Saw Mill & Timber Land For Sale or To Let.

In the **Township of Artemesia,** in the County of Grey, 4 miles from Flesherton Station, the Canadian Pacific Railway. The Mill is situated at Little Falls, in a block of about 400 acres Timber Land, with other timber land surrounding. The building is substantiolly built on stone foundation. The machinery is all good and driven with great power by a 23 inch Leffel wheel, under 36 feet head of water. There are 1 Large Circular Saw for cutting logs; 2 Small Circulars for sawing Laths and Broom Handles; 1 Guage Lathe for turning Broom Handles, &c.; 1 Shingle Machine with Jointer and Packer complete. The Water-Power is excellent, the stream being very regular. There are several other good Mill Sites on the property. The land in this valley is considered the best in the country. The place would make an excellent Stock Farm when the timber is taken off

This offers a good opportunity for a practical, energetic man to go into this kind of business, as the place will be sold or let on FAVORABLE TERMS. The bush is so convenient to the Mill, logs can be trucked in summer time. Immediate possession given.

An Original form of Prescription.

A medical man being sent for to a case in a neighbouring village, forgot to take his memorandum with him. Apparently, elementary education is not enforced in that part of the world, for when the doctor asked for pen, ink, and paper to write a prescription, nothing of the kind was forthcoming, nor could writing materials of any description whatever be obtained in the neighbourhood. Tired of waiting, the doctor seized a piece of charcoal, and wrote a prescription on the barn door of the farm where the patient lived. The relations, however, of the sick man naturally found themselves unable to read what had been ordered for his benefit, and thus another difficulty arose. At last, the bright idea struck them of taking the door off the hinges and sending bodily to the druggist. This was accordingly done, and the pharmacist in the neighborhood was considerably astonished by the apparition of a cart stopping at his establishment laden with a huge door. It was impossible to take this novel form of prescription, into the shop; so, realizing the situation, he propped it up on the pavement, read the formula, and returning the door with the medicine ordered, of course taking proper precautions that, should it require repetition, he would not again need to see the original prescription.

WARREN LELAND,

whom everybody knows as the successful manager of the

Largest Hotel Enterprises

of America, says that while a passenger from New York on board a ship going around Cape Horn, in the early days of emigration to California, he learned that one of the officers of the vessel had cured himself, during the voyage, of an obstinate disease by the use of

Ayer's Sarsaparilla.

Since then Mr. LELAND has recommended AYER'S SARSAPARILLA in many similar cases, and he has never yet heard of its failure to effect a radical cure.

Some years ago one of Mr. LELAND'S farm laborers bruised his leg. Owing to the bad state of his blood, an ugly scrofulous swelling or lump appeared on the injured limb. Horrible itching of the skin, with burning and darting pains through the lump, made life almost intolerable. The leg became enormously enlarged, and running ulcers formed, discharging great quantities of extremely offensive matter. No treatment was of any avail until the man, by Mr. LELAND'S direction, was supplied with AYER'S SARSAPARILLA, which allayed the pain and irritation, healed the sores, removed the swelling, and completely restored the limb to use.

Mr. LELAND has personally used

Ayer's Sarsaparilla

for Rheumatism, with entire success; and, after careful observation, declares that, in his belief, there is no medicine in the world equal to it for the cure of Liver Disorders, Gout, the effects of high living, Salt Rheum, Sores, Eruptions, and all the various forms of blood diseases.

We have Mr. LELAND'S permission to invite all who may desire further evidence in regard to the extraordinary curative powers of AYER'S SARSAPARILLA to see him personally either at his mammoth Ocean Hotel, Long Branch, or at the popular Leland Hotel, Broadway, 27th and 28th Streets, New York.

Mr. LELAND'S extensive knowledge of the good done by this unequalled eradicator of blood poisons enables him to give inquirers much valuable information.

In these sketches an effort is made to hit off not only the facile expression, but the general figure as well, each subject being given in some characteristic pose. Wherever possible the drawing will be made from life, so as to ensure accuracy in these respects. At the same time a staid matter-of-fact portrait is not aimed at, but that far more attractive and unique thing—a CARICATURE embracing a LIKENESS. Each portrait is accompanied by a brief biographical notice written in a spirit to correspond with the picture.

When we call upon Canadians to ENCOURAGE this enterprise we are after all not asking them to DO anything vast. They already have in GRIP abundant value for $2 per annum, and as has been already stated the GALLERY, WHICH ALONE IS WORTH MORE THAN THE AMOUNT OF SUBSCRIPTION, is a free gift. All we request therefore is that those who are not already upon our list shall SUBSCRIBE for GRIP. We decline to argue as to whether $2 per year can be spent in any better way intellectually. There is no question to argue. The intelligent citizen of Canada who has that amount per year to invest for his mental pleasure may take our word on this point, he will certainly find *nothing* to buy for the money which will be so satisfactory as a receipt for a subscription
