The Finch Social.

To the Editor of the Advance.

Sir,—The latest sensation from—(well, never mind, it's in Artemesia anyway)—is the Finch social. This social differed from the common run, inasmuch as that the proceedings were opened by the great and only Flapnoodle of the West, who, with about 40 yards of Dundas factory cotton wrapped around his manly bosom—no, I mean his finger—played the great tune of "Gillcallum." This was the signal for the renowned Proton Thrathspay dancer, who soon had the undivided attention of the audience, but the "gurrel wid the purty knitted cap tuk the bun bedad d'ye moind!" The finding of some forty-rod by one of the fair sex occasioned great excitement, especially to the person who called the assembly together. The grand transformation scene was also a matter for profound cogitation; for how a member of the male sex could change himself so that his identity was lost in that of the opposite "persuasion," was and is a mystery as yet unexplained by our leading scientific luminaries.

The comic song by an esteemed and venerable personage of the old school, in which Phillip McGroggen joined in the chorus, elicited such outbursts of applause as, "By jolly, boys, the singer wins the day!" The presence of a number of the leading lights of Priceville tended to make the social pass off in a royal manner.

Yours truly,

ONE OF THE SCHOOL BOYS.

Feversham News.

(From our own Correspondent.)

A wedding party from Collingwood Tp. visited this place on the 18th. They made things lively for a short time.

The Trustees of Feversham school recently placed ten new seats in the school room which were greatly needed in order to seat properly all the pupils of the school.

Sunday, the 15th inst., was so stormy that no services were held in any of the churches. Even the "Army" meetings were not held, so that some idea may be formed of the severity of the storm.

The Union Sunday School, held in the Presbyterian chapel, has been very poorly attended this winter owing to the severity of the weather. It is altogether likely that the school will be closed until warmer weather sets in.

The partial eclipse of the sun on the 16th was visible here. Every now and then the sun's disc could be seen through the drifting storm clouds without the aid of smoked glass. It is not often that old Sol looks like the moon in the first quarter.

It is expected a change for the better will be made in our mail route. The mail will then leave here about 7 a.m., call at Maxwell, and meet the mail train at Flesherton at 11:35 a.m. Then return and reach here at 4 p.m. NED.

Horsemen, Attention!

When your horse is galled, scratched or cut, or has any ugly sore, bathe twice daily, and apply McGregor & Parke's Carbolic Cerate. It is undoubtedly the finest healing and cleansing application for it. Be sure you get McGregor and Parke's. Sold for 25c. per box, at Richardsons Drug Store.

AYER'S Cherry Pectoral.

No other complaints are so insidious in their attack as those affecting the throat and lungs: none so trifled with by the majority of sufferers. The ordinary cough or cold, resulting perhaps from a trifling or unconscious exposure, is often but the beginning of a fatal sickness. AYER'S CHERRY PECTORAL has well proven its efficacy in a forty years' fight with throat and lung diseases, and should be taken in all cases without delay.

A Terrible Cough Cured.

"In 1857 I took a severe cold, which affected my lungs. I had a terrible cough, and passed night after night without sleep. The doctors gave me up. I tried AYER'S CHERRY PECTORAL, which relieved my lungs, induced sleep, and afforded me the rest necessary for the recovery of my strength. By the continued use of the PECTORAL a permanent cure was effected. I am now 62 years old, hale and hearty, and am satisfied your CHERRY PECTORAL saved me.

HORACE FAIRBROTHER."

Rockingham, Vt., July 15, 1882.

Croup.—A Mother's Tribute.

"While in the country last winter my little boy, three years old, was taken ill with croup; it seemed as if he would die from strangulation. One of the family suggested the use of AYER'S CHERRY PECTORAL, a bottle of which was always kept in the house. This was tried in small and frequent doses, and to our delight in less than half an hour the little patient was breathing easily. The doctor said that the CHERRY PECTORAL had saved my darling's life. Can you wonder at our gratitude? Sincerely yours,

MRS. EMMA GEDNEY."

150 West 128th St., New York, May 16, 1882.

"I have used AYER'S CHERRY PECTORAL in my family for several years, and do not hesitate to pronounce it the most effectual remedy for coughs and colds we have ever tried. A. J. CRANE."

Lake Crystal, Minn., March 13, 1882.

"I suffered for eight years from Bronchitis, and after trying many remedies with no success, I was cured by the use of AYER'S CHERRY PECTORAL. JOSEPH WALDEN."

Bydalia, Miss., April 5, 1882.

"I cannot say enough in praise of AYER'S CHERRY PECTORAL, believing as I do that but for its use I should long since have died from lung troubles. E. BRAGDON."

Palestine, Texas, April 22, 1882.

No case of an affection of the throat or lungs exists which cannot be greatly relieved by the use of AYER'S CHERRY PECTORAL, and it will *always cure* when the disease is not already beyond the control of medicine.
