FORT WILLIAM.

(Special to The Warder.)

Wedding Bells.—On Wednesday, Jan. 30th, Mr. David Smith of Somerville, was united in holy matrimony to Miss Jane Henderson of North Verulam.

Miscellaneous.—Mr. Wm. Stone of Bobcaygeon, paid his friends in this place a flying visit.....Mr. Francis Keane sold his half year colt to a dealer south of Lindsay, for the sum of $60..... Dr. J. M. Fell M.P.P., has gone to Toronto to attend Parliament.

Mr. Malcolm Smith has the contract of supplying the village store with wood for the present year. Since our last snow fall our road is a continuous travel with wood, ties, telegraph poles and saw logs.

Mr. Sam. Smith has declared war with big sawlogs, taking an immense quantity of wood from it.

CANNINGTON.

(Special to The Warder.)

Concert.—Cannington is to have a mechanics' institute.

The attendance at the carnival on Friday evening last was exceedingly large, the costumes were very brilliant, and receipts of the evening most gratifying.

Cannington has deposed itself from North Ontario's "prohibition throne" and placed the "thorny crown" upon the head of its little brother Canning-ton. Oh! Uxbridge! Uxbridge! in what have we so offended to have so great this fate of thine?

Mr. F. M. Whitlock, clerk in the Mechanics' Bank, having obtained leave of absence, departed on Thursday for a visit to his friends in England.

A valuable music box, the property of Mr. F. M. Whitlock, was raffled for at the Queen's hotel on Monday evening. The lucky ticket holder that won the prize was Mr. Thos. Foster.

Mr. Malcolm Gillespie of the firm of Gillespie Bros., was married to Miss Sarah Anderson, daughter of Mr. John Anderson, both of this place—on Wednesday last.

The Mechanics' Institute will shortly become a reality. Over two hundred names to subscribers stand on the lists. Do you want a snow shovel? If so, go to R. F. Rilkey's. Do you want to shovel snow? If so, go to R. F. Rilkey's.

PETERBORO.

A Sad Bereavement.—A sad death occurred shortly after ten o'clock last night when Mrs. Peter Hamilton, after only a short illness, passed over to the silent and ever increasing majority. The deceased lady's untimely demise is a particularly sad bereavement as it deprives Mr. Hamilton of a wife's affection and consolation, and leaves seven children, the oldest of whom is about eleven and the youngest an infant only ten days old without a fond mother's care. Mrs. Hamilton was born in Aberdeenshire, Scotland, in 1847 and came out to Canada to her brother, Wm. Milne, in Lindsay about fifteen years ago. A few years later, some two or three years ago, she was married in Lindsay to Mr. Hamilton and came to Peterborough, residing here ever since. She was thirty-six years of age and was the mother of seven children who survive her. She was an adherent of the Presbyterian church and since her sojourn here has been an active member of St. Paul's church. Mr. George Milne, of town, and another brother residing in Chicago are the only relations the deceased lady had on this side of the Atlantic. The funeral took place at 2.30 on Monday afternoon, from the family residence, 308 Water st to the Little Lake Cemetery. A feeling of profound sorrow and regret is felt by the many friends of the deceased lady and the sympathies of the entire community will go out to the family in their sad bereavement.—Review.

BADDOW.

(Special to The Warder.)

Mr. John Suggitt is the happiest man in our settlement, he was recently presented by his wife with a handsome young daughter.

In my last, I stated that music would be furnished free at the tea-meeting by the Fenelon Falls brass band. I wish to correct that statement, as it is feared that so much music for a moderate sized building would scare the ladies.

BADDOW.

(Special to The Warder.)

Tea Meeting.—The tea meeting in connection with the methodist church, will be held here on Tuesday the 19th of February, a number of speakers are expected. Music will be furnished by the choir and also by the Fenelon Falls brass band. This will be one of the best entertainments ever held in Baddow, invitation to all. Admission 25cts.

Mr. Isaac Barnet lost a valuable blood mare, last Tuesday night.

LITFORD.

(Special to The Warder.)

