By-Law No. 12

OF THE MUNICIPAL CORPORATION OF THE VILLAGE OF FLESHERTOTN

A By-Law to raise the sum of two thousand dollars by the issue of debentures of the said Corporation for the purpose of constructing cement sidewalks in the said Village.

Whereas the Municipal Council of the Corporation of the Village of Flesherton has determined and agreed to raise the sum of two thousand dollars for the construction of cement sidewalks in the said village.

And whereas for the purpose of raising the money for carrying out the said work it is expedient and necessary to provide the sum of two thousand dollars by the issue and sale of debentures of the said Corporation for the sum of Two Thousand Dollars (which is the amount of the debt intended to be created by this by-law) bearing interest at the rate of five per centum per annum as hereinafter provided.

And whereas it is desirable to issue the said debentures at one time and make the principal of the said debt and interest thereon payable by yearly sums during the period of twenty years, being the currency of the said debentures, said yearly sums being of such amounts that the aggregate amount payable in each year for principal and interest in respect of said debt shall be as nearly as possible equal to the amount so payable in each of the other years of the said period of twenty years.

And whereas the sum of one hundred and sixty 49-100 dollars is the total amount required by the Consolidated Municipal Act 1903, to be raised annually by special rate for the period of twenty years for paying the said debt and interest.

And whereas the total amount of the whole rateable property of the said Village of Flesherton, according to the last revised assessment roll, is $114,944.00.

And whereas the amount of the existing debenture debt of the said village is $2180.00 and no part of the principal or interest is in arrear.

Now therefore the Municipal Council of the Corporation of the Village of Flesherton enacts as follows :

1 That for the purpose of raising the sum of $2000 for the purposes aforesaid, twenty debentures of the said Corporation, each for the sum of $160.49, shall be issued on the first day of October, A. D. 1912, each of which debentures shall be dated on the date of the issue thereof and shall be payable within twenty years thereafter, namely on the first day of October, A.D. 1913, and on the first day of October in each of the next succeeding nineteen years respectively at the office of the Standard Bank of Canada in the said Village of Flesherton.

2 Each of the said debentures shall be signed by the Reeve and Treasurer of the said Village, and the Village Clerk shall attach thereto the corporate seal of the municipality.

3 The said debentures shall bear interest at the rate of five per centum per annum, payable yearly at the said bank on the first day of October in each and every year during the currency thereof, which interest is included in the amount of the said debentures.

4 During the currency of the said debentures there shall be raised annually by special rate on all the rateable property of the said village the sum of $160.49 for the purpose of paying the amount due in each of the said years for principal and interest in respect of the said debt as shown in Schedule A hereto annexed.

5 This Bylaw shall come into force and take effect forthwith after the final passing thereof by the Council.

6 The votes of the electors of the Village of Flesherton entitled to vote thereon shall be taken on this Bylaw on Friday, the twentieth day of September, A.D. 1912, at the Town Hall in the said village, and the Village Clerk shall be the Returning Officer, and Thomas Bulmer shall be the Poll Clerk. The poll shall open at nine o'clock in the forenoon and shall close at 5 o'clock in the afternoon of the same day.

7 On Monday, the sixteenth day of September, A.D. 1912, at the hour of eight o'clock in the afternoon, the Reeve of the said Village shall attend at his office in the said Village for the purpose of appointing in writing persons to attend at the said polling place and the final summing up of the votes by the Clerk on behalf of the persons interested in and desirous of promoting or opposing the passing of this Bylaw respectively.

The Clerk of the said Municipal Corporation shall attend at his office in the said village at one o'clock in the afternoon on Saturday, the twenty-first day of September, A.D. 1912, to sum up the number of votes for and against this Bylaw.

Read a first and second time in open Council the twenty-third day of August, A.D. 1912.

TAKE NOTICE that the above is a true copy of a proposed Bylaw which has been taken into consideration and which will be finally passed by the Municipal Council of the Village of Flesherton (in the event of the assent of the electors being obtained thereto) after one month from the first publication of the said Bylaw in the Flesherton Advance newspaper, the date of which first publication being Thursday, the 29th day of August, A.D. 1912, and the votes of the electors of the said Municipality will be taken thereon at the polling place mentioned therein on the twentieth day of September, A.D. 1912, between the hours of nine o'clock in the forenoon and five o'clock in the afternoon.

Special Notice to Leaseholders.

And further take notice that in order for a leaseholder to qualify for voting on the said Bylaw he must at least ten days before the voting file with me a statutory declaration that his lease contains a covenant whereby he agrees to pay all municipal taxes in respect of the property leases and that the lease extends for the period of time within which the debt to be contracted or the money to be raised by the said Bylaw is made payable and the names of leaseholders neglecting to file such declaration shall not be placed on the voters' list for such voting.

Village Clerk.
