Golden Medical Discovery.

Then he clasped her with emotion,
Drew the maiden to his breast,
Whispered vows of true devotion,
The old, old tale, you know the rest.
From his circled arms upspringing,
With a tear she turned away,
And her voice with sorrow ringing,
"I shall not see my bridal day."

This dramatic speech broke him up badly; but when she explained that her apprehensions were founded on the fact of an inherited predisposition to consumption in her family, he calmed her fears, bought a bottle of Dr. Pierce's Golden Medical Discovery for her, and she is now the incarnation of health. Consumption fastens its hold upon its victims while they are unconscious of its approach. The "Golden Medical Discovery" has cured thousands of cases of this most fatal of maladies. But it must be taken before the disease is too far advanced in order to be effective. If taken in time, and given a fair trial, it will cure, or money paid for it will be refunded.

For Weak Lungs, Spitting of Blood, Shortness of Breath, Bronchitis, Asthma, Severe Coughs, and kindred affections, it is an efficient remedy.

OBITUARY.—LAURA MAUDA BRYANT.—The subject of this brief notice was the daughter of Mr. and Mrs. N. Thomas, Cambray, and widow of the late Samuel W. Bryant, Standard at Ashburn, December 11th, 1889, aged 23 years. Her husband preceded her to the better land about three years. She was a member of the Methodist church at Cambray, a faithful, consistent Christian and a teacher in the Sabbath school. Her sufferings though great were borne with Christian patience. To her this world seemed to have lost its charm. She longed to be with Christ, which [illegible] She experienced the presence to comfort and [illegible] heaven's portals when [illegible] ends of life stood still. The funeral [illegible] were conducted by Rev. G. Horton, preaching from Phil. 1, 21. The remains were then laid away in Pine Grove cemetery, Prince Albert. "We mourn not as those who have no hope."

ARCHBISHOP WALSH ON THE ANTI-CATHOLIC CRUSADE.—Archbishop Walsh delivered an important address at the De la Salle Institute Thursday afternoon on the subject of Roman Catholic education. He said he had all his life endeavored to cease to a Canadian priesthood, racial of the soil. He was a Canadian in heart, soul and sympathy. He admired the country, admired its constitution and admired its people. They should inculcate in their boys sentiments of patriotism and love of country, this was their country. It was true, he said, that an unprincipled, ignoble and wicked crusade was being preached against the Catholic minority in Upper Canada at this moment, but he had full confidence in the sense of justice of the Ontario people, and believed that this wave of fanaticism would not sweep them into any act of injustice against the minority. He could not forget the noble sentiments expressed by Hon. Mr. Blake, who said that the Protestant majority of Ontario should treat the Catholic minority not only with justice but with generosity. He heartily approved of those words, without, he added, saying whether he embraced Mr. Blake's politics or not.

OFF TO ENGLAND.—Mr. Thomas Jacques (who came to this country just six years and a half ago with Mr. Wm. Hancroft of Zion when on a visit to England) started last week to revisit the scenes of his early boyhood, where he purposes to spend the winter. A fact worthy of note in the success that attended Mr. Jacques, by his industry, frugality and temperate habits he has accumulated the handsome sum of $900. His many friends here wish him a safe voyage, pleasant visit and safe return.

SCHOOL NOTES.—Mr. Will. Burden, teacher of Port Hopper school, has been engaged for next year at an advance in salary, which is a deserved recognition of his services as an efficient and energetic teacher. Will is to be congratulated on his success. Mr. John Henderson has been engaged by the trustees of Fingerboard school for 1890. Mr. Manfred Shaver resigns Brandon school to attend the Lindsay collegiate institute.

PERSONAL.—Mrs. John Foster, who has been visiting with her son, Mr. George Foster, for the past month, has returned to her home in Downsville. Mr. and Mrs. Joseph Rodman of Peterborough are staying a short time with Mr. Rodman's mother.

UXBRIDGE.

