Mr. Walter Marr, who has opened up a blacksmith shop in Proton, moved his family and household effects there this week. Mr. and Mrs. Marr were very highly respected citizens here and we wish them success in their new home. Mrs. S. Colquett accompanied them and will remain there for the winter.

The concert held under the auspices of the Methodist Ladies Aid on Friday evening last was largely attended and artistically rendered. Solos by Miss Wilson, Mr. H. Sullivan, Mr. Leslie and Little Miss Laura Boyd and the duet by Miss Trimble and Mr. Jones were enthusiastically received. The beautiful trio for female voices sung by Misses Richardson and Trimble and Mrs. Blackburn was full of sweet and expressive harmonies. Misses Rita Buskin and Maud Boyd delighted the audience with two beautifully rendered piano duets. The duet by R. N. Cornfield and Bobs Trimble and the chorus by six boys were also well rendered. Mr. Bert Petch, elocutionist of Toronto, and a former Flesherton boy, was present and rendered several choice readings which were heartily encored. Mr. Petch is a talented and clever pupil of Mr. Ellwood Genoe, another Flesherton boy, and his performance here surely speaks well for his teacher. Flesherton people look forward with pleasure to hearing Mr. Petch again in the future and we can assure him he will be listened to with hearty appreciation. Mrs. H. S. White and Mrs. W. W. Trimble were the accompanists for the evening. Rev. James Dudgeon made a very efficient chairman and gave a short address. The evening closed with God Save the King.

Rev. A. F. McKenzie of the Fred Victor Mission, Toronto, occupied the pulpit of the Methodist Church on Sunday, November 8th and told what the Methodist Church is doing for the poor in that city; he also addressed the Sabbath School in the afternoon and the tales of suffering so touched the hearts of some of the little girls, that they canvassed the village for contributions to help the Mission relieve distress caused by men being out of work. On Monday evening Mr. McKenzie gave lantern slide views which were much enjoyed.

"One of the most influential agricultural papers in the Dominion", is the way others refer to the Weekly Sun of Toronto. It is a paper which appeals to the wide-awake farmers. Independent and fearless, it has always guarded the best interest of Canadian agricultural. Aside from that, its accurate and carefully complied market reports and summaries give the reader a practical grasp of market conditions. "You have saved me dollars", is the repeated recommendation of hundreds of its readers. The Sun is on the ground, and it is not influenced by any packing houses or commission merchants. It stands for farmers alone, every day in the year. It is the farmers' friend, you ought to be a reader.

John Fisher Dead

Mr. John Fisher passed away at the home of his brother Thomas, here on Monday morning, November 9th, aged 55 years. The deceased had been ill for some time with heart trouble and the end was not unexpected. He was born and raised near this village and lived for a number of years in Collingwood, but for the past three years has made his home here. On Tuesday morning service was conducted in the Baptist church by Revs. Kerr and Dudgeon, after which the remains were taken to Collingwood for interment beside those of his wife, who died four years ago. Four brothers survive, to whom we extend our sympathy in their double loss, as it is only four weeks since they buried their brother William.

Brampton is having a burglary scare these days, no fewer than three residences having been entered this week. About midnight last night the home of Chas. Booth, Main street south, was entered. Mr. Booth is at home only during the weekends, the only occupants of the house being Mrs. Booth, her thirteen-year-old daughter Jessie, and Mrs. Booth's father, Mr. Henry Schooley. Mrs. Booth was awakened by a man standing by her bedside. When she asked what he wanted a kerchief was stuffed in her mouth. Jessie, who was in another bed, promptly grappled with the burglar, and called for her grandfather. Managing to free one arm, the marauder struck the little girl in the face and broke away. When Mr. Schooley went to telephone the police he found the wires cut. The burglar is described as medium-sized, wearing a peaked hat, with a hankerchief about the lower part of his face. He left behind a 22-calibre revolver. No trace has yet been found of him.

Theodore Zimmer, the young Austrian who was arrested in Listowell for the Stratford police over two months ago, after he had endeavored to pull off some "shady" real estate deals in town, was sentenced on Monday by Magistrate O'Loane of Stratford to eighteen months in the Ontario Reformatory at Galt. Zimmer successfully carried out several real estate transactions in Stratford and vicinity in which his clients were defrauded of various sums ranging from $25 to $100, says The Beacon. "Some of the property which he sold as Montreal lots were found to be miles away from the city itself. "His remand of two months, during which time he endeavored to raise money to square himself with those whom he defrauded, was taken into consideration by the magistrate when he imposed sentence."

THIS
World - Wide War
has created demand for newspapers unprecedented in history.

The fact that Canada is in a state of war along with the mother country and their Allies against the combined forces of Germany and Austria and the further fact that Canadian troops are now on the firing line, will have the effect of increasing our interest in the struggle.

The ADVANCE clubbed with The Toronto Morning World will be mailed to subscribers from now to the 1st of January, 1916, for $3.50. Think of it! A morning daily paper and a weekly paper 15 months for only $3.50.

Take advantage of this special offer at once as we are obliged to reserve the right to withdraw it without notice as the ramifications of the war may cause a very rapid increase in the cost of white paper, which will mean a much highe price for your newspaper.
