The Victoria Warder

FRIDAY, NOVEMBER 26, 1886.

PONTYPOOL.

Special to The Warder.

The rapid growth of our village still continues and there are no idle men to be seen on the streets.....Two stores and three dwelling houses are in course of erection.....Mr. Corbett is having about six acres surveyed into lots for which he has had about twenty applications

Mr. Irwin and his host of men have gone again to the woods to take out timber for next season's cutting.....Mr. Ridge is making preparations for building a large saw mill

WHAT WE EXPECT.—To see our village incorporated soon.....To see a grist mill built.....To see a larger school built.....And see the boys get chased again.

CARTWRIGHT.

Special to the Warder.

On Thursday Nov. 11th at about 12 o'clock p.m., a frame barn belonging to Mr. Jas. Finke was set on fire by some person or persons unknown. Although everything was done, the fire spread and caught on the roofs of a block of stores, completely destroying them. Had the wind not been favorable nearly the whole of the village would have been burnt. The loss on the buildings is about $2,000. No insurance. Property owners whose buildings were in danger purpose giving an oyster supper to the men who worked so well to save them. This would be a well-deserved treat.

W. A. Hill late storekeeper of this place is holding auction sale at Newery, of dry goods, boots & shoes, glassware &c.....Peter Holt Esq., intends having an auction sale of farm stock and implements on Wednesday Nov. 17. Mr. Thos. Swain, auctioneer.

Mr. Peter Wright has bought the sole right of selling attachments to fasten on stove pipes to dry clothes from a travelling stranger. The price paid was a promissory note to the tune of $75.....Mr. Jas. Cook the genial proprietor of the Leland hotel at Cassarea is about to close business for the winter.

Mrs. Dr. Teller, who has been visiting her mother, Mrs. Howe, for the past two months, has returned to Colorado.....Mr. C. R. Howe has gone to Buffalo to resume his medical studies.....The Scott Act in this place is a complete success for the hotel-keepers.

RYDE.

Special to The Warder.

SCHOOL MATTERS.—Miss Musgrove of Lindsay teaches in No. 1 section; she also teaches music. Miss Rose Hacking teaches No. 2 school; she has a large school. Miss Agnes McIlse, daughter of the late Duncan McIlse, M.P.P., teaches No. 3. Miss E. Clark teaches in No. 4, Bush's section. Miss C. Hacking resigned No. 5 to attend the Bracebridge model school. Miss Hill of Bracebridge takes her place. Miss A. R. Kincaid teaches union school No. 6; she hails from Wingham. Miss Maud Dames of Oakwood teaches the new school No. 7, McDonald settlement; she is very popular, as are all the others. The seven lady teachers of Ryde would not turn their backs upon the best seven male teachers in the county.

LUMBERING.—This industry is brisk in Ryde just now. Mr. W. Rousehorn runs a large shanty near Benn's lake. Mr. Wm. Merkley runs another on the Garter Snake river. Another shanty is opening farther east.

OUR township is well stocked with hunters. Deer are plentiful.

A large Sunday school has just been organized in No. 1 by Mr. Wm. Rousehorn, thereby setting a good example to other shantymen. Sabbath schools are also conducted in sections 2, 3 and 4.

SAW MILLS.—Ryde boasts of six saw mills; five of them are steam mills and are all on Ka-che-che-bog-a-mog Lake (lake of many islands). The owners are Messrs. McLellan & Brace, Wm. and Chas. Brooks, A. James, C. Ruttan, J. Clark. Mr. Spencer, reeve of Draper, owns a good water mill on the Garter Snake river.

THE musical hum of the threshing machine is now heard. Our enterprising reeve, Mr. Moses McLellan, has introduced a two-horse tread power machine which seems the very thing for Muskoka.

BURNT RIVER.

Special to The Warder.

OBITUARY.—Mr. Jas. Sired one of the first settlers of this neighborhood died on Thursday, 11th inst. He was 84 years of age.

VERY ILL.—Mr. S. Moore is very poorly yet.

HUNTERS RETURNED.—Messrs. R. English and J. Brisbain have returned from their hunt.

INTO THE WOODS.—Mr. J. J. Nicholls has a shanty in cutting logs.....Mr. Chalmers has a gang of cordwood cutters at work. A number of wood-cutters could find employment here now.

BRUNSWICK.

Special to The Warder.

AN entertainment is to be held in Bethany on the 18th inst., designated as the Dairy maid social. A large crowd and a good time is anticipated. Many would like to know what relationship it bears to the creamery. Guess it could be told by the profit.

