Call or address postal to I. Harvey Perigoe, Fire Agency Atlas Assurance Co., Feversham, Ont.

One day last week D. McTavish, blacksmith, and his assitant, H. Foester, were working at a piece of iron when a hammer flew off the handle and struck Foester over the eye, cutting a nasty gash that required three stitches to close it up. It was a narrow escape from something worse.

Judge Widdifield held a court of revision on the 1907 Artemesia voters' list in the town hall on Thursday last, Sept. 26. Thirty-four names were added to the list. It is expected that an election will be held on this list, which accounts for the large number added. From a political standpoint it is impossible to locate the new franchise owners.

FARM FOR SALE—Lots 39 and 40 in the 13th concession and lot 36 in the 14th concession of Artemesia containing 308 acres Good stock and grain farm, well watered, fair buildings and orchard. T. E. THORNBURY, Lady Bank P. O.

A splendid programe will be given consiting of Rectitations, Reading, Vocal and instrumental music, speaking and lots of everything good. Tea served from six to eight o'clock. All are cordially invited. Admmission 25 and 15c.

Mr. Mark Wilson had quite an experience last week over a stolen dog. A Collingwood livery employee took Mr. Wilson's hound, Butcher, home with him. Mark swore out a warrant and he and Bailiff Wright went over to Collingwood and interviewed the man charged with the result that he gave up the dog and "coughed up" twenty dollars to cover expenses. The party pleaded drunkenness as an excuse for his act.

Mr. Andrew Gilchrist, who lives near the station, got his foot into the cylinder of a threshing machine on Thursday last. The machine was slowing down for dinner and Mr. Gilchrist was getting down out of the mow when his foot slipped on a sheaf of grain and he was thrown so that one foot was caught in the revolving cylinder. Had the machine been travelling at full speed Mr. Gilchrist would have been killed; as it was, the foot was badly lacerated, but Dr. Carter, under whose care he is, thinks the member will be partially saved without amputation.

Epworth League Convention

The Epworth League District Convention at Chatsworth last week was well attended and every session was of great interest and help to those present. A splendid paper on "The Forward Movement for Missions" was read by Mr. Jas. Matheson, President of West Street church League, Owen Sound, in which he gave an account of the life of the Forward Movement and a review of the work accomplished by it. Rev. J. S. I. Wilson of Markdale preached the convention sermon, taking his text from 2 Samuel, 10-12—"Be of good courage and let us play the men for our people and for the cities of our God, and let the Lord do as seemeth him well." He treated his subject in his usual masterful manner. Rev. Chandler of West Street church, Owen Sound, gave a rousing missionary address, voicing a strong appeal for more men for missionary work in the Canadian northwest and in China and Japan. Rev. Dr. Crews of Toronto conducted the Round Table Conference on Tuesday afternoon and was the source of a great amount of information on the working of the leagues. In the evening he gave a decidedly interesting address on "The League That Counts" The President addressed the meeting on behalf of the executive. The reports of the Leagues of the District were very encouraging, one league showing an increase in percentage of missionary givings from 8c to 75c per member. The Flesherton League stood third highest per member of missionary givings, averaging about one dollar and thirty cents per member. The following officers were nominated by the nominating committee and elected by open vote in the convention: Pres., Rev. J.R. Wilkinson, Rocklyn; 1st Vice Pres., Mr, H. J. Armstrong, Markdale, 2nd Vice Pres., Miss Edith Connor, Corbetton; 3rd Vice Pres., Mrs. W.H. Thurston, Flesherton; 4th Vice Pres., Miss A. Kilburn, Owen Sound; 5th Vice Pres. Miss S. A. Squire, Brookholm; Sec. Treas., Miss M. Primmer, Owen Sound; Representative to Conference executive, Rev. J. W. Tribble, Corbetton.

Canadian Rural Life

Canadian rural life is presented in a realistic and wholesome way by Anison North in "Carmichael," the notable Canadian story of the year, publication of which as a serial in "The Farmer's Advocate and Home Magazine," of London, Ont., is just being begun. Its readers are to be congratulated upon the literary treat in store for them.

THE SCOURGE OF CONSUMPTION

Thousands are Dying—If Tired, Languid or Run-Down Get Protection Before Too Late.

No child, man or woman is safe from consumption unless their blood is pure, rich and nourishing.

Allow the blood to become thin, and immediately the whole system grows weak. The lungs are deprived of resisting power and the ever-present tubercular baccilli develops.

The most positive protection against consumption is Ferrozone, which restores the blood to Full strength. Weak organs are instantly strengthened. Worn-out tissues are rebuilt. New life is given to the lungs and all danger of consumption is destroyed.

Mrs. E. J. Richardson, Manotic, Ont., tells as follows of her enormous gain in health from Ferrozone: "For two years I was not well. I was thin and anemic. Towards spring I fell into a condition of nervous exhaustion. A dead tiredness hung over me. House-work of any kind I simply couldn't do. A bad cough developed that worried me greatly for I thought it might be tubercular. When I first read of Ferrozone I was convinced it was good. I took it regularly for eight weeks and the change in condition was wonderful. My chesks filled out and became clear and rosy. I gained eight pounds and now am strong and vigorous as possible."

Ferrozone feeds, nourishes and tones up the body—it sends the thrill and vim of robust health from head to foot—makes you feel better at once. Won't you use Ferrozone? Price 50c. per box, or six boxes for $2.50, at all dealers, or N. C. Polson & Co., Hartford, Conn., U.S.A., and Kingston, Ont.

Owing to severe spring frosts in the United States, Great Britain and Western Canada, it looks as if the demand for Ontario apples would be very great this year. There is a good average crop this year, ranging in price from $2,50 to $3.50 per barrel at the point of shipment. American agents are in the country, making large purchases for export.
