Stock Notes.
—Farmers and breeders throughout the district will consult their best interests by a careful study of our "great list of sires"—the only "directory" for stockmen.

—Report of recent sales of equine stock by Mr. T. W. Evans, Top Gallant Farm, Yelverton, Manvers, including several pure-bred Clydesdale stallions and fillies together with a couple of roadsters, as follows:—The Thistle (1940) (1843) to Messrs. Wesley Henders and William Philp of Yelverton, a beautiful dark bay, rising three years, that will stand inspection by any critic. To Mr. Robt. Taylor of Cartwright and Mr. J. McMillan of Clarke the three year old stallion Auchenleck (1839) (741) Though one of Mr. Evans's last sales this was one of the most promising animals on the farm. He is now in Clarke, and if we are not greatly mistaken will make a brilliant career at the exhibition this fall. He is a horse of gilt-edge pedigree and full of cut crosses. To Mr. Geo. Stapler of Lifford, the extensive and well-known breeder of shorthorn cattle, the promising filly Lily (Vol. xi., E. C. S. H.) (Vol. iv., C. C. S. B.) This young mare distinguished herself in last autumn's show rings, and will doubtless prove a valuable acquisition to Mr. Stapler's already fine stock of of Clydesdales..... To Mr Wm. Lytle of Kendal, Ont., the handsome four year old roadster stallion Clear Grit, sired by Kloom's Gold Dust, who as a four year old gained a record of 2.30. For quality and style Clear Grit is hard to excel, and doubtless will prove his blood if properly handled. To Mr. Thos. McGill, Manvers, the fine two year old road and carriage stallion, sired by Velentyne dam by Royal George, the dam of Pilot Chief. This is a very promising colt..... The last sale was a beautiful Arabian pietaid to Mr J. R. McMillan.

—The Arnprior Free Press says: "Dr. Hopkins will act as a substitute (?) for Lieutenant of the engine here during the absence of Mr. Gibson in the course of from 10 to 12 days of the month. Dr. Hopkins is a good fellow, but we question if he will be just the man for the place, for instead of the engineer being the whole thing and everybody else simply a cipher, the reverse will prevail with Mr. Hopkins, for all matters connected the department, and the position would have been but a cipher or if we presume to suggest an opinion would have been silenced."

Grand Military Concert.
The engagement of Miss Jessie Alexander, the celebrated elocutionist of Toronto, who is so favorably known to our citizens, for the grand military concert next Monday in the opera house was a wise move and will not lack appreciation by our citizens. Mrs. Church has also been engaged as violinist, which means a great deal to the enjoyment of the evening's programme. In addition are Miss Bate, Miss Aggie Jackson, Mr. Church, ex-Mayor Walters, Lieutenant Matthews, 57th Batt., P. R., Mr. Hardy's class of young ladies from the collegiate, the boys of "The Young Brigade" and the vets. of "The Old Brigade." The programme is a grand one. Reserved places at Porter's.

The steamer Dominion and palace scow will leave Lindsay at 7.30 a.m., calling at the different landings on route. No doubt a large number will avail themselves of the opportunity to witness the beautiful scenery of the lower lakes.

—We have received from Mr. T. C. Matchett, C. P. R. telegraph agent at Lindsay, a fine lithograph of the magnificent new board of trade building in Toronto. The Canadian Pacific Telegraph Co. are to occupy the whole of the ground floor, making a splendid and most convenient suite of offices. Some eight hundred line of new offices are to be constructed this summer, mainly in this section.

—A special meeting of the town council was held Friday evening last to discuss street and bridge matters and the action of the engineer in proceeding with work that was unauthorized. The session was a particularly lively one, and proved very amusing to the spectators. It was shown that the engineer had erred unintentionally, and the wrath of some of the members was allowed to simmer down upon the strict understanding that it was not to occur again.

—The annual meeting of the Lindsay canoe club was held Wednesday evening in the club boat house, when the following officers were elected for the current year: Captain, G. A. Henderson; mate, W. White; measurer, R. H. Hopkins; purser, Geo. H. Matthie; executive committee, Dr. Hood, H. Fowler, E. S. Martin, M. W. Kennedy and J. G. Edwards. The sale of racks resulted in some enthusiastic bidding under the diplomatic coaching of Mr. Henderson, who wielded the hammer..... Mr. C. E. L. Porteous, manager of the Bank of Montreal at Kingston, a valued member of the club, was present.

General Sporting Notes.
—A new lacrosse club has been formed in Surrey, England. The Canadian game is booming in England.

—Mr. T. W. Evans of Darnley Stock Farm, Yelverton, is now the happy possessor of the local trotting mare Dolly Wilson, and will no doubt have some fun with the district "flyers." "Dolly" was never in better fettel.

—Steve Brodie now acknowledges that he sent a dummy over the Niagara Falls, and that he will quit the dummy business for good. This same dummy was thrown from two or three bridges last season, and the public believed it was Brodie, who was stationed in the water under the bridges.

—Toronto Mail: "Mr. R. N. Harrison, who is looked upon as one of the best general all round athletes in America, is practicing steadily for the approaching summer games. In throwing the 56 lb weight he expects to distance all competitors this year, and it would not be surprising if he breaks the record."

—Gov. Leland Stanford's great string of trotters left San Francisco for Terre Haute, Ind., Sunday, to take part in the grand circuit races, under Charles Marvin's direction. The stable consists of Sunol, 4 years, 2 10¾; Palo Alto, 5, 2 12¼; Gertrude Russell, 7, 2 20¾; West, 10, 2.16¾; Cosmo, 4, no record; Amigo, 5; Wildmont, 3; Mercury Bell, 2, full brother to Bell Boy, no record.

