It is reported that there is a mad dog in our part of the country. He is being hunted down with guns.

Did you see Santa? Well we did. On Friday eve, about eight o'clock, the jingle of what seemed a hundred bells might be heard rushing up the lane. Santa Claus jumped out of the sleigh, and ran into the house. Being early, he did not need to enter through the chimney, but through the door, and left presents for old and young, though I think he favored the old better. By the time the elf in the sleigh had turned around he was gone before we could catch him. The reason for so early a visit, we think must have been because he is getting so old he does not like to be out late at night.

Dr. Hamilton's Pills Cured

"I think it should be the duty of the schools to teach children how to keep well," writes Miss Nannie E. Naydon, a well-known and highly esteemed resident of Bristol. "Ignorance of the laws of health and the use of improper remedies destroyed my vigor, and led me to the verge of invalidism. I was as a girl ruddy and strong. Nothing seemed to affect me until I was about thirty. Then gas began to form in the stomach. I suffered with bloating and a general failure in strength set in. If I went upstairs my breath hurt. My system was very irregular, and until I grew pretty bad I didn't pay much heed to my condition. Then I got blue, worried all the time, wakened in the night, and couldn't get to sleep again. None of the medicine I took helped me. One day I was reading of a very interesting case like mine cured by Dr. Hamilton's Pills. I took the same treatment. It was just right—didn't physic me to death, but took hold of the weak, sick parts of my system, and set things right. It seems as if Dr. Hamilton's Pills have made me young again, and all my color, spirits, vigor, and health of former days have returned to stay."

Every girl and woman should use Dr. Hamilton's Pills regularly. They help a woman in many ways. Beware of the dealer who asks you to take an inferior pill on which his profit is larger than on Dr. Hamilton's. Sold in yellow boxes, 25c per box, all dealers, or The Catarrhozone, Co., Kingston, Ont.

Catarrhal Deafness

Successfully Treated By

Catarrhozone

Deafness is not so common as blindness, yet thousands are more o less afflicted by it, and their comfort seriously interfered with.

Catarrhal deafness manifests itself but slowly, yet it must be acknowledged that the great majority of those who become totally deaf might have averted this unfortunate condition if they had treated the catarrhal inflammation at its beginning.

The only remedy that can be safely employed for all forms of catarrhal deafness is Catarrhozone. You simply charge the air you breathe with this healing, soothing agent, and by forcing it gently through the ears destroy the germ life which keeps up the inflammation, and at the same time by the soothing, healing action it heals the inflamed surfaces of the middle ear.

CATARRHOZONE, to those who are just a little deaf, and are growing increasingly deaf, is an agent capable of affording the utmost satisfaction, and its use is attended without danger, and as the treatment can be carried on at home no person threatened with the affliction of deafness should postpone one moment in beginning its use.

From every part of the Dominion glowing accounts of the beneficial action it exerts upon catarrhal conditions of the middle ear have been sent in, and you will be resorting to the only method of cure, and the simplest method too, if you try Catarrhozone. Dealers everywhere sell it, 25c, 50c, and $1.00. By mail from The Catarrhozone Co., Buffalo, N. Y., and Kingston, Ont.

Hatherton

Genuine winter weather—lots of snow—sideroads almost impassible to heavy loads.

The Christmas tree held in connection with our Sabbath school was a decided success. Although the night was stormy the schoolhouse was comfortably filled. A choice program was given by children and home talent. Solos by Master Willie Winters and Bertie Young, also a motion song by six girls were heartily applauded. A dialogue entitled "A Christmas Reunion" was a good feature. Characters were as follows: Father Christmas, Robert Down; Mother Goose, Mrs. Jesse Arnott; Santa Clause, Frank Seeley; Jack (Mother Goose's son) W. Seeley, and a large number of school children also took part, which made it a very fine play, every one doing his part well. R. Davidson of Centre Line made an excellent chairman in the absence of Rev. Mr. Stanley, who was unable to be present. Each child received a present and bag of candies, while the teachers were remembered by their scholars. Much credit is due Miss Dales, who so kindly assisted in the training of the children.

Mr. Taylor and Miss Susie Parker of Singhampton attended the S. S. entertainment.

A number from here attended the Christmas tree and entertainment held in Wareham last Tuesday evening, also the fowl supper in the hall, Maxwell, by the Presbyterian congregation and report a good time.

Miss Bessie Seeley is home from Dundalk.

John McQuay sustained a heavy loss last week in the loss of a valuable mare which was kicked by its mate, death resulting.

Mr. and Mrs. James Gordon left last Wednesday for an extended trip through Michigan. While away they will be the guest of the former's brother, Rev. Robt. Gordon, who is a successful Congregationalist minister, and well known in these parts.

Miss Dales, Mrs. Down and little daughter, Wilma, are spending Christmas week with friends in Heathcote.

Mr. and Mrs. Will Findlay of Markdale spent Christmas with the latter's mother, Mrs. E. Seeley.

Eva, the little daughter of Mr. and Mrs. Jas. Arnott, who has been very ill with bronchitis is slowly improving.

Misses Alice Seeley and Bertha Winters are home from Dundalk for the Christmas holidays.

T. Grummett and sisters, Ethel and Sarah, also Mr. H. Mills from Honeywood attended our S. S. entertainment.

Swinton Park.

We wish ye Editor, his family and staff a happy and prosperous New Year.

The Sunday school entertainment, which was given in the Methodist church here on the 17th, was a decided success, also the Sunday school entertainment which was given in the Presbyterian church on the 21st. Those who trained the children for these entertainments deserve great credit. Santa Claus appeared and delighted the children with the lovely presents from the trees.

Some of those who were home to enjoy their Christmas dinner are; Mr. Herb Campbell from the west, Mr. John Paralow from the west, Miss Isa Campbell from Stratford, Miss Flossie Campbell from Toronto, Mr. Willie Campbell, from Toronto, Mr. Dan Ferguson and son from Orangeville, Miss Edith McNalty from Toronto, and Miss Alice Wilson from Toronto.

Wedding bells will ring around the Park this week. Particulars later on.

WHAT every cook should know is, which wheat makes the best flour, and why.

Winter wheat is put into the ground in the fall, but does not ripen until the following July. It matures slowly, is soft and very starchy.

Spring wheat is sown in April or May, and ripens in August. It's a flinty, translucent wheat, rich in gluten and contains nearly twice as much nutriment as winter wheat.

Royal Household Flour

is made entirely from the hard, nutritious spring wheat, carefully selected from all the wheat of this kind grown in Canada.

Royal Household is fine, light and pure—milled by the most improved methods—in a mill as clean as your own kitchen.

Ask your grocer for Ogilvie's Royal Household — just enough to try. You won't mind the slight advance in cost when you see the results in your bread and pastry. 21
