Stop That Cold

To check early colds or Grippe with "Preventics" means sure defeat for Pneumonia. To stop a cold with Preventics is safer than to let it run and be obliged to cure it afterwards. To be sure, Preventics will cure even a deeply seated cold, but taken early—at the sneeze stage—they break, or head off these early colds. That's surely better. That's why they are called Preventics.

Preventics are little Candy Cold Cures. No Quinine, no physic, nothing sickening. Nice for the children—and thoroughly safe too. If you feel chilly, if you sneeze, if you ache all over, think of Preventics. Promptness may also save half your usual sickness. And don't forget your child, if there is feverishness, night or day. Herein probably lies Preventics' greatest efficiency. Sold in 5c boxes for the pocket, also in 25c boxes of 48 Preventics. Insist on your druggists giving you

Preventics

By-Law No. 2

A By-law of the Police Village of Priceville in the County of Grey to raise the sum of $1500 for the construction of cement or granolithic sidewalks in the said police village of Priceville.

Whereas the trustees of the Police Village of Priceville deem it advisable to raise the sum of $1500 for the construction of cement sidewalks on the following streets or parts of streets in said Police Village, viz: Kinross, Artemesia, Kincardine, Princess and Queen, the estimated costs of the said sidewalks being about eight cents per square foot.

And whereas to raise the said sum it will be necessary that the Township of Artemesia shall issue debentures for the sum of $1350 and the Township of Glenelg for the sum of $150, being the proportion required to be raised by each of the said townships under the provisions of the Consolidated Municipal Act, 1903, and amendments thereto, the total amount thereof, $1500, being the amount of the debt intended to be created by this by-law, the proceeds of the said debentures to be applied for the purposes aforesaid.

And whereas it is desirable to make the said debentures payable by yearly instalments during the period of ten years from the time this By-law shall come into effect (being the currency of the said debentures) with interest thereon at the rate of five per cent. per annum, such yearly sums to be of such amounts that the aggregate amount payable in each year for principal and interest in respect of the said debt shall be as near as possible equal to the amount so payable in each year of the other years of the said period.

And whereas the total amount required by the Consolidated Municipal Act, 1903, to be raised annually by special rate for paying the said debt and interest, as hereinafter provided, is the sum of $194.25, of which amount the sum of $174.82 shall be raised by the Township of Artemesia, and the sum of $19.43 by the Township of Glenelg.

And whereas the whole amount of the rateable property of the Townships of Artemesia and Glenelg, according to the last revised assessment rolls, is the sum of $1,259,548, and $74,175, respectively.

And whereas the whole amount of the rateable property of the said Police Village, according to the last revised assessment rolls, is the sum of $39,470, of which amount $35,675 is the amount of the rateable property of that part of the said Police Village within the limits of the Township of Artemesia, and $3,795 is the amount of the rateable property of that part of the Police Village within the limits of the Township of Glenelg.

And whereas the amount of the existing debenture debt of the said Township of Artemesia is $12,289.54, and no part of the principal or interest is in arrear, and the amount of the debenture debt of the Township of Glenelg is $1,407.01 and no part of the principal interest is in arrear.

And whereas there is no debenture debt chargeable against the Police Village of Priceville other than what is so chargeable against the said Police Village as part of the said Townships of Artemesia and Glenelg, respectively, and included in the sum heretofore mentioned.

Therefore the Police Trustees of the Police Village of Priceville enact as follows, viz.:

1. That it shall be lawful for the Police Trustees of the Police Village of Priceville to raise the sum of $1,500.00 in the manner prescribed by the Consolidated Municipal Act, 1903, and amendments thereto, and for such purposes to require the Township of Artemesia to issue debentures for the sum of $1,350.00, together with interest at five per cent. per annum, and the Township of Glenelg to issue debentures for the sum of $150.00 with interest at five per cent. per annum, being the proportions of the said total amount to be raised by the said townships respectively.

2. The said principal sum shall be payable in ten annual instalments with interest at the rate aforesaid annually during the said term, and the aggregate amount of such instalments of principal and interest shall be the sum of $194.25 in each year.

3. For the purpose of paying the said debt of $1500.00 and to cover the interest on the said amount as aforesaid, the sum of $194.25 shall be levied by a special rate over and above all other rates in the same manner and at the same time that other rates are levied upon the whole taxable property in the said Police Village of Priceville liable to be rated therefor in each year for the period of ten years from the date hereinafter mentioned for this bylaw to take effect during which the said debentures have to run. Of the said sum of $1,500.00 the sum of $174.82 shall be raised by the Council of the Township of Artemesia, and the sum of $19.43 by the Township of Glenelg, upon the proportion in the said Police Village of Priceville within the said townships respectively.

4. This By-law shall come into effect immediately after the final passing thereof.

5. This By-law shall be submitted for the assent of the electors of the said Police Village of Priceville under the provisions of the Consolidated Municipal Act, 1903, and amendments thereto, on Saturday, the twenty-first day of August, A.D. 1909. At the hour of nine o'clock in the forenoon the poll will be opened to take the votes of the qualified electors of the said Police Village of Priceville on said By-law, and the poll will close on the afternoon of the same day at five o'clock.

6. The place for taking poll will be at Watson's hall in the said village, and the returning officer shall be Neil McKinnon.

