Rheumatism

I have found a tried and tested cure for Rheumatism! Not a remedy that will straighten the distorted limbs of chronic cripples, nor turn bony growths back to flesh again. That is impossible. But I can now surely kill the pains and pangs of this deplorable disease.

In Germany—with a Chemist in the City of Darmstadt—I found the last ingredient with which Dr. Shoop's Rheumatic Remedy was made a perfected, dependable prescription. Without that last ingredient, I successfully treated many, many cases of Rheumatism; but now, at last, it uniformly cures all curable cases of this heretofore much dreaded disease. Those sand-like granular wastes, found in Rheumatic Blood, seem to dissolve and pass away under the action of this remedy as freely as does sugar when added to pure water. And then, when dissolved, these poisonous wastes freely pass from the system, and the cause of Rheumatism is gone forever. There is now no real need—no actual excuse to suffer longer without help. We sell, and in confidence recommend

Does Not Color Hair

Ayer's Hair Vigor, as now made from our new improved formula, does not stain or color the hair even to the slightest degree. Gray hair, white hair, blonde hair is not made a shade darker. But it certainly does stop falling hair. No question about that.

Does not change the color of the hair.

Ayer's — Formula with each bottle. Show it to your doctor. Ask him about it, then do as he says

Indeed, we believe it will stop every case of falling hair unless there is some very unusual complication, something greatly affecting the general health. Then you should consult your physician. Also ask him about the new Ayer's Hair Vigor.

By-Law No. 2

A By-law of the Police Village of Priceville in the County of Grey to raise the sum of $1500 for the construction of cement or granolithic sidewalks in the said police village of Priceville.

Whereas the trustees of the Police Village of Priceville deem it advisable to raise the sum of $1500 for the construction of cement sidewalks on the following streets or parts of streets in said Police Village, viz: Kinross, Artemesia, Kincardine, Princess and Queen, the estimated costs of the said sidewalks being about eight cents per square foot.

And whereas to raise the said sum it will be necessary that the Township of Artemesia shall issue debentures for the sum of $1350 and the Township of Glenelg for the sum of $150, being the proportion required to be raised by each of the said townships under the provisions of the Consolidated Municipal Act, 1903, and amendments thereto, the total amount thereof, $1500, being the amount of the debt intended to be created by this by-law, the proceeds of the said debentures to be applied for the purposes aforesaid.

And whereas it is desirable to make the said debentures payable by yearly instalments during the period of ten years from the time this By-law shall come into effect (being the currency of the said debentures) with interest thereon at the rate of five per cent. per annum, such yearly sums to be of such amounts that the aggregate amount payable in each year for principal and interest in respect of the said debt shall be as near as possible equal to the amount so payable in each year of the other years of the said period.

And whereas the total amount required by the Consolidated Municipal Act, 1903, to be raised annually by special rate for paying the said debt and interest, as hereinafter provided, is the sum of $194.25, of which amount the sum of $174.82 shall be raised by the Township of Artemesia, and the sum of $19.43 by the Township of Glenelg.

And whereas the whole amount of the rateable property of the Townships of Artemesia and Glenelg, according to the last revised assessment rolls, is the sum of $1,259,548, and $74,175, respectively.

And whereas the whole amount of the rateable property of the said Police Village, according to the last revised assessment rolls, is the sum of $39,470, of which amount $35,675 is the amount of the rateable property of that part of the said Police Village within the limits of the Township of Artemesia, and $3,795 is the amount of the rateable property of that part of the Police Village within the limits of the Township of Glenelg.

And whereas the amount of the existing debenture debt of the said Township of Artemesia is $12,289.54, and no part of the principal or interest is in arrear, and the amount of the debenture debt of the Township of Glenelg is $1,407.01 and no part of the principal interest is in arrear.

And whereas there is no debenture debt chargeable against the Police Village of Priceville other than what is so chargeable against the said Police Village as part of the said Townships of Artemesia and Glenelg, respectively, and included in the sum heretofore mentioned.

Therefore the Police Trustees of the Police Village of Priceville enact as follows, viz.:

1. That it shall be lawful for the Police Trustees of the Police Village of Priceville to raise the sum of $1,500.00 in the manner prescribed by the Consolidated Municipal Act, 1903, and amendments thereto, and for such purposes to require the Township of Artemesia to issue debentures for the sum of $1,350.00, together with interest at five per cent. per annum, and the Township of Glenelg to issue debentures for the sum of $150.00 with interest at five per cent. per annum, being the proportions of the said total amount to be raised by the said townships respectively.

2. The said principal sum shall be payable in ten annual instalments with interest at the rate aforesaid annually during the said term, and the aggregate amount of such instalments of principal and interest shall be the sum of $194.25 in each year.

3. For the purpose of paying the said debt of $1500.00 and to cover the interest on the said amount as aforesaid, the sum of $194.25 shall be levied by a special rate over and above all other rates in the same manner and at the same time that other rates are levied upon the whole taxable property in the said Police Village of Priceville liable to be rated therefor in each year for the period of ten years from the date hereinafter mentioned for this bylaw to take effect during which the said debentures have to run. Of the said sum of $1,500.00 the sum of $174.82 shall be raised by the Council of the Township of Artemesia, and the sum of $19.43 by the Township of Glenelg, upon the proportion in the said Police Village of Priceville within the said townships respectively.

