NERVOUS DEBILITY CURED

Excesses and indiscretions are the cause of more sorrow and suffering than all other diseases combined. We see the victims of vicious habits on every hand: the sallow, pimpled face, dark circled eyes, stooping form, stunted development, bashful, melancholic countenance and timid bearing proclaim to all the world his folly and tend to blight his existence. Our treatment positively cures all weak men by overcoming and removing the effects of former indiscretions and excesses. It stops all drains and quickly restores the victim to what nature intended—a healthy and happy man with physical, mental and nerve power complete.

For over 20 years Drs. K. & K. have treated with the greatest success all diseases of men and women.

If you have any secret disease that is a worry and a menace to your health consult old established physicians who do not have to experiment on you.

We guarantee to cure NERVOUS DEBILITY, BLOOD DISEASES, STRICTURE, VARICOCELE, KIDNEY AND BLADDER DISEASES. Consultation Free. If unable to call, write for a question Blank for Home Treatment.

Some District News

Mr. Joseph Schon of Chesley, for many years proprietor of the McDonald House in that town, was found dead in bed. Death was due to heart failure.

Big eggs are again in evidence. During the past week we received two specimens of what Mount Forest hens can do, says the Representative. One of Mr. G. Ernst's Black Minorca hens presented him with an egg measuring 8½ x 6¼ inches and weighing 4¼ oz. A hen of the same breed belonging to Mr. W. W. Lewis, however, surpassed Mr. Ernst's hen and laid an egg measuring 8 x 9¼ inches, another egg from Mr. Lewis' henery measured 7½ x 8¾.

A young man living in Seaforth, and who is on what is known as the "Indian List," was convicted of having purchased or procured liquor and was fined $10 and costs, but that was not the worst of it. Another young man, who purchased the liquor for the first fellow, was also taken up, and he, too, was fined $10 and costs. The purchaser of the liquor claimed that he was ignorant of the fact that his friend was on the "Indian List," but whether he was or not did not seem to make much difference in the result. It appears the only safe way when a man asks you to buy liquor for him is to tell him to do his own shopping.—Stratford Herald.

The barn belonging to Philip Strauss lot 27, concession 7, Carrick, was completely destroyed by fire on Monday morning of last week. Philip got up early that morning in order to get his chores done up in good time, as he intended putting up a fence for a neighbor that day. As he walked past one of the horses in the stable, the animal kicked at him, one of the horse's feet hitting Philip in the the stomach and the other smashing the lantern. Mr. Strauss was knocked out for a short time, and when he recovered the flames had gained considerable headway. He was able however, to get the stock and implements out of the barn, with the exception of a few hens, which perished in the conflagration.—Hanover Post.

OUR NATIONAL DANGER

Time to Cry a Halt Before Complete Wreck Results.

There are thousands, both men and women, who do not take time to eat properly. They rush through life, and as a result we have an age of indigestion, nervousness, irritability, sleepless nights, and morose disposition. Our national weakness is stomach weakness due to the strenuous life.

Mi-o-na tablets, strengthen the walls of the stomach and stimulate secretion of the digestive juices. They make the stomach comfortable and cure indigestion.

Sick headaches, palpitation, yellow skin and coated tongue are a few of the many distressing results of indigestion that Mi-o-na never fails to cure.

W. E. Ricchardson and son sell Mi-o-na in 50 cent boxes, and guarantee to refund the money if it does not give complete satisfaction.

Jos. Jeffers of Glencross is sueing the Orangeville Dominion Day committee for damages. Last first of July a young son of Mr. Jeffers was struck by a baseball and suffered a fracture of the skull.

A very sad accident occurred on Good Friday at the home of Mr. James H. Murphy, 7th line of Drummer, when his son Gordon, aged about five years, was drowned in a well which Mr. Murphy had started to sink near the house last fall. Mr. Murphy was working in the bush and his wife went out in the afternoon to take him a lunch, leaving the children alone in the house, and on her return found the little boy floating on top of a mass of melting ice and snow in the well. He was lying on his face, partly submerged in the water. The well was within a few inches of being full and the marks around the sides showed that the little fellow had made quite a struggle to get out.—Norwood Register

Preacher's Opinions

Rev. P. K. McRae, Forks Baddeck, C. B.: "I always count it a pleasure to recommend the Dr. Slocum Remedies to my parishioners. I believe there is nothing better for throat and lung troubles or weakness or run-down system. For speaker's sore throat I have found **Psychine** very beneficial."

Rev. W. H. Stevens, Paisley, Ont.: "**Psychine** seemed just the stimulant my system needed. I shall add my testimony as to its efficacy at every opportunity."

Rev. R. M. Browne, Amherst Head, N.S., "I have often recommended **Psychine** since taking it myself, for it is a cure for the troubles you specify."

Rev. Chas. Stirling, Bath, N.B.: "I have used **Psychine** in my family; the results were marvelous. I have visited people who state that they never used its equal. I strongly recommend it.

Rev. J. S. I. Wilson, Markdale, Ont.: "I have taken two bottles of **Psychine** and am pleased to say that I am greatly improved in health. I was troubled with my throat, but now I find it about restored to its normal condition. I find my work very much less taxing. I believe **Psychine** is all claimed for it."

These are earnest preachers of the gospel of **Psychine**. They know whereof they speak. **Psychine** cures all throat, lung and stomach troubles. It is a great voice strengthener, acting directly on the vocal, respiratory and digestive organs, thus specially adapted to public speakers. At all druggists, 50c and $1.00, or Dr. T. A. Slocum, Ltd., Toronto.

Alcohol not needed

Ayer's Sarsaparilla is not a strong drink. As now made, there is not a drop of alcohol in it. It is a non-alcoholic tonic and alterative. Ask your own doctor about your taking this medicine for thin, impure blood. Follow his advice every time. He knows.

Ayer's — We publish our formulas. We banish alcohol from our medicines. We urge you to consult your doctor

Ask your doctor, "What is the first great rule of health?" Nine doctors out of ten will quickly reply, "Keep the bowels regular." Then ask him another question, "What do you think of Ayer's Pills for constipation?"

—Made by the J. C. Ayer Co., Lowell, Mass.—

A Collingwood paper says:—The assignment of the local firm of Heitman and Co., announced on Monday, did not come wholly as a surprise to the people of this vicinity It was known for some time that they were under a heavy financial load owing to the loss by the fire that destroyed their building, and the dullness of trade during the past few months. The assignee is Mr. W. G. Begg of Collingwood. The liabilities are placed at between $7,000 and $8,000 with nominal assets at between $5,000 and $6,000. Much sympathy is expressed here for the firm.

EUREKA!

Yes, I Have Found it at Last.

Found What? Why that Chamberlain's Salve cures eczema and all manner of itching of the skin. I have been afflicted for many years with skin disease. I had to get up three or four times every night and wash with cold water to allay the terrible itching, but since using this salve in December, 1905, the itching has stopped and has not troubled me.—Elder John T. Ongley, Rootville, Pa. For sale by W. E. Richardson.