—Poetts, the American champion amateur oarsman, left New York for England, where he will be a contestant in the Henley regatta for the single scull championship of England. Geo. Lee, the well known professional sculler, went along to train Poetts for the event. Before Lee returned home he succeeded in signing a number of matches. Poetts is in splendid condition and is rowing faster than ever.

—At a recent meeting of the National Trotting Association J. M. Allen of Kingston, Ont., and the bay gelding F. O. P., were expelled. It appears the bay gelding was complicated in slow claiming for a short time last season under the name of Tom Allen and must suffer disgrace through the dishonesty of his then owner..... Mr. Smith of Cobourg, who is now the owner of F. O. P., will no doubt take prompt steps to have the horse reinstated at once.

—The Orillia Driving Park Association are out with announcements for a two days meeting for trotting and runners on May 30th and 31st, with the following programme:—First day—Three minute trot, $100; 2.32 trot, $100; running race, mile heats, two in three, $125. Second day—2.40 class, $100; free for all trotters and pacers, $100; running race, half-mile heats, $50; hurdle race, $50; Orillia stakes, $150. Entries close on Saturday, The Orillia committee is now a member of the American Trotting Association and this fact together with the liberal purses and good track will ensure a success.

—Mr. M. Boyce of Peterboro was in town the week visiting friends. "Mr. M." is fast coming to the front as a trainer and driver of speedy horses, as the Peterboro trotting park and fairs of late years have proved to be his best "hunting grounds" for "winners." He says the year promises to be a lively one in the district "flyers." Mr. Boyce has a promising 2 year old colt, and intends to give him a good show for the stake at the Peterboro fair, and will no doubt give the Lindsay horses in his preliminary exercises, so to speak.

Royal Hand-Bell Ringers of London.
The above company of artists appeared at the White House, Washington, on 25th April, 1890, and we summarize their reception: "The highest honor which America can accord to any artists was conferred on the quintette of English Musical Specialists who are on their fourth tour of the United States. Their round of appearances, by command, before the crowned heads of Europe was followed by an invitation to entertain the president at the White House..... The guests, who included the cream of metropolitan society, about 100 in number, sat in a double crescent before the artists. After a short program of one hour, and 'Hail Columbia' and 'God Save the Queen,' at the request of Mrs. Harrison, they were presented to the president.... Then closing around the table came the company with 500 questions: 'How is it done?' and exclamations of 'How delightfully soft,' 'How very sweet,' etc.' They were then presented with beautiful and suitable mementos of their visit."..... This company of artists will appear in the opera house, Lindsay, on Wednesday next, May 21st.

Church Notes.
—Rev. B. Canfield Jones of Port Hope preached in St. Andrew's church last Sunday, exchanging pulpits for the day with Rev. Mr. Johnston.

—In Cambridge-st. Methodist church the Rev. Dr. Williams will preach on Sunday next, at 11 a.m. and 7 p.m. Evening subject, "The Communion of Saints."

—Rev. T. DeWitt Talmage writes: "The Royal Hand-Bell Ringers gave a highly satisfactory entertainment at Brooklyn Tabernacle, to a crowded audience. I can heartily commend them—their music is elevated and entertaining." ....In the opera house, Lindsay, May 12th.

—Last Sunday Rev. Mr. Marsh announced that in accordance with resolution of vestry the services of Mr. Wilson McCann had been engaged as curate, and that he would enter upon his duties next Sunday. Mr. McCann is a graduate of Toronto university and a third year student of Wycliffe.

—The Picton Times says: The last meeting of the official board of Cressy circuit was held here on Monday. Resolutions were carried unanimously inviting both preachers, Rev. R. Mallett, B.A., and Rev. H. Maguire, to remain another year, subject to the action of the stationing committee. Both these gentlemen are well-known in this district.

An Important Appeal Case Decided.
Judgment was given Monday by the court of appeal in the now celebrated case of Brady v. Sadlier, Dundas & Co. The defendants appealed from the judgment of the Queen's Bench Divisional Court (16 O.R. 49) reversing the judgment of Proudfoot, J. (15 O.R. 666). A crown patent, issued in 1852, conveyed to the plaintiff, Michael Brady, a tract of land "containing by admeasurement sixty acres, be the same more or less," and known as lot 9 in the 4th concession of the township of Opa, "exclusive of the lands covered by the waters of the Sheguiandah river, which are hereby reserved, together with free access to the river for all other purposes, lands and premises." The lot actually measured twenty-five acres, but the dry part was only sixty acres. At and before the issue of the patent there was a saw mill dam on the Sheguiandah river which raised the waters and flooded a portion of lot 8. The plaintiff did not subject to the flooding of lot 8 by the dam, but brought the action to restrain the defendants from so doing. The dam flooded the lot to the extent of about five acres by the use of trestles built upon the dam, which raised the water about 4 feet. The defendants contended that the defendants had no right by prescription or otherwise to overflow the lands by means of the trestle bands. The principal point of law in the case arose upon the construction of the patent. Judgment, Proudfoot, J., reversed the court below and gave judgment for the plaintiff, the court holding that the plaintiff had no right to the free water flowed, though the reservation of the water privilege in the patent, the effect of the grant was that the plaintiff had no right to the free water flowed, though the reservation of the water privilege in the patent, the effect of the grant was that the plaintiff had no right to the free water flowed. E. Meyers, Q.C., S. H. Blake, Q.C., and Jno. Shepley, Q.C., Toronto, for the appellants. Aylesworth, Q.C., Toronto, and Hugh O'Leary, Q.C., Lindsay, for the respondents.
