Saw Mill & Timber Land For Sale or To Let.

In the **Township of Artemesia,** in the County of Grey, 4 miles from Flesherton Station, the Canadian Pacific Railway. The Mill is situated at Little Falls, in a block of about 400 acres Timber Land, with other timber land surrounding. The building is substantiolly built on stone foundation. The machinery is all good and driven with great power by a 23 inch Leffel wheel, under 36 feet head of water. There are 1 Large Circular Saw for cutting logs; 2 Small Circulars for sawing Laths and Broom Handles; 1 Guage Lathe for turning Broom Handles, &c.; 1 Shingle Machine with Jointer and Packer complete. The Water-Power is excellent, the stream being very regular. There are several other good Mill Sites on the property. The land in this valley is considered the best in the country. The place would make an excellent Stock Farm when the timber is taken off

This offers a good opportunity for a practical, energetic man to go into this kind of business, as the place will be sold or let on FAVORABLE TERMS. The bush is so convenient to the Mill, logs can be trucked in summer time. Immediate possession given.

A Deserved Rebuke.

A correspondent send the following as a supplement to our article on this subject a few weeks ago; "When the Rev. Mr. Robinson first occupied the pulpit of the Baptist meeting at Cambridge he was exposed to annoyances from the younger gownsmen. They incurred no danger of rustication, being put out of sizings, or even suffering an imposition, for irregularities of that kind. He succeeded however, in the course of a few years in affecting a change, and, Mr. Dyer says, became popular with a large class. It was soon after his settlement there was a wager arose among a party of undergraduates. One of them wagered that he would take his station on the steps of the pulpit, with a large ear-trumpet in his hand, and remain there until the end of the service. Accordingly, he mounted the steps, put the trumpet to his ear, and played the part of a deaf man with all possible gravity. His friends were in the aisle below, tittering at the hoax; the congregation were scandalized; but the preacher alone seemed insensible to what was going on. The sermon was on mercy—or whatever the subject might have been at first, in due time it soon turned to that, and the preacher proceeded to this effect: "Not only, my Christian friends, does the mercy of God extend to the most enormous of criminals, so that none, however guilty, may not, if duly penitent, be partakers of the divine grace, but also there are none so low, so mean, so worthless, as not to be objects of God's fatherly solicitude and care. Indeed, I do hope that it may one day be extended to"—and then leaning over the pulpit, he stretched out his arm to its utmost length, and placing it on the head of the gownsman, finished his sentence—"to this silly boy!" The wager was lost for the trumpet fell and the discomfited stripling bolted.

A PERFECT BEAUTY.—Perfect beauty is only attained by pure blood and good health. These acquirements give the possessor a pleasant expression, a fair clear skin and the rosy bloom of health. Burdock Blood Bitters purify the blood and tone the entire system to a healthy action.

He Didn't Grasp It.

During the war between France and Germany there was a certain company of raw German recruits marching rapidly to the front. Their way to the outpost led along a French road which stretched over rolling country that was dotted here and there with clumps of trees. At a turning they saw ahead of them a grove, which grew about a hundred yards to the left of their path, but they were unaware that in its midst a squad of cavalry was lying in ambush. As the company got abreast of the timber the guerillas opened a scattering fire on their flank. It was the first time that the recruits had heard bullets singing over their heads, and moreover, they had no idea that the enemy was within five miles of them, so they were uncertain how to regard this demonstration. The squad halted, undetermined what to do; and one big German, after putting his hands to his mouth trumpet-fashion, shouted toward the trees, "Stob shooding," and then turning excitedly to the officer in command, exclaimed, "Ach Himmel! What dey aboud? Don't dey know dey is some peoples here?"

The *Mudborouyh Gazette* says a gold-fish globe fell out of a two-story window and struck the ground without spilling water or fish, or breaking the globe. A rival editor exclaims: But in Slushpond, whenever a gold-fish globe falls, the gold-fish always jump out, catch the globe and set it back on the table without spilling a drop."