ON Monday night the farm house of Mr. W. Davis Sr. was consumed by fire, besides the greater part of the furniture. The house was insured.

THE road from here to Bethany is much criticised by many, owing to the bad condition it is in and the amount of travelling that is on it. Our council men are very diligent to what they appeared personally before elected.

EDEN—MARIPOSA.

Special to The Warder.

VISITING.—Mr. and Mrs. Mooton of Peterboro have been visiting their daughter Mrs. Jones.....Mrs. Cauldwell of Toronto has been visiting relatives in this neighborhood.....Mr. and Mrs. Bond of Orillia have been visiting Mrs. Bond's parents Mr. and Mrs. Greenaway, they look as if life was going well with them.....Miss Kilbeck has been out to Newcastle to visit friends and relatives.

HUNTING.—Deer are very plentiful in the north regions this year, as Mr. Wells and sons have sent home eighteen already and have been out hunting only a short time.

That item in your paper of the 5th headed "Girls," would be most pleasing to young men generally we would imagine as it would give them all a chance to be suited.

BETHANY.

Special to The Warder.

The annual missionary sermons in behalf of the Presbyterian home mission fund, were preached here on last Sabbath by the Rev. Mr. McKay of Cartwright, and the usual platform meeting was held on the following Thursday when suitable addresses were delivered by the Rev. Mr. Mr. Bennett of Springvale, and the Rev. Mr. Courtice, Bethany.

The annual meeting of the Lib. Con. Association was held in the town hall on Saturday and was largely attended by leading men from all sections of the township. The meeting was presided over by Robt. Torchbourn, sr., who was unanimously selected president for the ensuing year. The following officers were also elected.—1st vice-president, John Cairns; 2nd vice-president, James Gallagher; secretary, Geo. W. McCartney treasurer, Charlie Reynold. Delegates were also elected from the different wards, after which stirring addresses were given by the President, Dr. C. H. Brereton, M. P. P., and J. J. Preston.

BURYS GREEN.

Special to The Warder.

It is reported that our teacher, Mr. S. W. Stinson, is going to move to another field of labor. His services here were well received. Every parent, so the trustees say, has spoken in the highest terms of the progress of their children, and we feel sure the announcement will bring sorrow to the hearts of the youth as he was such a favorite. Since penning the above we hear he goes to Manvers. So the school is vacant and we hope some good energetic teacher will get the school as it is a good one.

REMOVAL.—Mrs. Hopkins and family have gone west where Mr. Hopkins is keeping store. We wish them much success.....Mr. Charles Scott has also gone west. It is reported he is to be inspector of the rebuilding of Mitchell's bridge.

One of the fair young gents of Bolton's part came and took a load of people to the lecture delivered at Bolton's church to the Orangemen on Nov. 5. They also speak very highly of the lecture delivered by the Rev. Mr. Wilson of Bobcaygeon.

UFFINGTON.

Special to The Warder.

THE 5th of November was commemorated here by an evening entertainment in the Methodist church, under the auspices of the Orange lodge of this place. The Rev. Mr. Greeson gave a highly interesting address on Orangeism, and then dwelt at some length on the three I's (in contradistinction, we suppose, to the three R's) Intemperance, Impurity, Infidelity. The reverend gentleman was listened to with breathless attention, and took his seat amid a storm of applause. The Rev. Mr. Bedford followed with a pleasing address on integrity of character, and strongly denounced the sin of dancing. He even alleged that none but "moonstruck simpletons" would trip the light fantastic. Some readings and recitations were well rendered. The chair was ably filled by R. T. Corrigan, Esq., who with his humorous remarks conduced greatly to the evening's amusement. At the close of the entertainment the young people, in spite of the reverend gentleman's adjuration, adjourned to the Orange hall and danced till the "wee sma' hours ayant the twal." Owing to the correspondent of the Banner having falsely circulated through the outlying settlements that there would be no ball the attendance was not so large as anticipated. The supper, which was a very recherche affair, was served in Spence's hall.

DALRYMPLE.

Special to The Warder.

THERE are symptoms of winter looking out from every corner.....Our schoolmasm is suffering from a severe cold.....Roots are all housed.....Plowing has been handed over to John Frost.....The old residents assure us that winter cannot come on yet for the swamps are not full of water.....There has not been the sound of a wild goose heard here this fall, and they generally visit this lake on their flight southward.

THERE are some cattle lost on the Carden plains yet, and they will without doubt stray into somebody's premises. Let everybody who has stray cattle in his possession advertise them at once in THE WARDER. The owners of such stray beasts would far sooner suffer the expense of advertising than hunt for such cattle day after day in the wrong direction.

