2.—In the case of units which train, as a rule, at camps of instruction, the concentration at Quebec will take the place of the annual training.

Letter of Condolence

At the regular meeting of Walterville Loyal Orange Lodge No. 883, held on Thursday, April 16, the following resolution was passed:

To Mrs. Geo. Swanton and family:

We, the officers and members of Walterville L.O.L., No. 883, convey to you our heartfelt sympathy in the hours of your sad bereavement. We feel, as officers and brothers of a grand and noble order, that in this world we have no continuing city, but we seek one to come, yea, a heavenly city. As it has pleased Almighty God to remove from this earth to that heavenly city your beloved husband and father, and our worthy brother, we, as a society bound together, do humbly pray that the Great Comforter will comfort those who remain and enable you to bear your loss. With the great hope we look forward that some day we shall all meet again in that great beyond, where parting is no more.

Signed on behalf of the Lodge:—Geo. H. Cairns, W.M.; Geo. L. White, H.M.; John E. Wright, Rec. Sec.; Dan. McLeod, P.M.

EAT WHAT YOU WANT.

But Find the Way to Digest What You Do Eat

The first thing to do in the case of indigestion or stomach weakness is to strengthen the muscular walls of the stomach and intestines, so that they will care for the food that is eaten. In no other way can this be done as well as by taking a Mi-o-na tablet before each meal. This restores strength to the stomach muscles and stimulates the pouring out of gastric juices, then the food digests readily and you begin to get the full benefit from what you eat.

Use Mi-o-na whenever you have sick headache, heartburn, bad taste in the mouth, coated tongue, spots before the eyes, sleeplessness and in many other symptoms that are the direct result of indigestion.

W. E. Richardson and son give with every 50 cent box of Mi-o-na a guarantee to refund the money unless the remedy cures.

Sweet Times in the Bush

Several young men in this township went out one night recently to a neighbors sugar bush to "sugar off," or "taffy down," and during the process the owner of the condensed sweets appeared noiselessly as an apparition comes. There was no time for the boys to take "leg bail" had they so desired. Did the owner have those young men hauled up and fined? No, but he punished them. all right. He simply invited them to be seated and finish the feast and not to allow his presence to disturb them. This was done and the owner joined the party. Possibly this punishment will be more effective with those young men than a fine would have been. They can at least thank the owner of the bush for letting them keep their pennies.

Last year a gentleman of the township was made the victim of a similar depredation and threatened to shoot the parties if they ever did it again. Sunday last the opportunity came while the owner of the bush in question was away to church. The boys went into the bush and had a high old time on taffy. They wish us to state that none of them were shot.
