Heart Strength

Heart Strength, or Heart Weakness, means Nerve Strength, or Nerve Weakness—nothing more. Positively, not one weak heart in a hundred is, in itself, actually diseased. It is almost always a hidden tiny little nerve that really is all at fault. This obscure nerve—the Cardiac, or Heart Nerve—simply needs, and must have, more power, more stability, more controlling, more governing strength. Without that the Heart must continue to fail, and the stomach and kidneys also have these same controlling nerves.

This clearly explains why, as a medicine, Dr. Shoop's Restorative has in the past done so much for weak and ailing Hearts. Dr. Shoop first sought the cause of all this painful, palpitating, suffocating heart distress. Dr. Shoop's Restorative—this popular prescription—is alone directed to these weak and wasting nerve centers. It builds; it strengthens; it offers real, genuine heart help.

If you would have strong Hearts, strong digestion, strengthen these nerves—re-establish them as needed, with

Where is Your Hair?

In your comb? Why so? Is not the head a much better place for it? Better keep what is left where it belongs! Ayer's Hair Vigor, new improved formula, quickly stops falling hair. There is not a particle of doubt about it. We speak very positively about this, for we know.

Does not change the color of the hair.

VARICOCELE CURED

NO NAMES USED WITHOUT WRITTEN CONSENT.

Confined to His Home for Weeks.

"Heavy work, severe straining and evil habits in youth brought on a double varicocele. When I worked hard the aching would become severe and I was often laid up for a week at a time. My family physician told me an operation was my only hope—but I dreaded it. I tried several specialists, but soon found out all they wanted was my money. I commenced to look upon all doctors as little better than rogues. One day my boss asked me why I was off work so much and I told him my condition. He advised me to consult Drs. Kennedy & Kennedy, as he had taken treatment from them himself and knew they were square and skillful. I wrote them and got THE NEW METHOD TREATMENT. My progress was somewhat slow and during the first month's treatment I was somewhat discouraged. However, I continued treatment for three months longer and was rewarded with a complete cure. I could only earn $12 a week in a machine shop before treatment, now I am earning $21 and never lose a day. I wish all sufferers knew of your valuable treatment.

By-Law No. 2

A By-law of the Police Village of Priceville in the County of Grey to raise the sum of $1500 for the construction of cement or granolithic sidewalks in the said police village of Priceville.

Whereas the trustees of the Police Village of Priceville deem it advisable to raise the sum of $1500 for the construction of cement sidewalks on the following streets or parts of streets in said Police Village, viz: Kinross, Artemesia, Kincardine, Princess and Queen, the estimated costs of the said sidewalks being about eight cents per square foot.

And whereas to raise the said sum it will be necessary that the Township of Artemesia shall issue debentures for the sum of $1350 and the Township of Glenelg for the sum of $150, being the proportion required to be raised by each of the said townships under the provisions of the Consolidated Municipal Act, 1903, and amendments thereto, the total amount thereof, $1500, being the amount of the debt intended to be created by this by-law, the proceeds of the said debentures to be applied for the purposes aforesaid.

And whereas it is desirable to make the said debentures payable by yearly instalments during the period of ten years from the time this By-law shall come into effect (being the currency of the said debentures) with interest thereon at the rate of five per cent. per annum, such yearly sums to be of such amounts that the aggregate amount payable in each year for principal and interest in respect of the said debt shall be as near as possible equal to the amount so payable in each year of the other years of the said period.

And whereas the total amount required by the Consolidated Municipal Act, 1903, to be raised annually by special rate for paying the said debt and interest, as hereinafter provided, is the sum of $194.25, of which amount the sum of $174.82 shall be raised by the Township of Artemesia, and the sum of $19.43 by the Township of Glenelg.

And whereas the whole amount of the rateable property of the Townships of Artemesia and Glenelg, according to the last revised assessment rolls, is the sum of $1,259,548, and $74,175, respectively.

And whereas the whole amount of the rateable property of the said Police Village, according to the last revised assessment rolls, is the sum of $39,470, of which amount $35,675 is the amount of the rateable property of that part of the said Police Village within the limits of the Township of Artemesia, and $3,795 is the amount of the rateable property of that part of the Police Village within the limits of the Township of Glenelg.

And whereas the amount of the existing debenture debt of the said Township of Artemesia is $12,289.54, and no part of the principal or interest is in arrear, and the amount of the debenture debt of the Township of Glenelg is $1,407.01 and no part of the principal interest is in arrear.

And whereas there is no debenture debt chargeable against the Police Village of Priceville other than what is so chargeable against the said Police Village as part of the said Townships of Artemesia and Glenelg, respectively, and included in the sum heretofore mentioned.