Now we want this item distinctly understood. This is a mighty rich community; everything flourishes in abundance. Girls and money hold the leading places however. Come and take a view of our "fair ones." Marry one and secure a very large dower, and such a partner as can cook you a "rater" fine.

XMAS holidays are coming. Now let there be some fun. Surely the church requires some money; if so, let them hold a series of socials. We entertain hopes that the schoolteacher will give a farewell concert. Hot for a variety of sports. Last but not least, somebody get married. There are always feasts and dances connected with those celebrations.

BUYING and selling horses, colts and cattle is the order at present. All are very busy filling their empty cattle stalls and matching colt and horse teams. Good figures are offered for suitable property.

JANETVILLE.

Special to the Warder.

LOSS.—Mr. James Hanna came to a serious loss lately by having to shoot a valuable mare. A hole having been worn in the partition of the stall it is supposed she had been rolling and got her hind leg into it and got it so fast that she twisted the hock joint apart. He brought Mr. Kennedy to see her but he could do nothing for her.

BIRTH.—The wife of Mr. Wm. Johnston was safely delivered of a young daughter one day last week. She was attended by Dr. McAlpine of Lindsay. Mother and child are doing as well as can be expected under the circumstances.

MR. Ray, a young local preacher, visited Janetville lately and preached a practical sermon. We hear his business in coming was to introduce the Rev. Sam. Jones' sermons, for which he has got an agency.

BAND.—The Ballyduff brass band paid a visit to our village one evening last week and gave an exhibition of their talent, serenading the village from one end to the other; delighting the citizens with their splendid music; meeting with a hearty reception from all and being liberally received.

STOCK IMPROVEMENT.—It is not generally known that we have in this quarter of Manvers two very enterprising young farmers, Mr. Joseph McGill and Mr. Robt. Irwin, who have wrought themselves into a stock of first-class thorough-bred cattle. Both of these men have taken great pains and gone to great cost to bring their cattle to perfection, which proves by the prizes they have taken at the fairs this fall. Mr. McGill has taken seven first and six second prizes, showing against first-class stock at Lindsay and Peterboro, taking prizes from cattle which were prize winners at the Industrial at Toronto. We congratulate these young men in their enterprise.

ANOTHER LOSS.—Since writing the above we learn with regret that Mr. Jas. Hanna has lost one of his prize cows by eating an over feed of barley, she having got into the barn on Friday night, 12th inst.

ODDS AND ENDS.

Latest Facts, Fun and Fancy.

Orpha M. Hodge, Battle Creek, Mich., writes: I upset a tea-kettle of boiling hot water on my hand. I at once applied Dr. Thomas' Eclectric Oil, and the effect was immediately to allay the pain. I was cured in three days.

Orion Catlin, 49 Pearl street, Buffalo, N. Y says: I tried various remedies for the piles, but found no relief until I used Dr. Thomas' Eclectric Oil, which entirely cured me after a few applications. Since Dr. Thomas' Eclectric Oil has become celebrated, unprincipled persons are imitating it. Be sure you get the genuine.

When you notice unpleasant sensations after eating, at once commence the use of Northrop & Lyman's Vegetable Discovery and your Dyspepsia will disappear. Mr. James Stanley, merchant, at Constance, writes: My wife has taken two bottles of Northrop & Lyman's Vegetable Discovery for Dyspepsia, and it has done her more good than anything she has ever used.

The proper channel for the escape from the system of impurities which would, if they remained, poison the blood is through the bowels. When this outlet is obstructed it may be disencumbered with Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, a remedy which regulates the system, invigorates digestion, and is pure and safe as well as effective. It cures all diseases arising from Impure Blood.

To Maintain One Lie

you must invent twenty, but truth can never be strengthened by bolstering. The testimony of every lady who has used Dr Pierce's "Favorite Prescription" for nervous debility and female weakness carries conviction with it. The facts are stated in such a way that no one can doubt them. All those peculiar pains and sinking sensations which ladies suffer from, can be overcome by means of this wonderful preparation. If you are a sufferer from female weakness, don't fail to employ it.

The Best Combination.

The best combination of blood cleansing, regulating, health giving herbs, roots and barks enter into Burdock Blood Bitters—a purely vegetable remedy that cures diseases of the blood, liver and kidneys.—48-2.

World's best, West's Liver Pills cure liver complaint, dyspepsia, sick headache and indigestion. Sugar-coated, 30 pills, 25c. All druggists.—46-4.
