From our Correspondent.

At the annual meeting in the Stone school house. Mr. Thos. Kells was elected Trustee and Mr. John Boland, Auditor.

Mr. Thos. Boland has added the trade of brick-layer to his profession of money lender. He has just finished a splendid brick chimney at our school-house.

We have been unable to learn any of the particulars in connection with the dynamite or sheep transaction that should have taken place in this neighborhood some time ago; but we have been told of a very exciting pugilistic exhibition given in the school house last week, the combatants being two of our worthy citizens.

Mr. J. C. Buchanan has again taken up his daily walk across the valley, he having been engaged to teach the Eugenia school for the present year.

Mr. and Mrs. Gilbert of Wiarton, are visiting their friends of this place.

[The copy of above was misplaced and hence our worthy correspondent will understand why it did not appear last week. His short, newsy items have been sent to THE ADVANCE with wonderful regularity since our paper was started. Such correspondents are invaluable to a country paper.—ED.]

New Year's Festivities.

To the Editor of The Advance.

Sir,—Youth has its frivolties, and mature age its absurdities; but it is questionable whether the two classes could have been better illustrated than at a would-be "fashionable" in this locality last Wednesday evening, the 7th inst. The proceedings were opened by Tristram Shandy, wearing an uncouth dog-skin cap, striking up the "reel of Tullachgoram" on the bag-pipes. This was the signal for Don Brogan, the gallant heart-breaker of the evening, taking out Miss Jemima Slipshod-and-go-Easy, for a turn—inspired, as they were, by the tones of the spirited "call-master," whose dazzling white frills and faultless dress fluttered all female hearts present. Two brawny youths from Flesherton Station attracted much attention. One, whose *heavy* "lifts" on the floor didn't correspond with his weights in other things, was commented upon. The other kept the nervous portion of the young ladies in constant alarm by his nostril blowing like the shriek of a locomotive. The piper was momentarily raised to enthusiasm, and a full floor pranced to his enlivening strains, but as the "pipes" were not supplied with the necesssry cake and whiskey, the "Chanter" refused its melody. Additional steam was supplied and the company moved on as merry as a marriage bell; when an interlude took place upon the appearance of a benedict, who was supposed to have committed matrimony. Congratulations and secret lamentations followed, but all this was engulphed in the enthusiasm excited by the floor manager, in shirt sleeves and pants, devoid of coat, vest or shoes, and with a hay-band of three-inch thickness wound around his waist, kept the company in order, to the tune of the music, by the word of such musical command, as—do-cee-do—ladies chain—all hands around—balance, &c., when the company retired, satisfied with the enjoyments of the evening, and with themselves and each other. So may all friendships terminate.

THE FORCES STRENGTHENED.—The vital forces are strengthened and the entire system renovated and built up by Burdock Blood Bitters. It acts on the bowels, liver, kidneys and blood.

THE SIGNS OF WORMS—are well-known but the remedy is not always so well determined. Worm Powders will destroy them.

A Remarkable Escape.

Mrs. Mary A. Dailey, of Tunk hannock, Pa., was afflicted for six years with Asthma and Bronchitis, during which time the best physicians could give no relief. Her life was despaired of, until in last October she procured a Bottle of Dr. King's New Discovery, when immediate relief was felt, and by continuing its use for a short time she was completely cured, gaining in flesh 50 lbs. in a few months.

Free Trial Bottles of this certain cure of all Throat and Lung Diseases at W. Richardson's Drug Store. Large Bottles $1.00.

THE CHEAPEST AND BEST.—On account of its purity and concentrated strength and great power over disease, Burdock Blood Bitters is the cheapest and best blood cleansing tonic known for all disordered conditions of blood, iver and kidneys.

Catarrh—A New Treatment.

Perhaps the most extraordinary success that has been achieved in modern medicine has been attained by the Dixon treatment for Catarrh. Out of 2,000 patients treated during the past six months, fully ninety per cent. have been cured of this stubborn malady. This is none the less startling when it is remembered that not five per cent. of patients presenting themselves to the regular practitioner are benefited, while the patent medicines and other advertised cures never record a cure at all. Starting with the claim now generally believed by the most scientific men that the disease is due to the presence of living parasites in the tissue, Mr. Dixon at once adapted his cure to their extermination—this accomplished, he claims the Catarrh is practically cured, and the permanency is unquestioned, as cures effected by him four years ago are cures still. No one else has ever attempted to cure Catarrh in this manner, and no other treatment has ever cured Catarrh. The application of the remedy is simple, and can be done at home, and the present season of the year is the most favourable for a speedy and permanent cure, the majority of cases being cured at one treatment. Sufferers should correspond with Messrs. A. H. Dixon & Son, 305 King street west, Toronto, Canada, and enclose stamp for their treatise on Catarrh.—Montreal Star, Nov. 17, 1882.

FOR THE COMPLEXION,—For Pimples, Blotches, Tan, and all itching tumors of the skin, use Prof. Low's Magic Sulphur Soap.

KING'S EVIL

Was the name formerly given to Scrofula because of a superstition that it could be cured by a king's touch. The world is wiser now, and knows that

SCROFULA

can only be cured by a thorough purification of the blood. If this is neglected, the disease perpetuates its taint through generation after generation. Among its earlier symptomatic developments are **Eczema, Cutaneous Eruptions, Tumors, Boils, Carbuncles, Erysipelas, Purulent Ulcers, Nervous and Physical Collapse,** etc. If allowed to continue, **Rheumatism, Scrofulous Catarrh, Kidney and Liver Diseases, Tubercular Consumption,** and various other dangerous or fatal maladies, are produced by it.

Ayer's Sarsaparilla

Is the only powerful and always reliable blood-purifying medicine. It is so effectual an alterative that it eradicates from the system **Hereditary Scrofula,** and the kindred poisons of contagious diseases and mercury. At the same time it enriches and vitalizes the blood, restoring healthful action to the vital organs and rejuvenating the entire system. This great

Regenerative Medicine

Is composed of the genuine *Honduras Sarsaparilla,* with *Yellow Dock, Stillingia, the Iodides of Potassium* and *Iron,* and other ingredients of great potency, carefully and scientifically compounded. Its formula is generally known to the medical profession, and the best physicians constantly prescribe AYER'S SARSAPARILLA as an

Absolute Cure

For all diseases caused by the vitiation of the blood. It is concentrated to the highest practicable degree, far beyond any other preparation for which like effects are claimed, and is therefore the cheapest, as well as the best Blood purifying medicine, in the world.
