The Hop Bitters manufactured by the Hop Bitters Manufacturing Co. are the purest and best medicine made. They are the product of a combination of the three most valuable medicines in the world, combined with all the best and most valuable curative properties of all other bitters, and are the only bitters made of Hops, the most valuable medicine in the world. They are a perfect medicine, containing all the elements necessary to tone up the system and make rich blood. They cure all diseases caused by a bad condition of the blood, liver, stomach and nerves. Such diseases are ague, fever, biliousness, dyspepsia, indigestion, nervous prostration, sleeplessness, etc. They are the only bitters that do not intoxicate. They are the only bitters that do not contain rum, whiskey, proof spirits or any other intoxicating liquor. They are the only bitters that do not require the sick to take them. They are the only bitters that do not require the sick to be kept from the air. They are the only bitters that do not require the sick to be kept from their friends. They are the only bitters that do not require the sick to be kept from their business. They are the only bitters that do not require the sick to be kept from their work. They are the only bitters that do not require the sick to be kept from their food. They are the only bitters that do not require the sick to be kept from their clothes. They are the only bitters that do not require the sick to be kept from their money