4. This By-law shall come into effect immediately after the final passing thereof.

5. This By-law shall be submitted for the assent of the electors of the said Police Village of Priceville under the provisions of the Consolidated Municipal Act, 1903, and amendments thereto, on Saturday, the twenty-first day of August, A.D. 1909. At the hour of nine o'clock in the forenoon the poll will be opened to take the votes of the qualified electors of the said Police Village of Priceville on said By-law, and the poll will close on the afternoon of the same day at five o'clock.

6. The place for taking poll will be at Watson's hall in the said village, and the returning officer shall be Neil McKinnon.

7. That on Saturday, the fourteenth day of August, A.D. 1909, at the hour of seven o'clock in the afternoon, at the said hall, the Police Trustees shall appoint in writing the persons to attend at the said polling place and at the final summing up of the votes on behalf of persons interested in or opposing respectively, the passing of this By-law.

8. That the Police Trustees and Returning Officer shall attend at said hall in the said Police Village at ten o'clock in the forenoon on the twenty-hird day of August, 1909, to sum up the votes given for and against this By-law.

Dated at Priceville this twenty-second day of July, A. D. 1909.

} Police Trustees.

NOTICE.

Take notice that the foregoing is a true copy of a proposed By-law which has been taken into consideration by the Police Trustees of the Police Village of Priceville and will be finally passed by the said Police Trustees in the event of the consent of the properly qualified electors being obtained thereto after one month from the first publication thereof in the Flesherton Advance newspaper, the date of which first publication is the 22nd day of July, A. D. 1909.

And at the hour, day and place therein fixed for taking the votes of the properly qualified electors the poll will be opened and held.

Farm Laborers' Excursions.

20,000 Men Wanted for Western Harvesting.

To meet the demand for farm laborers in Manitoba, Saskatchewan and Alberta special second class excursions will be run by the Canadian Pacific Railway from all Ontario stations. Cost of one-way ticket to Winnipeg is $10.00, and from Winnipeg to points where laborers contract to work they will be carried without charge. After at least one month's work in the harvest field, a ticket back to Ontario starting point will be issued at $18.00. Tickets are only good on Farm Laborers' special trains. Tickets will also be issued to women, but no half-rate for children. Leaving dates of excursions are as follows:—

August 19th and Sept. 7th, from all stations in the territory between Toronto-Sudbury line and Toronto Sarnia line of the Grand Trunk.

August 23rd and Sept 7th, from all C. P. and G. T. R. stations on Toronto-Sarnia line and south thereof (in Canada) and all stations in Ontario on M. C., P. M. and T. H. & B. Rys.

August 27th and Sept. 10th, from all stations east of Toronto-North Bay line, to and including Kingston, also stations, on C. O. and B. of Q. Rys. and stations on K. & P. south of Renfrew.

For the three excursions in August special trains will be run from all points on the C. P. R. If you are in any doubt as to date of excursion from your district apply to local C. P. R. agent, who will also furnish times of special trains, or write to R. L. Thompson, District Passenger Agent, C. P. R.., Toronto.

Those who came up from Toronto Tuesday night of last week on the special train of the union Sunday school excursion are complaining in no uncertain way of the recklessness of those in charge of the train and the lack of consideration they showed to passengers. At Crombies the train hardly more than slowed down, instead of stopping, and a couple of lady passengers were fairly hurled from the train in attempting to alight. At Shelburne the stop made was so short and the start away again so sudden and unexpected that there was time for only some of the passengers to get off safely. Others received bad falls and bruises in jumping off the moving train. And still others were carried to the upper end of the yards where angry pulls of the bell-rope brought the train to a standstill again and they were given a chance to get off. Railwaymen who get gay in this manner are not the kind who are fit for responsible positions where the lives of others depend upon their carefulness and levelheadedness.—Shelburne Economist.

A large vat which Wm. Schwalm had purchased for a cistern, and which was being moved into his yard on Tuesday night, suddenly tipped over and crushed John Becker against Thos. Etsell's gasoline engine. When removed, Becker was found to have sustained rather serious injuries, the lower portion of one of his ears being almost torn off and his face being badly lacerated and scratched. The accident robbed him of so much facial flesh that his own mother would have been pardoned and excused had she passed him by on the other side without noticing him.—Bruce Times.

Three young men, who had been indulging in a little open-air exercise on Sunday, had to appear before Police Magistrate, George Rutherford, to explain why he should not curtail their liberty and fine them. It not being established that the game was for stakes the trio were only invited to contribute $2.00 and costs (amounting in all to about $4.00 per man) to the public exchequer, the magistrate remarking in making his decision that had the charge of playing for stakes been established the fine would have been ten times as heavy.—Grand Valley Star.

Martin Bolger, of Proton township, was brought before Police Magistrate Ryan, of Ayton, on the charge of selling liquor without a license and fined $100 and costs. Provincial Officer Ayerst and a constable searched Bolger's premises and found a quantity of whisky, gin, ale and malt extract.—Grand Valley Star.

Rev. C. W. Cook, pastor of the Stayner Baptist church, died on Tuesday.

The hard work of bread-making should be done in the flour mill—not in the kitchen.

When it is necessary for you to make bread by main strength, the miller hasn't done his part. His flour is not fine enough.
