This is an easy way to decorate your home. The soap is the best in the market, and it will only cost 1c. postage to send in the wrappers, if you leave the end open. Write your address carefully.—92 1y.

EASTER BEEF.—Mr. M. O'Halloran is preparing for his patrons for Easter. He has one three year old heifer, one two-year old, one one-year old, and one calf, all fed by himself; he has also one four-year old heifer purchased from Mr. Joseph Symons, lot 10 con 6, Ops, which weighs 1600 lbs. In accordance with his usual custom he exhibited them on Kent street on Tuesday, when they were generally admired by all who saw them. He has also on hand a full supply of pork, veal, etc., in which the most fastidious can be suited.

THE WARDER PREMIUM FOR 1893.—At considerable expense we have secured a limited number of a beautiful work THE CANADIAN ANNUAL, for distribution among those of our subscribers paying in advance for THE WARDER. The work is 14 inches by 10 inches, contains 100 pages, bound, and is full of beautiful illustrated several of which are suitable for framing. Each number cost quite a sum which renders it impossible for us to give the premium to any who do not pay up in advance. Do not delay, but send along subscription in advance and receive the handsome annual.

THE REV. J. W. BELL B.D., of Hamilton, is to preach the anniversary sermon of the Epworth League of the Queen St. methodist church, next Sunday morning, and will occupy the same pulpit in the evening, speaking in the interest of temperance, being the superintendent of the Royal Templars' Missionary Board. Special collections morning and evening. Monday evening Mr. Bell is to lecture in the same church. Subject—"House we live in." The Ingersoll Sun says: "The best I ever heard." Stratford Herald, "The most able and powerful ever delivered here."

ANOTHER DISASTROUS FIRE.—On Monday night about 9 30 o'clock the barn belonging to Mr. Thos. Boulton, on east half lot number seven, concession five, Ops, near Mount Horeb, was totally destroyed by fire with the contents, which consisted of eight horses, eleven pigs, two dogs, two fanning mills, one set sleighs—loaded with seed barley, straw cutter, turnip pulper and other implements, all his seed grain, and a large quantity of oats. The barn, owned by a Mr. Smith, was insured. Mr. Boulton had no insurance as his policy expired about a month ago and had not been renewed. Two of the teams of horses, our informant tells us, were valuable, and were as pretty animals as any one could desire to look at. The Brazillian horse at one time owned by Sylvester Bros., Lindsay, was among the burned. Much sympathy is expressed for Mr. Boulton, as the fire leaves him crippled financially.

LUCK IN SEEDS.—"I didn't have very good luck with my seeds last year," a farmer was heard to say. This gives rise to the question: How many poor crops can be attributed to "luck" in the selection of seeds? Buying seeds is an important factor in farming and should receive the careful judgment and consideration of the farmer. It is almost always impossible to distinguish the good from the bad in seeds by sight, and the only infallible guide for the planter is the reliability of the seedsman. D. M Ferry & Co., of Windsor, Ont., have for many years been the leading seed house of this country, and their reliability is unquestioned. They issue a book annually which contains a complete digest of the very latest gardening knowledge by the best authorities. The 1893 edition is handsomely illustrated and contains information about the selection and planting of seeds which will prove of the greatest value to every one planting a garden or farm. It is mailed free to any one making application to the firm's address.

THANKS FROM ULSTER. — Hon. N. C. Wallace on Wednesday received a cablegram from the Orangemen of Ulster, now in convention at Belfast, which reads as follows: "Belfast, March 29.—Hon. N. C. Wallace,—The Ulster Convention League tender you their earnest thanks for your courageous support of Ulster Loyalists."

THE LAURA SCHIRMER CONCERT.—We shall only be able to give a notice of the above event in our next issue, but we fully anticipate a high musical treat from the artists who take part in the programme. A fine Steinway piano has been sent for the occasion by Messrs. Nordheimer of Toronto, which is sure to help to make the entertainment a success. It is always agreeable to listen to the fine tones of the Steinway & Chickering pianos.