Therefore the Police Trustees of the Police Village of Priceville enact as follows, viz.:

1. That it shall be lawful for the Police Trustees of the Police Village of Priceville to raise the sum of $1,500.00 in the manner prescribed by the Consolidated Municipal Act, 1903, and amendments thereto, and for such purposes to require the Township of Artemesia to issue debentures for the sum of $1,350.00, together with interest at five per cent. per annum, and the Township of Glenelg to issue debentures for the sum of $150.00 with interest at five per cent. per annum, being the proportions of the said total amount to be raised by the said townships respectively.

2. The said principal sum shall be payable in ten annual instalments with interest at the rate aforesaid annually during the said term, and the aggregate amount of such instalments of principal and interest shall be the sum of $194.25 in each year.

3. For the purpose of paying the said debt of $1500 00 and to cover the interest on the said amount as aforesaid, the sum of $194.25 shall be levied by a special rate over and above all other rates in the same manner and at the same time that other rates are levied upon the whole taxable property in the said Police Village of Priceville liable to be rated therefor in each year for the period of ten years from the date hereinafter mentioned for this bylaw to take effect during which the said debentures have to run. Of the said sum of $1,500.00 the sum of $174.82 shall be raised by the Council of the Township of Artemesia, and the sum of $19.43 by the Township of Glenelg, upon the proportion in the said Police Village of Priceville within the said townships respectively.

4. This By-law shall come into effect immediately after the final passing thereof.

5. This By-law shall be submitted for the assent of the electors of the said Police Village of Priceville under the provisions of the Consolidated Municipal Act, 1903, and amendments thereto, on Saturday, the twenty-first day of August, A.D. 1909. At the hour of nine o'clock in the forenoon the poll will be opened to take the votes of the qualified electors of the said Police Village of Priceville on said By-law, and the poll will close on the afternoon of the same day at five o'clock.

6. The place for taking poll will be at Watson's hall in the said village, and the returning officer shall be Neil McKinnon.

7. That on Saturday, the fourteenth day of August, A.D. 1909, at the hour of seven o'clock in the afternoon, at the said hall, the Police Trustees shall appoint in writing the persons to attend at the said polling place and at the final summing up of the votes on behalf of persons interested in or opposing respectively, the passing of this By-law.

8. That the Police Trustees and Returning Officer shall attend at said hall in the said Police Village at ten o'clock in the forenoon on the twenty-hird day of August, 1909, to sum up the votes given for and against this By-law.

Dated at Priceville this twenty-second day of July, A. D. 1909.

} Police Trustees.

NOTICE.

Take notice that the foregoing is a true copy of a proposed By-law which has been taken into consideration by the Police Trustees of the Police Village of Priceville and will be finally passed by the said Police Trustees in the event of the consent of the properly qualified electors being obtained thereto after one month from the first publication thereof in the Flesherton Advance newspaper, the date of which first publication is the 22nd day of July, A. D. 1909.

And at the hour, day and place therein fixed for taking the votes of the properly qualified electors the poll will be opened and held.

Dated at Priceville this 21st day of July, A. D. 1909.

Despatches from Teheran say the young Shah of Persia, aged 11, will soon be officially married despite his protests.

Amaranth voters will pass judgment on raising, by 15-year debentures, $7,800 to pay for the new bridges in the township.

A decision of importance to municipalities was handed out by the Court of Appeal at Toronto. In effect it holds that no traction engine can go on a bridge without laying plank. If one does so, any damage that results will be chargeable to the owner of the engine. In the case in question the Goodison Thresher Co. brought an action against the township of McNabb for damage to an engine under eight tons in weight, by the collapse of a bridge. No plank was laid but the plaintiff contended this unnecessary and the only reason for laying plank was to protect the floor of the bridge. The Court held, however, that without laying plank such an engine has no right on bridge and must so suffer consequences and not only dismissed the plaintiff's action but gave the township $77.90 for damage done to the bridge.

The Hillsburg Beaver relates this: Wednesday forenoon a large mud turtle, a regular leviathan of her species, emerged from the pond, walked a distance of about fifteen rods and deposited its eggs in a pile of sand on George street, in front of the residence of Mr. G. C. Lacey. The Canadian mud turtle may not be as steady on the job of egg-laying as the Canadian hen, but when it comes to numbers at a session, "old slow and steady" has poor biddy beaten to a frazzle, for this one laid no less than a dozen in a few minutes. While the poor brute's back was turned, the whole twelve eggs were swiped, and after hunting around in the sand for a few minutes, it showed its retiring disposition by going back to the pond. The eggs are almost perfectly globular, about three-quarters of an inch in diameter. They are covered with a hard shell, which is cream-colored. The eggs are semi-translucent.
