KINMOUNT.

Special to The Warder

Y.P.S.C.E.—The Kinmount local union held their fourth union meeting Tuesday afternoon and evening, Jan. 29th, in the baptist church, Kinmount. Owing to the severe storm of Sunday, the delegates from Norland and Rettie's were unable to get here in time for the afternoon session, but before the time for the evening session had arrived a large number of delegates from the above named places drove into the village which, with the citizens who turned out en mass, gave a crowded house for the evening session. The programme was extensive, vigorous and practical, showing that the executive committee are not mere office seekers, but are using their honored position to make the local union an inspiration and source of encouragement to the individual societies. The subjects of missions, temperance and proportionate giving, were handled by Revs. Messrs. Munt, Stewart and McConnell respectively in such clear and forceful terms that not one in the large audience went away without being deeply impressed with the great importance of these questions and without having a clear conception of his own personal duty and responsibility with regard to each. We are gratified to our Heavenly Father that He has been pleased to own and bless the efforts of His children to bring those for whom Christ died to a saving knowledge of the truth.

SPECIAL SERVICES.—The special services which Rev. D. C. Day has been conducting in the Union church have been productive of gracious results. Some eighteen or twenty have expressed a determination to forsake their old master whose service is hard, and to live for that gracious Master whose yoke is easy and whose burden is light.

SERIOUS ILLNESS.—John Dettman, eldest son of Mr. Fred Dettman jr, has been seriously ill for some time with inflammation of the bowels and but little hopes of his recovery are entertained, though three doctors have been in attendance on him.

MISS F. J. Campbell, the new assistant teacher in our public school seems well pleased with her new associations and has evidently made a favorable impression on the "little folks," which is the first step to successful labor among them.

BURY'S GREEN.

Special to The Warder.

FIRST BASKET SOCIAL, and the best ever held in this district came off successfully in Lamb's school house, on Wednesday evening, 30th Feb. Rev. Wm. Ferncomb ably filled the chair, while J. H. Carnegie, M. P. P., kindly acted as auctioneer. Rev. G. W. McColl of Fenelon Falls, enlivened the evenings entertainment with a harmonious address. Mr. R. Campbell of Lindsay was present and made a short speech. The programme of music was well up to the mark. The bass solo and trio by the Misses and Mr. Wilson of Fenelon Falls, was well appreciated as was also the instrumental by Mr. John and Miss Aggie Mann. The home talent also rendered some good selections. The managing committee did well in securing such good talent. The proceeds amounted to $32, which is enough to show the social was a success.

THE Rev. Carl Smith, of Lindsay, will occupy the pulpit in St. Peter's church next Sunday, 10th, and will address the congregation on the subject of missions.

IT is with pleasure we report the recovery of Mrs. Wm. Dobson from her recent illness.

QUERIES and wonders since the social.—If the young gentleman from Fenelon Falls is sick yet, after his big supper, having bought a young lady's basket and then failed to share with her? On future occasions a trough will be provided for such gents.....If the geat from over the way is going to take another session of schooling in order to learn that uncalled for services are not all appreciated? .....If Christie got safely home with his big sleigh-load of girls!.....If the social is going to lead to a wedding; and when and where the next social will be.

MR. Jas. Southern spent a few days with friends in Mt. Horeb.

ROADS are once more fairly opened, but somewhat crooked after the big storm.

PLEASE allow your worthy scribe space enough to deny the report that he also corresponds to the Watchman. Said report is untrue, as your scribe cannot perform his duties for THE WARDER as he would wish, let alone writing for the Watchman.

15 Years of Itching.

Wm. Golding, commercial traveller, 30 Esther-st. Toronto, says: For 15 years I suffered untold misery from Itching Piles, sometimes called pin worms. Many and many weeks have I had to lay off the road from this trouble. I tried eight other pile ointments and so called remedies with no permanent relief to the intense itching and stinging, which irritated by scratching would bleed and ulcerate. One half a box of Chase's Ointment cured me completely.—42-1.
