Alcohol not needed

Ayer's Sarsaparilla is not a strong drink. As now made, there is not a drop of alcohol in it. It is a non-alcoholic tonic and alterative. Ask your own doctor about your taking this medicine for thin, impure blood. Follow his advice every time. He knows.

Ayer's — We publish our formulas. We banish alcohol from our medicines. We urge you to consult your doctor

Ask your doctor, "What is the first great rule of health?" Nine doctors out of ten will quickly reply, "Keep the bowels regular." Then ask him another question, "What do you think of Ayer's Pills for constipation?"

—Made by the J. C. Ayer Co., Lowell, Mass.—

Milling in Ontario.

GREAT NATIONAL INDUSTRY IS CENTRING HERE.

The Maple Leaf Company Will Have a Daily Capacity of 12,800 Barrels of Flour When the Port Colborne Mill is Added to Present Plans.

The official announcement of the organization of the Maple Leaf Milling Company, Limited, indicates that Ontario is coming into its own in the milling industry. This company, besides having five its six mills situated within the Province, will have a total daily capacity almost equal to that of any of the other companies operating in Canada. Prominent Toronto interests are identified with the organization of the new company, along with the interests who have been for some years past behind both the Maple Leaf Flour Mills Company, Limited, and the Hedley Shaw Milling Company, Limited.

Among these Toronto interests are Mr. Cawthra Mulock, and Mr. C. W. Band, and both Mr. D. C. Cameron, the former President of the Maple Leaf Flour Mills Company, Limited, and Mr. Hedley Shaw, who has been General Manager of the Maple Leaf Flour Mills Company, Limited, will retain their active interest in the new concern, the Board of Directors including, in addition to these four gentlemen, Mr. John I. A. Hunt, President of the Goderich Elevator and Transit Company, Limited; Mr. Chas. Wurtele, Vice-President of the National Iron Works, Limited; Mr. John Carrick, Secretary of the Maple Leaf Flour Mills Company, Limited, and Mr. Hedley Shaw, of Toronto, Managing Director of the Maple Leaf Milling Company, Limited.

When taking over the Maple Leaf Flour Mills Company, Limited, and the Hedley Shaw Milling Company, Limited the interests behind the new company have placed in the treasury $1,000,000 of additional cash capital, which, besides permitting the completion of a modern 6,000-barrel mill, a 1,000,000-bushel elevator at Port Colborne and the erection of some fifteen new elevators within the western wheat belt, will provide it with further working capital.

The new company will when the new mill at Port Colborne is completed have a daily capacity of 12,800 barrels of flour. The mills of the company are situated at Kenora, St. Catharines, Thorold, Welland and Port Colborne, (the latter in course of construction), and at Brandon in the Province of Manitoba.

Ontario will have a particular interest in watching the results achieved by the operation of the new big plant at Port Colborne, as experts state that a mill erected at such a point will enable the new company that owns it to lay down its flour at almost every point in Canada or at the Atlantic seaboards in Canada, in Great Britain and in the foreign markets of the world at a much lower rate than can be done by any other concern that has to alternate from any other point in the country.

Up to the present time Montreal has been rather the headquarters of the big milling concerns, but the organization of this company makes it look as though Toronto would rival the older city in still another industry by being the headquarters of the concern, the total output of which will be equal to that of any one concern in the country.

A dog was shot in Owen Sound last week which proved to have the rabies, and considerable excitement is the result.

South Line, Artemesia

Last Week's Budget.

Mr. and Mrs. W. Richardson were guests at the home of Mr. S. McDonald, Sunday.

Mr. and Mrs. S. Bowles, Vandeleur, were callers at the home of Mr. A. Dingwall, on their way to visit friends in Egremont.

Mr. James Prichard, formerly of Montreal, moved to his farm purchased from Mr. Sam Bachelor. We wish him success. Mr. Fred Nesbitt is assisting Mr. Prichard with his farm work.

Mr. S. Bacheler and Mr. John Carson, Proton Station, spent Sunday at the home of Mr. J. Prichard, "Klondike Farm."

Mr. Will Dingwall, accompanied by his sister, Louise, spent Sunday with friends near Proton Station.

