implements, but Jackson & Hannah, of Markdale sold a McCormack six foot binder to Mr. Wilson McMullen last harvest for $125.00 on three pays, and his old Patterson binder and then sold the old binder for $1.50, and on next year's terms they are charged to those that perhaps they get them for less than I do. Why don't they sell them to Markdale farmers for the same? This I can prove. I have contracted with Peter Hamilton, of Peterborough, to sell his implements at Markdale and Flesherton. I will sell the binders, six foot on one pay $110, 2 pays $115, three pays $120; drills, one pay 12 hoe drill $61, 2 pays $63, three pays $65, and other sizes to correspond, smaller or larger. I will be at Markdale after the first of March every Saturday. Any one wanting machines or repairs will find me on Saturdays. I have some second hand Drills on hand, some only worked one and two years, Noxon, Oshawa and Peter Hamilton. Also agent for the Cockshutt Plow, Paris Manure Spreader and an Thresher.

D. MADILL.

Local option went into force in Ripley on May 1st. Putland's hotel has quit business and the proprietor of Irwin's hotel has put up a gate on his yard. The farmers now pay 10c for horses in an open shed, 15c for stable and 25c for hay. The meals have been increased to 50c in the hotel. It did not work that way here. The temperance people of Ripley are away behind the times.

A Hair Dressing

Nearly every one likes a fine hair dressing. Something to make the hair more manageable; to keep it from being too rough, or from splitting at the ends. Something, too, that will feed the hair at the same time, a regular hair-food. Well-fed hair will be strong, and will remain where it belongs—on the head, not on the comb!

Grey Deanery Meets at Durham

Durham, May 10.—The Grey rural deanery meeting convened at Durham on Tuesday and Wednesday.

The opening meeting was held in Trinity Church on Tuesday evening at which Rev. W. J. Connor, former rector, preached an excellent sermon on Matt. x: 20-end. The clergy of the deanery taking part in service.

On Wednesday morning Holy Communion was administered by Rural Dean Ardill assisted by Rev. A. A. Bice. There was a good attendance of delegates and members present.

Rev. A. A. Bice, Rector of Durham, was elected Secretary of the Deanery.

The Rev. McJ. Baldwin, a missionary at present on furlough from Japan, then addressed the meening at some length on the life and customs of the people of Japan. He also illustrated from a map the different missionary jurisdictions of the country and explained the work of the church in each

Rev. J. Ardill, R. D., then followed with an address on the position of the clergyman with society. Much discusion followed and the afternoon session full of help and encouragement was brought to a closed.

In the evening an illustrated Lecture on Japan was delivered by Rev. J. McQueen Baldwin of Japan in the town hall to a very appreciative audience and this brought one of the most successful meetings of the chapter to a close.

The next meeting will be held, D. V., in Owen Sound.

A. A. Bice, Secretary.

Every Man His Own Doctor

The average man cannot afford to employ a phyysician for every slight ailment or injury that may occur in his family, nor can he afford to neglect them, as so slight an injury as the scratch of a pin has been known to cause the loss of a limb. Hence every man must from necessity be his own doctor for this class of ailments. Success often depend upon prompt treatment which can only be had when suitable medicines are kept at hand. Chamberlain's Remedies have been in the market for many years and enjoy a good reputation.

HOW COSUMPTION STARTS.

Tired When You Waken—Languid All day—Neves Worn Out ---Snap All Gone.

Your limbs feel "draggy" and excessively weak. A night's sleep seldom brings satisfying rest. Continuous headaches, exhaustion and nervous sensations destroy health. Soon every spark of vitality is used up. Then you catch tuberculosis.

Start to-day. Build up, get new nerve force, and overcome this process of decay. Use Ferrozone, which physicians consider the most vitalizing, uplifting tonic ever made.

Ferrozone cures because it can furnish the body with sufficient nutriment and building material.

Think of the instant effect—at once the appetite increases, delightful color in the cheeks proves that rich, red blood is being circulated. Tired muscles are invigorated, flesh and weight are added. Nerve force develops, and bounding, joyous health is firmly established.

This is certain—Ferrozone restores failing strength from any cause. The experience of Mr. Thos. Down, of Schreiber, Ont., proves this:

"Household worries and cares had about exhausted my strength. I was weak and miserable. My cheeks lacked the color of health, and occasionally I had spells of rheumatism. Then my appetite fell off, and nothing could tempt me to eat. Worn-out feelings, chills and despondency filled my very being. I became anaemic and dwindled down to a shadow. Consumption was very near. Ferrozone put strength in my body with a rush. It built me up, strong, virile and happy, and I have been well ever since."

Ferrozone cures sickness by curing the real cause—lack of blood and nerve tone. It keeps people at their best—fit, ready and anxious for work. In 50c. boxes only six for $2 50, at all dealers, or N. C. Polson & Co., Hartford, Conn., U. S. A., and Kingston.

Mrs. H. Doherty, living near Meaford, died very suddenly of heart failure.

Gilbert VanWyck, an old and respected resident of Meaford, aged 72, took paris green in mistake for soda and died after several hours of suffering. The mistake was made in the dark.

Tetter Cured.

A lady customer of ours had suffered with tetter for two or three years. It got so bad on her hands that she could not attend to her household duties. One box of Chamberlain's Salve cured her. Chamberlain's medicines give splendid satisfaction in this community —M. H. RODNEY & Co., Almond, Ala. Chamberlain's medicines are for sale by W. E. Richardson.

Young Plants.

We have on hand an unusually fine selection of strong healthy Tomatoe, Celery and Cabbage plants. We also have on the way a fine lot of high class flower plants including Begonias, Ferns, Coleus, Pansy Geraniums, Flowering Maples, Baby Rambler Roses, Tea Roses, Hydrangeas. This is only a partial list. These plants will be fast sellers. Come early