7. That on Saturday, the fourteenth day of August, A.D. 1909, at the hour of seven o'clock in the afternoon, at the said hall, the Police Trustees shall appoint in writing the persons to attend at the said polling place and at the final summing up of the votes on behalf of persons interested in or opposing respectively, the passing of this By-law.

8. That the Police Trustees and Returning Officer shall attend at said hall in the said Police Village at ten o'clock in the forenoon on the twenty-third day of August, 1909, to sum up the votes given for and against this By-law.

Dated at Priceville this twenty-second day of July, A. D. 1909.

} Police Trustees.

NOTICE.

Take notice that the foregoing is a true copy of a proposed By-law which has been taken into consideration by the Police Trustees of the Police Village of Priceville and will be finally passed by the said Police Trustees in the event of the consent of the properly qualified electors being obtained thereto after one month from the first publication thereof in the Flesherton Advance newspaper, the date of which first publication is the 22nd day of July, A. D. 1909.

And at the hour, day and place therein fixed for taking the votes of the properly qualified electors the poll will be opened and held.

Dated at Priceville this 21st day of July, A. D. 1909.

From Our Exchanges

The Meaford council at its last meeting solved the dog question by imposing a tax of $5 per year on dogs and $10 for a bitch.

Of the sixteen pupils from Grand Valley who wrote on the recent Entrance exams all were successful. This is the second year in succession that the 100 per cent. from that school have passed

Serious loss and annoyance to the farmers in Amaranth is being caused by some dog having strongly developed the taste of mutton, R. Ewing having no less than eleven sheep worried which were valued at about $150. Unfortunately up to the present time the animal has not been located.—Grand Valley Star.

A strange case has been occupying the minds of Bayfield people on the Huron shore. A Mrs. James Burns was found dead in her home. A coroner's jury gave a verdict that the case was one of suicide. A second jury was empanneled which reversed this verdict, deciding that the woman was murdered by some person unknown. It is probable that the mystery will never be cleared up.

A change of some importance in Dundalk business circles took place this week. The C. E. Noble hardware business, recently purchased by J. D. McDowell, stock-taking of which was taken last week, will have a partnership firm as proprietors. James Russell, of this place, who has been on the road for some years as travelling representative of the International Harvester Co., enters the new firm to be known as McDowell and Russell.—Herald.

C. W. Hartman has been losing chickens quite lively for some time past. He found some of them dead and some were missing altogether. He set a trap, thinking that a skunk might be the thief, and last Friday morning the trap was missing, and one chicken had a leg badly lacerated. Later in the day A. Dinsmore found a coon trying to climb a tree on the Marsh estate with the trap attached to one of his legs. Mr. Dinsmore captured the chicken and trap thief, and after separating thief and trap, locked the former up to be dealt with later on, but on Saturday morning Mr. Coon was missing. He broke jail during the night.—Clarksburg Review.

Steps we believe have been taken in both Glenelg and Bentinck to have the question of Local Option voted on at next January elections The necessary petitions are being circulated and it is thought it will be comparatively easy to secure the names of the 25 per cent of electors necessary to present to Council. There is at present one license in Glenelg and two if not three in Bentinck. The campaign is by no means simply an effort to cut off these licenses, for municipalities without a single license have voted on the question and carried it. There is a double object in this, to prevent possible encroachments and at the same time add the weight of its example to the campaign elsewhere. The latter reason will commend itself to many in both townships, who have no fear of additional licenses being granted.—Review.

Fred and Arthur Brown, sons of Mr. Adam Brown, of Annan, and Mr. Wm. Lusby, a resident of the fourth line Sydenham, had narrow escapes from death by lightning Saturday morning. The two boys were driving along the St. Vincent road when a severe thunderstorm came up. They took shelter in the Baptist church shed at the fourth line. They had been there only a short time when the shed was struck and their horse which was a valuable one was instantly killed. The boys were sitting in the buggy at the time and were partially paralyzed. Mr. Lusby was also in the shed at the time, and was stooping picking up some shingles when the current caught him, completely tearing the shoe off one foot and severely affecting his eyes. The shed was considerably damaged and caught fire. The boys summoned help from Mr. McKay's and the lumber being green it burned slowly and was easily extinguished.

OGILVIE'S ROYAL HOUSEHOLD

All flour is made from wheat. **But** there are different kinds of wheat **and** several ways of milling.

Royal Household Flour

is made of the best hard wheat in its finest and purest form. It always produces uniformly light, wholesome bread or pastry because its quality never varies. If your grocer does not carry Royal Household Flour, he will get it for you.

Highest Market Prices paid for all Farm Produce.

REMEMBER OUR MOTTO: "*Small Profits and Quick Returns.*"

The Orilla Packet reports a log drawn last winter to Aaron Stewart's sawmill, Uhthoff. The log grew on the farm of Robt. Dawn, and was cut down about twenty-five years ago and allowed to lie where it fell on account of its great size. It is six feet in diameter and contains 1,872 feet. It could not be gotten into the mill without taking off the roof, and it is therefore proposed to blow it up and handle it in sections.

The band of gypsies which passed through here a few weeks ago ran up against a snag at Peterboro, and were fined $125. Evidently they were a pretty bold gang, as it is said, while passing through the country near Peterboro they jumped out of their rig, shot a beast belonging to a farmer, dressed it, and throwing it into their rig passed on. They also let down some fences and turned their horses into farmers fields to feed. Peterboro authorities did well to call a halt to such tactics. Possibly they will return from whence they came.—Stayner Sun.
