The Latest! The Simplest! The Best!

SEWING MACHINE!

EVER OFFERED TO THE PUBLIC.

This is the opinion expressed by practical machinists, whose business leads them to examine the qualities of the different machines.

In offering the GARDNER SEWING MACHINE to the inhabitants of the County of Victoria, the agent feels certain it is unrivalled as a general sewer, whilst it has attachments for doing more kinds of Fancy Work, with greater comfort to the operator than any other machine. A trial will convince all that these are only plain facts, and the excellency of the machine will on a very short trial be apparent to all.

TO FARMERS

It is most useful, as it will do all kinds of Heavy Sewing, as also the most delicate of fine work, as well as Cording, Braiding, Quilting, Hemming, Tucking, Frilling, &c.

The Gardner Sewing Machine is for sale at the store of

JOHN LYONS, Water St.,

and at the Grocery House of

W. J. ROBINSON, Kent St.,
Next door west of Jas. Watson's, corner of William and Kent Streets.

D. CAMPBELL, the general agent, is a resident of Lindsay, and can be found at either of the above places, and will be happy to give instructions to all parties purchasing a machine, from time to time, at their residences free of charge.
