WARREN LELAND,

whom everybody knows as the successful manager of the

Largest Hotel Enterprises

of America, says that while a passenger from New York on board a ship going around Cape Horn, in the early days of emigration to California, he learned that one of the officers of the vessel had cured himself, during the voyage, of an obstinate disease by the use of

Ayer's Sarsaparilla.

Since then Mr. LELAND has recommended AYER'S SARSAPARILLA in many similar cases, and he has never yet heard of its failure to effect a radical cure.

Some years ago one of Mr. LELAND'S farm laborers bruised his leg. Owing to the bad state of his blood, an ugly scrofulous swelling or lump appeared on the injured limb. Horrible itching of the skin, with burning and darting pains through the lump, made life almost intolerable. The leg became enormously enlarged, and running ulcers formed, discharging great quantities of extremely offensive matter. No treatment was of any avail until the man, by Mr. LELAND'S direction, was supplied with AYER'S SARSAPARILLA, which allayed the pain and irritation, healed the sores, removed the swelling, and completely restored the limb to use.

Mr. LELAND has personally used

Ayer's Sarsaparilla

for **Rheumatism,** with entire success; and, after careful observation, declares that, in his belief, there is no medicine in the world equal to it for the cure of **Liver Disorders, Gout, the effects of high living, Salt Rheum, Sores, Eruptions, and all the various forms of blood diseases.**

We have Mr. LELAND'S permission to invite all who may desire further evidence in regard to the extraordinary curative powers of AYER'S SARSAPARILLA to see him personally either at his mammoth Ocean Hotel, Long Branch, or at the popular Leland Hotel, Broadway, 27th and 28th Streets, New York.

Mr. LELAND'S extensive knowledge of the good done by this **unequalled eradicator of blood poisons** enables him to give inquirers much valuable information.

Obituary.

From The Kellogg Enterprise.

Miss Jane Pedlar was born in Cornwall county, England, December 24th, 1842, and died at Kellogg, September 17th, 1881, aged 39 years, 9 months and 23 days.

She emigrated with her parents from England to Canada at the age of 6 years. She was married to Thomas W. Birchard. June 1st, 1859, and with her husband removed at once to Kansas and from there came to Iowa in 1861.

She has lived in Kellogg and vicinity for the past eighteen years.

In 1864, she with her husband, united with the U. B. church and remained a member of that church until within two months of her death when she gave her name to the Methodist Episcopal Church at Kellogg, the society of her own church having disbanded.

Her illness lasted nearly three years and was attended by much suffering, all of which she endured with great patience and resignation. Especially was this the case during the last year of her illness. Never was there a brighter example of cheerful christian patience than she exhibited until extreme weakness and suffering had done their work and she passed away to the better land.

She was at all times filled with abounding confidence in the Lord, and when questioned in regard to her hope, she quickly and cheerfully gave assurance that all was well, and spoke of dying as only a pleasant change.

As a wife and mother she was a model of faithfulness, and her memory will ever be to her husband and children as ointment poured forth. Her great concern was for the welfare of her family and most of all was it her desire that they might be the followers of Christ and meet her in the heavenly kingdom. Her place is vacant here below but the angels rejoice over the coming of another to join the ranks of the redeemed in heaven. May we also die the christian's death and share with her the christians eternal joy.

The fuueral services took place at the M. E. church on Sabbath the 18th, and were conducted by Rev. B. F. Shane. The other churches dismissed their services in testimony of their respect to the deceased and family and to give all an opportunity to attend the services. The church was filled with a large assembly of sympathizing and interested friends.

The remains were interred in the cemetery at Kellogg with appropriate services, and Mrs. Birchard will long dwell pleasantly in the memory of all who enjoyed her acquaintances in life.

She leaves a husband and 6 children to mourn their loss. The family is highly respected and we hope that the virtues and graces of the departed wife and mother, which made her life so beautiful, may be emulated by her children and all others.

B. F. SHANE.

[Deceased was a sister of our esteemed friends, Messrs. Samuel and Joseph Pedlar, who live near Eugenia.—Ed.]

AYER'S PILLS.

A large proportion of the diseases which cause human suffering result from derangement of the stomach, bowels, and liver. AYER'S CATHARTIC PILLS act directly upon these organs, and are especially designed to cure the diseases caused by their derangement, including Constipation, Indigestion, Dyspepsia, Headache, Dysentery, and a host of other ailments, for all of which they are a safe, sure, prompt, and pleasant remedy. The extensive use of these PILLS by eminent physicians in regular practice, shows unmistakably the estimation in which they are held by the medical profession.

These PILLS are compounded of vegetable substances only, and are absolutely free from calomel or any other injurious ingredient.

A Sufferer from Headache writes:

"AYER'S PILLS are invaluable to me, and are my constant companion. I have been a severe sufferer from Headache, and your PILLS are the only thing I could look to for relief. One dose will quickly move my bowels and free my head from pain. They are the most effective and the easiest physic I have ever found. It is a pleasure to me to speak in their praise, and I always do so when occasion offers.

W. L. PAGE, of W. L. Page & Bro."
Franklin St., Richmond, Va., June 3, 1882.

"I have used AYER'S PILLS in numberless instances as recommended by you, and have never known them to fail to accomplish the desired result. We constantly keep them on hand at our home, and prize them as a pleasant, safe, and reliable family medicine. FOR DYSPEPSIA they are invaluable.

J. T. HAYES."
Mexia, Texas, June 17, 1882.

The REV. FRANCIS B. HARLOWE, writing from *Atlanta, Ga.,* says: "For some years past I have been subject to constipation, from which, in spite of the use of medicines of various kinds, I suffered increasing inconvenience, until some months ago I began taking AYER'S PILLS. They have entirely corrected the costive habit, and have vastly improved my general health."

AYER'S CATHARTIC PILLS correct irregularities of the bowels, stimulate the appetite and digestion, and by their prompt and thorough action give tone and vigor to the whole physical economy.
