## A MARVELOUS STORY
TOLD IN TWO LETTERS.

**FROM THE SON:** "28 Cedar St., New York, Oct. 28, 1882.
"*Gentlemen:* My father resides at Glover, Vt. He has been a great sufferer from Scrofula, and the inclosed letter will tell you what a marvelous effect

### Ayer's Sarsaparilla
has had in his case. I think his blood must have contained the humor for at least ten years; but it did not show, except in the form of a scrofulous sore on the wrist, until about five years ago. From a few spots which appeared at that time, it gradually spread so as to cover his entire body. I assure you he was terribly afflicted, and an object of pity, when he began using your medicine. Now, there are few men of his age who enjoy as good health as he has. I could easily name fifty persons who would testify to the facts in his case.
Yours truly, W. M. PHILLIPS."

**FROM THE FATHER:** "It is both a pleasure and a duty for me to state to you the benefit I have derived from the use of

### Ayer's Sarsaparilla.
Six months ago I was completely covered with a terrible humor and scrofulous sores. The humor caused an incessant and intolerable itching, and the skin cracked so as to cause the blood to flow in many places whenever I moved. My sufferings were great, and my life a burden. I commenced the use of the SARSAPARILLA in April last, and have used it regularly since that time. My condition began to improve at once. The sores have all healed, and I feel perfectly well in every respect—being now able to do a good day's work, although 73 years of age. Many inquire what has wrought such a cure in my case, and I tell them, as I have here tried to tell you.
AYER'S SARSAPARILLA. Glover, Vt., Oct. 21, 1882. Yours gratefully, HIRAM PHILLIPS."

AYER'S SARSAPARILLA cures Scrofula and all Scrofulous Complaints, Erysipelas, Eczema, Ringworm, Blotches, Sores, Boils, Tumors, and Eruptions of the Skin. It clears the blood of all impurities, aids digestion, stimulates the action of the bowels, and thus restores vitality and strengthens the whole system.

PREPARED BY

Sold by all Druggists; $1, six bottles for $5.

***Pretty Flowers.***

The Agricultural Editor wishes to thank Mrs. J. Beecroft for a very handsome bouquet of flowers from that lady's famous conservatory, which was left at the ADVANCE office on Monday.

A NATIONAL EVIL.—There is no question but that Dyspepsia is the national disease of our country, and when complicated with diseases of the Liver and Kidneys is the cause of untold misery. Burdock Blood Bitters will almost invariably cure the worst case known.

***Roller Flour for Sale.***

Those requiring first-class Roller Flour from the famous mills of Mr. Ford, Markdale, will do well to call at the Flesherton Bakery where it is always kept in stock, at reasonable prices.

A RADICAL CHANGE.—The best eradicator of foul humors of the Blood is Burdock Blood Bitters. A few bottles produces a radical change for the better in health and beauty. It removes the blood taint of Scrofula, that terrible disease so common in this country.

***Pulpit Notice.***

A special sermon will be preached on Sunday evening next in the Methodist church by the pastor, Rev. W. Ayers, to young men, entitled, *"Dollars and Dimes."* Strangers are cordially invited to be present. Seat holders will please come early. A good time expected.

***Ready for Work.***

Our Flesherton Woollen Factory having been thoroughly overhauled and repaired, the proprietor, Mr. W. H. Flesher, is now prepared to attend to everything in his line of business in the most satisfactory manner. Advt. announcing this important fact was received too late for this issue of the ADVANCE but will appear in our next.

***Our Cattle Fair.***

The Flesherton monthly Cattle Fair took place on Monday last, the 6th inst., on the usual grounds, opposite the ADVANCE office, and was a decided success, so far as the attendance of buyers and the number of cattle is concerned. But, as usual, the farmers held their stock at pretty high prices, still we understand that quite a number of sales were effected.

FREEMAN'S WORM POWDERS are safe, sure and speedy to remove worms from children or adults.

**Death of Joseph Hinds, Sr.**

On Sunday evening last, Oct. 4th, at his residence, Flesherton, at the grand old age of eighty-five years, died Mr. Joseph Hinds, sr. Although not enjoying his customary good health for some time past, his demise was very sudden if not altogether unexpected. He died as he lived—a true follower of Him who "went about doing good" when on this earth.

Deceased was one of the oldest settlers of Artemesia. He was universally esteemed and respected for his many amiable qualities. He was generous and sympathetic to a fault. His pleasant smile and cheery greeting will be sadly missed by old and young. In bearing he was every inch a gentleman; his courteous and dignified manner towards all never varied—even under the most adverse circumstances.

The funeral took place on Tuesday and was largely attended. The remains were interred in the Flesherton cemetery. The funeral sermon will be preached in the Methodist Church here next Sunday.

## GRAND
### Colonial Exhibition in London, England, 1886!
*FIFTY-FOUR THOUSAND FEET RESERVED FOR CANADA.*

**FIRST ROYAL EXHIBITION COMMISSION SINCE 1862.**

THE COLONIAL AND INDIAN EXHIBITION to be held in LONDON, England, commencing MAY 1st, 1886, is intended to be on a scale of great magnitude, having for object to mark an epoch in the relations of all the parts of the British Empire with each other.
In order to give becoming significance to the event, a Royal Commission is issued for the holding of this Exhibition, for the first time since 1862; and His Royal Highness the Prince of Wales has been appointed President by Her Majesty.
The very large space of 54,000 square feet has been allotted to the Dominion of Canada by command of the President, His Royal Highness.
This Exhibition is to be purely Colonial and Indian, and no competition from the United Kingdom or from foreign nations will be permitted, the object being to exhibit to the world at large what the Colonies can do.
The grandest opportunity ever offered to Canada is thus afforded to show the distinguished place she occupies, by the progress she has made in AGRICULTURE, in HORTICULTURE, in the INDUSTRIAL and FINE ARTS, in the MANUFACTURING INDUSTRIES, in the NEWEST IMPROVEMENTS IN MANUFACTURING MACHINERY and IMPLEMENTS, in PUBLIC WORKS by MODELS and DESIGNS; also in an adequate display of her vast resources in the FISHERIES, and in FOREST and MINERAL wealth, and also in SHIPPING.
All Canadians of all parties and classes are invited to come forward and vie with each other in endeavouring on this great occasion to put Canada in her true place as the premier colony of the British Empire, and to establish her proper position before the world.
Every farmer, every producer, and every manufacturer, has interest in assisting, it having been already demonstrated that extension of trade always follows such efforts.
By order,
JOHN LOWE,
Sec. of the Dept. of Agriculture.
Ottawa, 1st Sept., 1885.