AN OLD LINDSAYITE DEAD.—There died in Brooklyn, N.Y., on Friday last, Mr. Francis Whalley, a gentleman who at one time was a well-known and respected citizen of Lindsay, having been head teacher in the public schools here for a number of years. He left Lindsay eighteen years ago for New York city and for the past eleven years has been book keeper in the large commission house of A D Julliard & Co., Brooklyn. He leaves a wife and eight children, four sons and four daughters, four of whom are married; Thomas W., a few years ago foreman of THE WARDER, now the proprietor of the Milverton Sun, being the eldest. The deceased suffered from a complication of diseases; the cause of death was cancer of the liver. Many old friends in Lindsay extend their sympathy to Mrs. Whalley and family.

SONS OF SCOTLAND.—Grampian Camp No. 40 Sons of Scotland, held their annual "At Home," in their lodge room on Tuesday evening when an enjoyable time was spent. The room was crowded with the members of the camp and their friends. Acting Judge McSween occupied the chair and welcomed the visitors in his usual happy style. The programme consisted of songs, readings and recitations, in which the following took part: J. Watson, James Keith, Alexander Skinner, Miss Agnes Jackson, Miss Duncon, Mrs. Andrew Jackson, Miss King, Miss Jessie McSween, and last, but not least, Shoney Petty. The accompaniments were played by Mrs. Roberts, Miss Easton and Mr. Lowe. During the evening Chief Storer read and presented an address to Bro. A. A. Scott, late chief of the camp, who is removing with his family to Montreal, to which Mr. Scott feelingly replied. The sons of the heather are to be congratulated for the evening's entertainment provided which was a complete success. The proceedings were closed by singing the camp's closing ode Auld Lang Syne and the National Anthem.

BABY FOUR WEEKS OLD

Distressing Skin Disease from Birth. Cured in 5 Weeks. Made Healthy and Beautiful by Cuticura Remedies.

My baby boy had been suffering from birth with some sort of an eruption. The doctors called it eczema. His little neck was one raw and exposed mass of red, inflamed flesh. His arms and across and under his thighs, wherever the fat flesh made a fold, were just the same. For four weeks after his birth he suffered with this eruption, and until I got CUTICURA REMEDIES, there was little sleep for any one. In five weeks he was completely cured. He was nine weeks old February 1st, and you ought to see his skin now, smooth, even, and a beautiful pink and white color. He is as healthy as he can be. The CUTICURA RESOLVENT has given him tone, vigor and strength. I enclose his portrait. Thanks to the famous CUTICURA REMEDIES. They cannot be spoken of too highly, they have done all that has been claimed for them.

WM. A. GARDNER, 134 E. 123d St., New York.

From the age of two months my baby suffered with the eczema on her face and body. Doctored without avail. Used CUTICURA REMEDIES. Found them the best, by request satisfactory. The child has now a beautiful skin and is cured. We cheerfully recommend the same to all mothers.

MRS. J. ROTHENBERG, 1668 First Ave., N. Y.

"For a long time I suffered with stomach and liver troubles, and could find no relief until I began to use Ayer's Pills. I took them regularly for a few months, and my health was completely restored."—D. W. Baine, New Berne, N.C.—80 1.

A lady, formerly a resident of Mariposa, whose husband died lately, in writing to renew her subscription to THE WARDER says: "We have been taking it—THE WARDER—for the past twenty-eight years, and I would feel at a loss did I not get it every week."

We are informed by Mr. Joseph Reynolds of Ops that he has a colt which is something of a phenomenon. At the age of eight months he was fifteen hands high, and at ten months and four days was seventeen hands high, and is still growing. The colt is properly shaped in every way. After he was five months old he was so heavy that he could not raise himself on his legs, and had to be lifted with a horse and tackle for three months.

Mr. Daniel Howe, Treherne, Man., formerly of Janetville, paid a flying visit of two weeks to the old home, renewing old acquaintances and forming new ones While here he combined business with pleasure, purchasing fifteen horses which he shipped for the prairie province on Friday. The shipment comprised as fine a lot of horses as has been shipped from Lindsay for some time, two of them being stallions, one a pure bred Clydesdale and one a roadster. The balance were for general purposes, one of them being a fine pure bred Clydesdale mare purchased from Mr. C. Chittick of this town, and a team purchased from Mr. Sam Magill, Janetville, were all that could be desired.
