The Victoria Warder

THURSDAY, MAY 9, 1878.

SELF PROPORTION

FOR fifteen years now the gathering has been in Ontario the thicker grew the number of young lawyers in Canada in proportion to other students. One by one we saw them come from the universities and all manner of other schools, only waiting for admission to be hurled before parents and guardians with the cry, "Behold, I am a lawyer!" Year after year we saw the ranks of the profession swelled by the accession of young men