School Meeting.—The annual school meeting of school section No. 5 Manvers, was held on Wednesday the 26th, Dec., but on account of two of the school notices not being put up in time, it was cancelled by inspector W. H. Tilley, who directed the trustees to call another meeting on Friday the 1st February. The object of the second meeting was to elect another trustee in the place of Mr. W. J. Weatherill, who had been elected at the first meeting. The second meeting was very largely attended, owing chiefly to the chronic anger under which it was held. Mr. R. Atkinson called the meeting to order. Some little difficulty was experienced in the election of a chairman and secretary, but on motion Mr. S. Sisson constantly took the the chair, and Mr. John Oatman acted as secretary. In reply to an enquiry from Capt. Preston, the trustees of 1888 and Mr. R. Grandy, teacher, gave some explanation as to why a second meeting was considered necessary, saying they considered the proceedings of the first meeting were illegal. The ratepayers present then called for a poll. Mr. Weatherill was returned by a majority of one. The trustees for 1889 are Messrs. W. J. Weatherill, Adam Preston, George Wilson.

EDEN—HARIPOSA.

(Special to The Warder.)

It is reported the church here is to be painted and generally improved, the wire fence that has been put around the grounds being the first step in this direction.

MOUNT PLEASANT.

(Special to The Warder.)

A quiet wedding took place in our village on Monday, January 28th, the contracting parties being Miss White and Mr. Byers. The marriage took place at the residence of the bride's father. We wish the happy couple every happiness in their new relationship.

The members of the presbyterian church are making preparation for a tea and concert, to be held in the church on Friday evening, Feb. 8th. The services of the celebrated vocalist, Miss Ann Howden have been procured for the occasion. A good tea and programme will be furnished, and as the proceeds are for supplementing the Sunday school library, we trust the efforts of the participants will be crowned with success.

Our friend Mr. Morden while running the planer in Mr. Bee's foundry, tried the experiment of placing his finger where the board should have been, needless to say, the experiment proved successful, as Joe succeeded in removing about an inch of said member. It was placed in position again, and is healing nicely. Be careful in future, Joe, how you handle edged tools.

Mr. Wm. Smith who has not been able to work for some time on account of an injury to his hand has been indulging his sporting propensities somewhat freely. Mr. Smith is an experienced huntsman, and seldom returns empty handed. His latest prize was a fox, which, notwithstanding its cunningness was outwitted by our veteran huntsman. Try again Wm.

We regret to learn that Mrs. Handly, who had been suffering for three weeks from the effect of an injury received while coasting, passed away on Saturday evening last. The deceased was highly esteemed by a large circle of friends who now mourn her loss. We tender the bereaved family, our sincere sympathy in their sad affliction.

Revival meetings conducted by the pastor Rev. Mr. Greatrix are being held for some time past in connection with the methodist church of this village.

BETHANY.

(Special to The Warder.)

On Saturday ov Mr. Robert Lee and J. T. Wilson were returning home from here they encountered what might have proven a serious accident. While descending a hill their horse, a high spirited animal, ran away, caused by the cutter running against his heels, having no holdbacks on the shafts. The occupants were thrown out, but fortunately received few injuries, being dumped into a snowdrift. Robert save no such speed was made at the Omemee races as they made before being upset, and if they had been there they would have cleared out everything in the shape of horse flesh.

The social in the hall on Friday night in behalf of the methodist church was not the success that was anticipated, owing to some discord among the members.

Mr. Richardson is doing well with his rink. We have some fine skaters here. We noticed one expert writing his name. Several others tried the same but only succeeded in making their mark in an horizontal form.

Dangerous Counterfeits.

Counterfeits are always dangerous, more so that they always closely imitate the original in appearance and name. The remarkable success achieved by Nasal Balm as a positive cure for Catarrh and Cold in the Head has induced unprincipled parties to imitate it. The public are cautioned not to be deceived by nostrums imitating Nasal Balm in name and appearance, bearing such names as Nasal Cream, Nasal Balsam, etc. Ask for Nasal Balm and do not take imitation dealers may urge upon you.