THE DR. BLACK BANK FAILURE.—A meeting of the creditors of W. S. Black & Co.'s suspended private bank was called for Monday, and so many of the unfortunate depositors turned out that an adjournment was made from the bank premises to the council chamber. Mr. James West was appointed chairman and Mr. Chapple secretary. The inspectors, Messrs. Reidon and McGillivray, presented a statement of the financial condition of the institution, in which they showed that the Ontario bank have a claim of some $31,000, for which they hold as security notes amounting to over $40,000. The Ontario bank is therefore well secured. The depositors' claims amount to about $30,000, to meet which there are assets, aside from the excess held by the Ontario bank, valued as something over $6,000. The inspectors estimated the estate would pay in the vicinity of 35 cents on the dollar. They reported also that in going over the books, as far as they were able to judge, every transaction was straight and above board. Some of the statements which had been circulated to the effect that large sums had been withdrawn by Dr. Black and his friends just prior to the suspension had been found to be utterly unwarranted. No such thing had been done. They found, too, that at no time did it appear from the books that there was more than from $7,000 to $10,000 invested in the bank by the proprietor. After numerous questions had been asked by the creditors and answered by the inspectors and manager of the bank, a motion was made by Mr. McGillivray and seconded by Mr. Alex. Brown to the effect that the name of Mr. A. T. Button of Uxbridge be submitted as an appointee for that of Mr. Chapman at Toronto, the latter not being approved by a vote of 25 to 24. After some further routine business the meeting adjourned. Notwithstanding the report of the inspectors there are few creditors who look for more than 25 cents on the dollar.

ONTARIO COUNTY.

THE STEWART ABDUCTION CASE.—This case from Greenwood occupied the attention of the police court here Saturday, one Mrs. Lamont of Toronto being on trial on a charge of secreting the abducted child. It is one of those nasty little family rows which have been magnified by local talk into a big one and it will likely terminate in considerable scandal unless the child is restored. The parents live at Greenwood and are bound to have the child, and are backed by much sympathy in that quarter. A couple of the elder Stewart girls and another branch of the Stewart family live in Toronto and are bound to keep the child, which was abducted from the Greenwood public school. The Toronto police inspectors on some sentimental idea back the Toronto faction. The abduction being wholly illegal and being disclaimed against by many respectable people from around Greenwood, the county attorney feels bound to prosecute. The case was not finished and will again be taken up on the 28th.—[Chronicle.

ANOTHER BLAZE.—On Thursday morning last at five o'clock the fire bell began to peal out its unwelcome notes of alarm. In a few minutes a large number of the villagers were over all the bridges to the scene of destruction. It was the Rokeby hotel that was on fire, and when first noticed the smoke was coming out from a lamp room that was situated in the east end of the building. The fire engine was on hand in a very short time, but owing to a mistake by some person putting on the first fire in the engine it was some time before steam was up. However, in about twenty-five or thirty minutes everything was going all right and two fine streams of water were playing on the building, which was now almost enveloped in flames, but although the building was a heavy frame and burned with a fury the engine threw water enough to quench the flames to a large extent and it burned down quietly without any other building being in danger. Mr. Chas. Reynolds, the tenant, will lose about $300, and Mr. Jackson Reid, the owner, about $1,400 or $1,500. Mr. Reynolds gets $600 insurance and Mr. Reid $1,500.

CLOSED FOR THE HOLIDAYS.—After the public examinations, which were well attended in all the four rooms, and the promotion examinations were ended on Friday last, the schools were closed for the Christmas holidays and will not reopen till the 7th of January next.

BAD ROADS.—The recent heavy rains have spoiled the roads, the boys' sleighing on the marsh, and made things quite dull at the rink. However, this will change and the mercury will go out of sight in the thermometer, and we will be wishing for mild weather then.

COLD IN HEAD | CATARRH | THE 4 STAGES | CONSUMPTION | DEATH.