The lagrippe is prevalent in this vicinity at present. Young as well as old are suffering from it.

Miss Beatrice Watters, O. D. R., spent a few days recently with her aunt, Miss Emily Huddy.

This Week's Budget.

Mr. and Mrs. Alex Richardson of Swinton Park were guests at Mr. Jos. Ferris' on Sunday.

Master Farquhar Oliver gave a birthday party to a number of his little friends recently.

Mr. and Mrs. Wm. Dingwall and little son, Oswald, Hopeville, spent Sunday at the home of Mr. A. Dingwall.

Mr. Sandy McDonald of this line had a narrow escape the other day from being struck by lightning. He was purchasing hay from Mr. E. Pallister, Proton, and was loading hay in the barn the time the electric storm passed over that vicinity. The lightning struck the ventilator on the barn and came down through it and passed out the open door near where he was working. He had a narrow escape, but, as it was, he was more scared than hurt. Sandy says he came pretty near being on the golden stair.

We are pleased to hear that Mrs. D. McDougal, who has been laid up with a sore eye for the past few weeks, is improving nicely under the care of Dr. McCormick of Durham.

Miss Watson, Bridell, has become a resident of this neighborhood and is at present with Mrs. James Oliver, "Cape Horn Farm."

Mr. James Hay gave a "social hop" to a number of young people recently. All speak well of their good time.

School reopened again on Monday after being closed for the past week, the teacher, Mr. H. B. McKinnon, being laid up with a severe attack of lagrippe. Glad to see Mr. McKinnon around again.

THE MARKETS.

Carefully Corrected Each Week

Wheat	1 00 to 1 00
Oats	34 to 34
Peas	75 to 75
Barley	45 to 50

Notice To Creditors.

In the matter of the estate of Mary McRae, late of the Township of Artemesia in the County of Grey, Married Woman deceased.

NOTICE is hereby given pursuant to the revised Statutes of Ontario, 1897, Chap. 129 that all the creditors and others having claims against the estate of the said Mary McRae, who died on or about the ninth day of April, 1910, are required on or before the 28th day of May 1910, to send by post prepaid or deliver to Alexander Muir, Ceylon, Ont., or to John McFayden Ceylon, Ont., Executors of the last Will and Testament of the said Mary McRae deceased, their christian and surnames, addresses and descriptions, the full particulars of their claims, the statement of their accounts and the nature of the securities (if any) held by them.

AND FURTHER TAKE NOTICE that after such last mentioned date the said executors will proceed to distribute the assets of the deceased among the parties entitled thereto, having regard only to the claims of which they shall then have notice, and that the said executors will not be liable for the said assets or any part thereof to any person or persons of whose claim notice shall not have been received by them at the time of such distribution.

W. H. WRIGHT,
Solicitor for Executors,
Alexander Muir and John McFayden
Dated April 23rd, 1910.

A Grateful Mother

Tells of Her Daughter's Recovery.

A mother will always be worried and anxious if one of her daughters should be affected; that from any cause the natural functions of the body become retarded or suppressed. Any irregularity, especially in a growing girl, is apt to be the forerunner of a long chain of sickness, not unfrequently followed by pernicious anaemia or consumption.

"My daughter had just passed her sixteenth year when, owing to an exposure at an inopportune time, an important action of the system ceased." So writes Mrs. Thomas E. St. Nicholas, of Manchester South. "Stella was subject to violent nose bleed—was hysterical and borne down by fits of mental depression. She grew listless and debilitated, and her progress at school was prevented by frequent small ailments which kept her at home. After using Ferrozone six or seven weeks, some signs of improvement came, but not sufficient to show that she would grow natural again. It was fully three months after she had been using Ferrozone before my worry was over. After that her system became natural and regular. I cheerfully recommend Ferrozone for all troubles incident to girlhood and womanhood."

Ferrozone Builds Up Weak Girls

Ferrozone is a womanly tonic that supplies to the blood and nerves the qualities that are lacking when health is poor. No medicine is so nourishing—so full of life and vigor-making properties. Try one or two Ferrozone Tablets with your meals—watch the result. Fifty cents a box, six for $2.50, all dealers, or The Catarrhozone Co., Kingston, Canada.