"Fine morning, your worship," affably remarked the man who had been arrested the night before for being drunk and disorderly. Yes indeed," responded the justice; "quite a fine morning—in fact, a ten-shilling fine morning."

Pay Up.

Those in arrearage to THE ADVANCE are politely asked to cheer the heart of the editor with the dollars and dimes at as early a date as possible. It is needless to say we need money occasionally.

James Brayler, Hamilton, says: "I read the testimonials for McGregor's Speedy Cure and found that I had not to go to New York, Philadelphia, Louisiana, or Texas to find living witnesses its value, we have plenty of persons right here to prove its merits I got a bottle and it helped me right away. I was as bad with Bilious Fever and Indigestion as I think any one could be, I have taken three bottles and am nearly well and can eat any kind of food without it hurting me. I may say that I am better than I ever expected to be. Free trial bottles at Richardson's Drug Store.

A MARVELOUS STORY

TOLD IN TWO LETTERS.

FROM THE SON: "28 Cedar St., New York, Oct. 28, 1882.

"*Gentlemen:* My father resides at Glover, Vt. He has been a great sufferer from Scrofula, and the inclosed letter will tell you what a marvelous effect

Ayer's Sarsaparilla

has had in his case. I think his blood must have contained the humor for at least ten years; but it did not show, except in the form of a scrofulous sore on the wrist, until about five years ago. From a few spots which appeared at that time, it gradually spread so as to cover his entire body. I assure you he was terribly affected, and an object of pity, when he began using your medicine. Now, there are few men of his age who enjoy as good health as he has. I could easily name fifty persons who would testify to the facts in his case.

Yours truly, W. M. PHILLIPS."

FROM THE FATHER: "It is both a pleasure and a duty for me to state to you the benefit I have derived from the use of

Ayer's Sarsaparilla.

Six months ago I was completely covered with a terrible humor and scrofulous sores. The humor caused an incessant and intolerable itching, and the skin cracked so as to cause the blood to flow in many places whenever I moved. My sufferings were great, and my life a burden. I commenced the use of the SARSAPARILLA in April last, and have used it regularly since that time. My condition began to improve at once. The sores have all healed, and I feel perfectly well in every respect—being now able to do a good day's work, although 73 years of age. Many inquire what has wrought such a cure in my case, and I tell them, as I have here tried to tell you, AYER'S SARSAPARILLA. Glover, Vt., Oct. 21, 1882. Yours gratefully,

HIRAM PHILLIPS."

AYER'S SARSAPARILLA cures Scrofula and all Scrofulous Complaints, Erysipelas, Eczema, Ringworm, Blotches, Sores, Boils, Tumors, and Eruptions of the Skin. It clears the blood of all impurities, aids digestion, stimulates the action of the bowels, and thus restores vitality and strengthens the whole system.

In these sketches an effort is made to hit off not only the facile expression, but the general figure as well, each subject being given in some characteristic pose. Wherever possible the drawing will be made from life, so as to ensure accuracy in these respects. At the same time a staid matter-of-fact portrait is not aimed at, but that far more attractive and unique thing—a CARICATURE embracing a LIKENESS. Each portrait is accompanied by a brief biographical notice written in a spirit to correspond with the picture.

When we call upon Canadians to ENCOURAGE this enterprise we are after all not asking them to DO anything vast. They already have in GRIP abundant value for $2 per annum, and as has been already stated the GALLERY, WHICH ALONE IS WORTH MORE THAN THE AMOUNT OF SUBSCRIPTION, is a free gift. All we request therefore is that those who are not already upon our list shall SUBSCRIBE for GRIP. We decline to argue as to whether $2 per year can be spent in any better way intellectually. There is no question to argue. The intelligent citizen of Canada who has that amount per year to invest for his mental pleasure may take our word on this point, he will certainly find nothing to buy for the money which will be so satisfactory as a receipt for a subscription