There is positive danger to health and life in neglecting a case of Cold in the Head or Catarrh, and at this season with its changeable weather, unusual moisture and sudden changes from heat to cold, there is peculiar liability to cold in the head. A neglected case of Cold in the Head rapidly developes into Catarrh, and neglected Catarrh just as certainly developes into Consumption and leads to premature Death. Medical testimony proves conclusively that a large percentage of all the deaths occurring from Consumption had their origin in a neglected Cold, which, by gradual stages, developed into Catarrh, and then into Consumption, that dread disease which [illegible] Science is as yet unable to cope successfully. If you are suffering from Cold [illegible] of the numerous symptoms of Catarrh, such as bad breath, dull [illegible] from the head into the throat, hawking and spitting, copious [illegible] discharges from the nostrils, [illegible] of smell, or taste becoming dull, hacking cough, [illegible] general feeling of debility, husky [illegible] a wheezing or cracking sound in your chest when [illegible] breathing, a feeling of tiredness and indisposition to exertion, a feeling of nausea in the morning when attempting to dislodge accumulations in the throat. Do not neglect them. These are but a few of the many symptoms of Catarrh, and if you experience any, BE WARNED IN TIME. Do not permit them to remain under the mistaken impression that the disease will eventually wear away. It will not, but on the contrary will wear you away as it has thousands before. Procure at once a bottle of NASAL BALM, the only certain and speedy cure ever offered the public for Cold in the Head and Catarrh. This is no idle assertion, but an unquestionable fact, which is verified by the thousands of testimonials in our possession telling of marvellous cures. These testimonials we have received from all parts of the Dominion, and we append a few, selected at random, as a fair sample of the whole:—

Mr. Alex. Burns, of Sudbury, Ont., says:—Gents, I may state that I have been affected with Catarrh for seven or eight years, and I was attended with consequent symptoms such as foul breath, constant dropping into the throat, hawking and spitting, partial deafness, ringing in the ears, and sickening pain in my head directly over either eye. I have used powders and douches, but all to no effect, the only result arising from the use of such was temporary relief, followed by the usual symptoms in a more aggravated form. The results arising from the use of Nasal Balm are sweet breath, stoppage of the droppings into the throat (consequently less hawking and spitting), clearness of hearing, and not once since I began its use have I had pain in the head. In fact, it is my opinion that by careful and persistent use of the "Balm" will effect a cure in the worst case of catarrh.

James H. McLean, Mink River Road, N.S., says:—I have tried other remedies for Catarrh, but received little or no good from them. Your NASAL BALM is certainly the BEST REMEDY I have tried, and all you claim for it. The fact that it is pleasant and convenient to use adds greatly to its value, but its chief worth lies in being a CERTAIN CURE for that unpleasant disease—Catarrh.

W. Chas. Hanley, postmaster, Sydney, N.S., says:—I submit the following to the public, that any who may be afflicted may be enabled to be fitted by the same remedy. Two bottles of your NASAL BALM has RESTORED to PERFECT HEALTH a four year old child of ours, suffering from Catarrh.

Henrietta Blackwell, Parker, Ont., says:—Your NASAL BALM is the BEST REMEDY I have yet used for Catarrh. I can breathe more freely than before and my breath has regained its sweetness. I consider NASAL BALM a boon to the suffering.

Miss Maggie M. Martin, Tweed, Ont., says:—Through a friend in Canada I became acquainted with your NASAL BALM. I have suffered for years with Catarrh, and it is the first remedy from which I have experienced relief, and I feel certain it will cure me.

Mrs. Minnie McNairn, Millbrook, Ont., says:—Your bottle of NASAL BALM did me much good. The pain in my head disappeared before I had used the bottle, and I find myself relieving the greater benefit from its use. NASAL BALM will cure my Catarrh if its use is persevered with.

Mr. John H. Adams, Merchant, Brantford, Ont., says:—I have used NASAL BALM for Catarrh, and found it to be a CERTAIN CURE.

Mr. Wm. Doyle, Beulah, Man., writes:—As a family medicine to check the catarrhal affections of Cold in the Head, NASAL BALM HAS NO EQUAL. We prize it highly.

Mr. A. Schlenzig, Toronto, says:—For a number of years my wife has been troubled with Catarrh. Dr. — promised to cure her, but after using his remedy for six months she became worse and weaker than before, and I found that I had spent $30 for medical treatment that did no good. My wife then began to use your NASAL BALM, and has improved wonderfully, and is better and stronger than for years. Your remedy is the best in the market and you can use this as testimony.

Emilie Pellitier, Grenville, says:—I can scarcely find words to tell you how highly I prize NASAL BALM. Its effects in my case have been wonderful.

Alpha H. Doles, Tarbert, Ont., writes:—Your NASAL BALM has made a new man of me. I have never used a remedy so satisfactory.

A CAUTION:—Beware of imitations. If your dealer has not NASAL BALM in stock do not let him persuade you to take any other remedy which he may say is just as good, but send direct to the undersigned and it will be sent you on receipt of price—50 cents and $1.00 a bottle.
